PPC Saldanha is a world-class provider of material and solutions for the basic services sector. Our strategic approach ensures that we more than double our business every 10 years. We're always seeking dynamic and suitable individuals who share our ongoing vision.

Process Operator

This role will see you take responsibility for: • Minor maintenance and laboratory testing • Rail shunting • Slag milling • Shift duties and operating mobile equipment, including a locomotive.

To qualify, you will need: • A Grade 12/Senior Certificate with Mathematics and Science • To be preferably over the age of 21 with well-developed communication skills in both English and Afrikaans • A valid Code B driver's licence • Experience in a raw mill/cement operating environment, with operating mobile equipment – especially a locomotive – as well as experience in a heavy-duty industrial environment as a distinct advantage.

To apply, forward your CV to Sophia.steynberg@ppc.co.za by no later than 17 June 2016.

Appointment will be made in line with PPC's employment equity and succession plan.

STAKEHOLDER ENGAGEMENT PROCESS

Basic Assessment (BA) for the Proposed Sea-Based Aquaculture Development Zone in Saldanha Bay
SRK Project No: 499020

Notice is hereby given of a stakeholder engagement process in terms of the National Environmental Management Act 107 of 1998 (NEMA) and the Environmental Impact Assessment (EIA) Regulations, GNR 982 of 2014.

Project description and location: The Department of Agriculture, Forestry and Fisheries (DAFF) proposes to establish a sea-based Aquaculture Development Zone (ADZ) in Saldanha Bay to encourage investor and consumer confidence, create incentives for industry development, provide marine aquaculture services, manage the risks associated with aquaculture and provide skills development and employment for coastal communities. SRK was appointed as the independent Environmental Assessment Practitioner to develop a framework for the Saldanha Bay ADZ and undertake the BA process required in terms of NEMA and the EIA Regulations, including Listing Notices (LN) 1-3. The study will identify and assess areas for potential aquaculture expansion across Saldanha Bay, including Inner Bay, Outer Bay and North Bay, as well as farming of different species, culture technology options and infrastructure requirements.

Application for Environmental Authorisation (EA) to undertake the following listed activities will be submitted:

- LN 1 (7): Development and operation of facilities for aquaculture of sea-based cage culture;
- LN 1 (8): Development and operation of hatcheries or agri-industrial facilities outside industrial complexes;
- LN 1 (42): Expansion and operation of facilities for aquaculture of sea-based cage culture;
- LN 3 (13): Development and operation of facilities for aquaculture on the estuarine side of the development setback line or an estuarine functional zone, a protected area or an aquatic critical biodiversity area; and
- LN 3 (24): Expansion and operation of facilities for aquaculture on the estuarine side of the development setback line or an estuarine functional zone, a protected area or an aquatic critical biodiversity area.

Opportunity to participate: A Background Information Document is available from SRK and can be downloaded from www.srk.co.za (via the 'Library' and 'Public Documents' links), or upon request from the contact person below.

Stakeholders are invited to register on the project database and/or submit initial input into the Project Definition Phase and / or BA process. Submissions from stakeholders must include their name, contact details (specifying the preferred method of notification, e.g. e-mail) and an indication of any direct business, financial, personal, or other interest which they have in the application, to the contact person below. Note that only registered stakeholders will be notified when the BA Report is made available for comment.

To submit comments, register, or request information, please contact: Jessica du Toit of SRK Consulting at jedutoit@srk.co.za; Postnet Suite #206, Private Bag X18, Rondebosch, 7701; Fax: 021 685 7105; Tel: 021 659 3060.

OPENBARE DEELNAMEPROSES

Basiese Assessering (BA) vir die Voorgestelde See-Gebaseerde Akwakultuur Ontwikkeling Sone in Saldanhaabaai
SRK Projek No: 499020

U word hiermee in kennis gestel van die openbare deelnameproses in terme van die Wet op Nasionale Omgewingsbestuur, Wet 107 van 1998 (WNOB), en die Omgewingsimpak bepaling (OIB) Regulasies, RK 982 van 2014.

Beskriving van projek en ligging: Die Departement van Landbou, Bosbou en Visserye (DLBV) beoog om 'n see-gebaseerde Akwakultuur Ontwikkeling Sone (AOS) in Saldanhaabaai te vestig om belegger en verbruikersvertroue aan te moedig, aanspoorings te skep vir die industrie se ontwikkeling, mariene akwakultuur dienste aan te bied, die bestuur van die risikos wat verband hou met akwakultuur en voorsien ontwikkeling en indiensneming vaardighede vir kussgemeenskappe. SRK is as die onafhanklike Omgewingsbeoordelingspraktisyn aangestel om 'n raamwerk vir die Saldanhaabaai AOS te ontwikkel en om die BA proses wat vereis word in terme van WNOB en die OIB Regulasies, insluitend Lystingskennisgewing (LK) 1-3, te onderneem. Die studie sal gebiede identifiseer en evalueer vir moontlike akwakultuur uitbreiding in Saldanhaabaai, insluitend 'Inner Bay', 'Outer Bay' en 'North Bay', asook verskillende spesies, kultuur tegnologie opsies en infrastruktuur vereistes.

