PERSONAL DETAILS

Title : Prof
Surname : Musetsho
First Names : Khangwelo Desmond
ID number : 8005245359089
Postal Address : Postnet Suite 320, P/Bag X9307, Polokwane, 0700
Physical Address : 160 Marshall Street, Polokwane, 0700
Date of Birth : 24 May 1980
Gender : Male
Marital Status : Married, two children
Nationality : South African
Language proficiency : English (Excellent), Luvenda (Excellent), Tsonga and Pedi (Good)
Driver's License : C1

EDUCATIONAL QUALIFICATIONS

Degree : PhD Environmental Management
Institution : University of South Africa
Year : January 2018 to May 2021
Thesis Title : Development of a sustainable land and ecosystem services decision support framework for the Mphaphuli Traditional Authority, South Africa

Degree : Master of Business Leadership
Institution : University of South Africa, Graduate School of Business Leadership
Year : January 2012 to December 2014

Degree : Master of Environmental Management
Institution : University of Venda
Year : January 2008 to December 2009

Degree : Bachelor of Environmental Management
Institution : University of Venda
Year : 1998 to 2001

Certificate : One Year Certificate Programme in Law (NQf Level 5)
Institution : University of South Africa
Year : 2009

Certificate : Conduct Outcomes-based Assessment (Level 5, ID 115753)
Institution : Assessment College of South Africa
Year : 2009

Certificate : Conduct Moderation of Outcomes-based Assessment (Level 6, ID 115759)
Institution : Assessment College of South Africa
Year : 2009

**CURRICULUM VITAE
OF
KHANGWELO DESMOND MUSETSHO**

Cell No: +27 83 410 1477

Tel No: +27 15 296 3988

Email: dmusetsho@naledzi.co.za or musetkd@unisa.ac.za

Certificate : Project Management
Institution : Project Link (Pty) Ltd
Year : 2007

Senior Certificate : Matriculation
Institution : Tshivhase High School
Year : 1997

Other Qualifications and Trainings

- One month experiential training on agricultural water use management at the National Department of Agriculture (Agricultural Research Council, Silverton, 2001). Wetlands conservation, soil erosion and groundwater for irrigation,
- One month Soil Erosion and Resource Management Practical Training at Nwanedi Nature Reserve under the Limpopo Regional Department of Environment, Finance, Economic Affairs and Tourism (2000/2001) – veld evaluation, soil erosion, fire, resource management, plant invaders and interpretative trail.
- One month Soil Erosion and Resource Management Practical Training at Cycad Nature Reserve under the Limpopo Regional Department of Environmental Affairs and Tourism (1999/2000) – Erosion control, law enforcement and data collection.
- Experiential training on wetland rehabilitation, soil erosion, groundwater conservation, National Department of Agriculture, ARC, 2001
- IEMA Approved Foundation Course in Environmental Auditing South Africa, Aspects International, 2007
- Eskom Environmental Law Course, Eskom Distribution, 2008
- Bringing data into ArcGIS, GIMS/ESRI, TRN06-137, 2006
- Introduction to ArcGIS 1, GIMS/ESRI, TRN06-137, 2006
- Writing and Reviewing Mining EIAs and EMPS, Oryx Environmental, 2006
- Planet GIS Training Course, TGIS, 2008
- The One Environmental Authorisation System, Imbewu and DEA, 2015
- Certificate in Integrated Management Systems (Occupational Health & Safety, Quality and Environmental Management) obtained from DQS
- Attended a SAFARI 2000 workshop at the University of Virginia, USA, 07-11 October 2002.

