Please find attached the Executive Summary of the Post-Application Draft Basic Assessment Report (DBAR) for the proposed 132 kV Powerline, Walmer, Port Elizabeth, Eastern Cape Province.

The Pre-Application DBAR (previously distributed to registered IAPs) has been amended in response to the comments received and is now being released as the Post-Application DBAR. The public is therefore urged to submit comments, as these could ultimately influence the recommendations of the FBAR that will be considered by DEDEAT.

A printed copy of the complete Post-Application DBAR is available for public review at the Walmer Public Library (Main Road, Walmer). The report can also be accessed as an electronic copy on SRK Consulting's webpage via the 'Public Documents' link <http://www.srk.co.za/en/page/za-public-documents>