Aansoek vir Omgewingsmagtiging (OM) om die volgende gelyste aktiwiteite te onderneem sal voorgeleë word:

- LK 1 (7): Ontwikkeling en bedryf van fasiliteite vir akwakultuur van see-gebaseerde hok kultuur;
- LK 1 (8): Ontwikkeling en bedryf van broei- en opvoed- en agri-industriële fasiliteite buite nywerheidskomplekse;
- LK 1 (42): Uitbreiding en bedryf van fasiliteite vir akwakultuur van see-gebaseerde hok kultuur;
- LK 3 (13): Ontwikkeling en bedryf van fasiliteite vir akwakultuur op die riviermonding kant van die ontwikkelingsterugsetlyn of 'n riviermonding funksionele sone, 'n beskermde gebied of 'n akwatiese kritieke biodiversiteitsgebied; en
- LK 3 (24): Uitbreiding en bedryf van fasiliteite vir akwakultuur op die riviermonding kant van die ontwikkelingsterugsetlyn of 'n riviermonding funksionele sone, 'n beskermde gebied of 'n akwatiese kritieke biodiversiteitsgebied.

Geleentheid om deel te neem: 'n Agtergrond inligtingsdokument is beskikbaar by SRK en kan afgelaai word by www.srk.co.za (via die 'Library' en 'Public Documents' skakels), of op versoek van die kontakpersoon hieronder. Belanghebbers is genooi om te registreer op die projek databasis en/of om aanvanklike insette in die Projek Definisie Fase en / of BA proses in te dien. Voorleggings van belanghebbers moet insluit hulles naam, kontakbesonderhede (sluit in die voorkeur metode vir kennisgewing, bv. e-pos) en 'n aanduiding van enige direkte belang – hetsy sake, finansiële, persoonlik of ander – in die aansoek en moet aan die kontakpersoon hieronder gestuur word. Wees bewus dat slegs geregistreerde belanghebbers sal in kennis gestel word wanneer die BA Verslag beskikbaar is vir kommentaar.

Om kommentaar te lewer, registreer, of inligting te vra, kontak gerus vir: Jessica du Toit van SRK Consulting by jedutoit@srk.co.za; Postnet Suite #206, Rondebosch, 7701; Fax: 021 685 7105; Tel: 021 659 3060.

Tender Notice and Invitation to Tender

TENDER NO. 160078 - WESBANK ACTIVE BOX

Tenders are hereby invited for the construction of a new Active box in Wesbank, Vredenburg.

Tenderers are required to demonstrate their familiarity with buildings. The proof of his/her previous experience shall be reviewed by the Architect to assess the Tenderer's competency and technical/practical execution.

Tender documents **must be booked in advance** and will be made available at the clarification meeting on payment of R300.00 per document. Cheques must be made payable to **SALDANHA BAY MUNICIPALITY**.

Sealed tenders, appropriately marked with the contract number, must be placed in the tender box at the municipal offices of **Saldanha Bay Municipality, Buller Centre, Ground floor, 15 Main Road, Vredenburg, before or on Friday, 01 July 2016 at 12h00**, after which tenders will be opened.

It is estimated that tenderers should have a CIDB contractor grading designation of **3GB**. Electronic format of tenders or faxes will not be accepted and incomplete tenders and/or tenders received late will not be considered. The lowest, only or any tender will not necessarily be accepted.

A compulsory clarification meeting will be held on **Friday, 17 June 2016 at 10h00** and will be at offices of **Element Consulting Engineers, 19B Main Street, Vredenburg**. A person who is suitably qualified and experienced to comprehend the implication of the work involved must represent tenderers at the clarification meeting. For any further information contact Mr H Hickman at (t) 022 713 5204, (f) 022 713 4251 and hhickman@eceng.co.za

Tenders shall be valid for a period of 90 days from the tender closing date. Tenders shall be evaluated using the 90/10 evaluation criteria in accordance to Method 2 and in accordance with the Preferential Procurement Regulation, 2011.

All tenderers must be registered with the Western Cape Supplier Database (WCSD) in order to conduct business with the Saldanha Bay Municipality.

Tenderers who are not registered on the WCSD are not precluded from submitting tenders, but must however be registered prior to adjudication of tender in order for their tenders to be responsive.