ACADEMIC ACHIEVEMENTS AND AWARDS

Award : Master's Equity Scholarship
Institution : National Research Foundation (NRF)
Year : 2002

Award : School Silver Medallion (Best Graduand in the School of Environmental Sciences)
Institution : University of Venda
Year : 2001

Award : Dr Zahida Ahmed Award (Best Graduand in the School of Environmental Sciences)
Institution : University of Venda
Year : 2001

**CURRICULUM VITAE
OF
KHANGWELO DESMOND MUSETSHO**

Cell No: +27 83 410 1477

Tel No: +27 15 296 3988

Email: dmusetsho@naledzi.co.za or musetkd@unisa.ac.za

Award : School and Departmental Award (Best Student Award in Environmental Management Class, School of Environmental Sciences, Department of Ecology and Resource Management)
Institution : University of Venda
Year : 2001

Award : Vice Chancellor Merit Award
Institution : University of Venda
Year : 2000

PROFESSIONAL SKILLS

- Computer Skills (Windows and Microsoft Office)
- GIS Software: ArcView 8x, ArcGIS 10.8x (ArcView/ArcMap)
- Personal Skills
 - Good analytical skills
 - Good Communication skills
 - Team player
 - Good time management
 - Hard worker
 - Interpersonal
 - Prioritization

EMPLOYMENT HISTORY

Current employer : University of Venda
Current Position : Associate Professor of Practice
Year : July 2022 to date
Responsibilities : Conduct research, supervise postgraduate students proposals development/attract funding, project management.

Current employer : University of South Africa
Current Position : Postdoctoral Fellow
Year : October 2021 to date
Responsibilities : Conduct research, supervise postgraduate students proposals development/attract funding, project management.

Current employer : Naledzi Environmental Consultants (Pty) Ltd
Current Position : Director and Principal Environmental Scientist
Year : October 2003 to date
Responsibilities : Day to day running of the company, inclusive of proposals development/attract funding, project management, undertaking environmental consulting services, leading staff members, financial management, strategy implementation, liaison with stakeholders such as financiers, bankers, SARS amongst others.

Previous employer : University of Venda School of Environmental Sciences
Position : Junior Part-Time Lecturer (2002) and a Replacement Lecturer (2013/14/17)
Department : Ecology and Resource Management
Year : 2002, 2013, 2014 and 2017

**CURRICULUM VITAE
OF
KHANGWELO DESMOND MUSETSHO**

Cell No: +27 83 410 1477

Tel No: +27 15 296 3988

Email: dmusetsho@naledzi.co.za or musetkd@unisa.ac.za

Responsibilities : This role involved teaching the following modules, i.e. (a) Environmental Impact Assessment (EIA) (b) Photogrammetry and Environmental Mapping and (c) Evaluation and Conservation of Biodiversity and (d) Community Ecology for Environmental Management. The role also included leading student excursions, demonstrations, examination setting, marking and general administration.

Previous employer : University of Limpopo – Faculty of Science and Agriculture

Position : Lecturer

Department : Geography and Environmental Studies

Year : 2018

Responsibilities : This role involved teaching the following modules, i.e. (a) Environmental Studies (Environmental Impact Assessment (EIA), and (b) Tourism Studies. The role also included leading student excursions, demonstrations, examination setting, marking and general administration.

PROFESSIONAL REGISTRATION AND MEMBERSHIPS

- Registered as a **Professional Natural Scientist (400287/16)** in the field of Environmental Sciences with the South African Council for Natural Scientific Professions (SACNASP), 2016-to date.
- Registered as an Environmental Scientist with the Southern African Institute for Ecologists and Environmental Scientists (SAIEES), 2007-to date.
- Registered as a Environmental Assessment Practitioner with the Environmental Assessment Practitioners Association of South Africa (EAPASA), 2019-to date.
- **Memberships**
 - International Association for Impact Assessment (IAIASa) (2004 – to date)
 - South African Wetland Society (2019 – to date)
 - Institute of Waste Management in Southern Africa (2010 to date)
 - Institute of Environmental Management and Assessment (Britain, 2016 to 2019, **0065648**)

EXTRA-MURAL AND COMMUNITY OUTREACH ACTIVITIES

- Community outreach and awareness
 - Environmental awareness programs for the Mphaphuli Development Trust, from 2011 to date.
- Media or TV appearances: Advocating Environmental Science and Management
 - 2022: Capricorn FM – What does being an Environmental Scientist entail
 - 2022: SABC News Channel 404 – EAPASA and the IAIA Award
 - 2022: Newzroom Afrika – Environmental Assessment Professions
 - 2022: SAFM – The formation of an Environmental Professional Body for SA
 - 2022: SABC Phalaphala FM – The Environmental Sciences Profession in SA
 - 2019: SABC Phalaphala FM Environmental Awareness Programmes – Civic Education.
 - 2019: SABC Phalaphala FM - Awareness Programme on National Wetland Indaba
 - 2019: SABC TV Zwamaramani – Wetlands Awareness Programme
 - 2019: Vhembe FM – Community innovation and environmental awareness
 - 2012: SABC TV Its for Life Programme – Day on the job with a graduate, December 2012

- Reading newspapers and scientific journals, watching TV, playing leisure football and jogging.

PROJECT INVOLVEMENTS AND FUNDING MOBILIZATION

1. Mukhase Environmental Education Centre – I was responsible for the development of proposals, submission and eventual monitoring of the funds, R12.5m funded by the National Department of Forestry, Fisheries and the Environment (DFFE) on behalf of the Mphaphuli Development Trust
2. Nandoni Dam Eco Park – I was responsible for the development of proposals, submission and eventual monitoring of the funds, R15m funded by the National Department of Forestry, Fisheries and the Environment (DFFE) on behalf of the Mphaphuli Development Trust.
3. Senior Environmental Scientist responsible for planning, research, and report writing when Naledzi Environmental Consultants was appointed by Transnet SOC Limited to carry out an Environmental Impact Assessment, Water Use License and Borrow Pit Application for the proposed expansion of the Lephalale Railway Yard from a 100 to a 200 wagon train yard. This is a Strategic Infrastructure Project (SIP) as part of the National Development Plan.
4. Senior Environmental Scientist responsible for planning, research, and report writing when Naledzi Environmental Consultants was appointed by Vanchem Vanadium Products to prepare a Water Use License and Waste Management License Ground and Surface Water Quality Monitoring Requirements Report for Vanchem's new Slimes and Calcine Disposal Facility situated in Ferrobank, Emalahleni in the Mpumalanga Province.
5. Senior Environmental Scientist responsible for planning, research, and report writing when Naledzi Environmental Consultants was appointed by Samin Group Pty Ltd to carry out an Environmental Impact Assessment in support of a Prospecting Right Application with Bulk Sampling. The prospecting right area is located on state-owned land west of the Kruger National Park at Gumbu (also known as Madimbo Corridor), approximately 100km east of Musina in the Limpopo Province.
6. Senior Environmental Scientist responsible for planning, research, and report writing when Naledzi Environmental Consultants was appointed by Rakhoma Mining Resources (aka Vanchem Vanadium Products) to conduct an integrated Environmental Impact Assessment Study for an Environmental Authorisation and Waste Management License including an Integrated Water Use License Application in support of a Mining Right Application for the proposed 'Geluk Mine', Limpopo Province.
7. Senior Environmental Scientist responsible for planning, research, and report writing when Naledzi Environmental Consultants was appointed by Eskom SOC Limited to prepare the Atmospheric Impact Reports, manage technical studies and conduct the public participation process for Eskom's application for postponement from the Minimum Emission Standards compliance time frames for ten (10) coal-fired power stations located in the Vaal - and Mpumalanga Highveld Region.
8. Senior Environmental Scientist responsible for planning, research, and report writing when Naledzi Environmental Consultants was appointed by Eskom SOC Limited to prepare the Atmospheric Impact Report and conduct the public participation process for an application for postponement from the Minimum Emission Standards compliance time frames for

Eskom's Tutuka power station situated at Standerton in the Mpumalanga Province.

9. Senior Environmental Scientist responsible for planning, research, and report writing when Naledzi Environmental Consultants was appointed by iPDSA on behalf of the Gauteng Department of Infrastructure Development (GDID) to carry out a Basic Assessment Process and integrated Water Use License Application for the proposed development of the new 500 bed Dr Yusuf Dadoo Hospital at Monument Ext 1 in Krugersdorp East in the West Rand District of Gauteng Province.
10. Senior Environmental Scientist responsible for planning, research, and report writing when Naledzi Environmental Consultants was appointed by Tholoana Sustainable Development and Environmental Consultants to conduct an Ecological Sensitivity Scan for the proposed Pam Brink Water Connection Feeder Pipe from Pam Brink Reservoir to Geduld water reticulation network in Springs within Ekurhuleni Metropolitan Municipality of Gauteng Province.
11. Senior Environmental Scientist responsible for planning, research, and report writing when Naledzi Environmental Consultants was appointed by Eskom SOC Limited to conduct the public participation process in support of an application for renewal of the Atmospheric Emission License for Gourikwa power station located 13km west of Mossel Bay in the Western Cape Province.
12. Senior Environmental Scientist responsible for planning, research, and report writing when Naledzi Environmental Consultants was appointed by Eskom SOC Limited to conduct a public participation process in support of an Atmospheric Emission License variation request for Medupi power station south-west of Lephalale town in the Limpopo Province.
13. Senior Environmental Scientist responsible for planning, research, and report writing when Naledzi Environmental Consultants was appointed by Eskom SOC Limited to conduct a public participation process in support of an Atmospheric Emission License variation request for Ankerlig power station situated in Atlantis Industrial, Cape Town in the Western Cape Province.
14. Senior Environmental Scientist responsible for planning, research, and report writing when Naledzi Environmental Consultants was appointed by Eskom SOC Limited to conduct a public participation process in support of applications for renewal of the Atmospheric Emission Licenses for several of Eskom's power stations, namely Acacia (Cape Town), Port Rex (East London), Ankerlig (Atlantis), Camden (Ermelo), Grootvlei (Balfour), Majuba (Amersfoort) and Tutuka (Standerton).
15. Senior Environmental Scientist responsible for planning, research and report writing when Naledzi Environmental Consultants was appointed by Eskom SOC Limited (Distribution: Northern Region) to amend the Environmental Authorization for the Lethaba-Resinga 66kV power line. The study site is situated at Nkowankowa village in Greater Tzaneen Municipality, Mopani District of Limpopo Province.
16. Senior Environmental Scientist responsible for planning, research, and report writing when Mogale City Local Municipality appointed Naledzi Environmental Consultants to carry out an Environmental Impact Assessment (Basic Assessment Process) for the construction of a cemetery and waste transfer station. The project site is located on Portion 22 Rietspruit

395JQ 11km west of Magaliesburg in Mogale City Local Municipality, West Rand District Municipality in Gauteng Province.

17. Senior Environmental Scientist responsible for planning, research, and report writing when Naledzi Environmental Consultants was appointed by Eskom Holdings SOC to carry out an Environmental Impact Assessment for the Soweto Integration Project on behalf of Eskom Transmission. The project entailed the construction of a 30km, 400kV power line from Etna Substation (Lenasia south) to Quattro Substation (a new proposed substation in proximity to the Soweto Cooling Towers) in Gauteng Province.
18. Senior Environmental Scientist responsible for planning, research, and report writing when Naledzi Environmental Consultants was appointed by Eskom Distribution to carry out an Environmental Impact Assessment for the construction of a 15km, 132kV power line from Erasmus (Bronkhorstpruit) substation to Bonamanzi (Bronkhorstpruit Dam) substation in the Bronkhorstpruit area, Gauteng Province.
19. Senior Environmental Scientist responsible for planning, research, and report writing when Naledzi Environmental Consultants was appointed by Eskom Distribution to carry out an Environmental Impact Assessment for the construction of a 12km, 132kV power line from Rayton substation to Bynes substation in the Rayton area, east of Pretoria, Gauteng Province.
20. Senior Environmental Scientist responsible for planning, research, and report writing when Naledzi Environmental Consultants was appointed by Eskom Distribution to carry out an Environmental Impact Assessment for the construction of a 40km, 132kV power line from Spitskop (Northam) substation to Mamba (Koedoeskop) substation in the Northam/Koedoeskop area, Waterberg District, Limpopo Province.
21. Senior Environmental Scientist responsible for planning, research, and report writing when Naledzi Environmental Consultants was appointed by Eskom Distribution to carry out an Environmental Impact Assessment for the construction of a 20km, 132kV power line from Moedwil (Moedwil farming area, outside Rustenburg) substation to Swartruggens substation.
22. Senior Environmental Scientist responsible for planning, research, and report writing when Naledzi Environmental Consultants was appointed by the Limpopo Department of Roads and Transport to carry out an Environmental Impact Assessment for the upgrade/resurfacing of the Madikwe Game Reserve/Derdepoort Border Post gravel road, South Africa and Botswana periphery, Limpopo Province.
23. Senior Environmental Scientist responsible for planning, research, and report writing when Eskom Distribution appointed Naledzi Environmental Consultants to carry out an Environmental Impact Assessment for the construction of a 30km, 132kV power line from the existing Merensky Substation to the proposed two (2) new substations at Kennedy's Vale and Kalkfontein, Between the Steelpoort and Roossenekal area, Limpopo Province.
24. Senior Environmental Scientist responsible for planning, research, and report writing when Naledzi Environmental Consultants was appointed by Cape Malting House (FABCOS) to carry out an Environmental Impact Assessment for a state of the art Commercial Malt Production Plant in Ritchie, Frances Baard District, Northern Cape Province.

25. Senior Environmental Scientist responsible for planning, research, and report writing when Naledzi Environmental Consultants was appointed by Bakwena Ba Phalane Traditional Community and Mantra Mineral Development to undertake a public consultation process and develop a prospecting Environmental Management Plan (EMP) with regard to a Prospecting Right Application for the prospecting of iron ore and several other ore bodies in the Koedoeskop / Nooitgedacht area, Thabazimbi Local Municipality, Limpopo Province.
26. Senior Environmental Scientist responsible for planning, research, and report writing when Tshanduko Minerals Pty Ltd appointed Naledzi Environmental Consultants to conduct a public consultation process and development of the prospecting Environmental Management Plan (EMP) with regard to a Prospecting Right Application for the prospecting of **Coal** north of Louis Trichardt and also north of the Soutpansberge just east of the N1 National Toll Road in the magisterial district of Makhado in the Limpopo Province.
27. Senior Environmental Scientist responsible for planning, research, and report writing when Tshanduko Minerals Pty Ltd appointed Naledzi Environmental Consultants to undertake the public consultation process and development of the prospecting Environmental Management Plan (EMP) with regard to a Prospecting Right Application for the prospecting of Limestone in the Kalkbank area located halfway between Dendron and Polokwane in the magisterial district of Aganang in the Limpopo Province.
28. Senior Environmental Scientist responsible for planning, research, and report writing when Mogale City Local Municipality appointed Naledzi Environmental Consultants to conduct a Waste License Audit for the Luipaardsvlei Landfill Site, 2013 and 2014
29. Senior Environmental Scientist responsible for planning, research, and report writing when the Thulamela Local Municipality appointed Naledzi Environmental Consultants to conduct a Waste License Audit for the Muledane Landfill Site, 2013.
30. Senior Environmental Scientist responsible for planning, research and report writing when the NCPC appointed Naledzi Environmental Consultants to participate on the NCPC Demonstration Cleaner Production Programme for Gauteng. The companies assessed included Hudson and Knights in Boksburg, Astral Foods in Olifantsfontein and Premier Foods in Pretoria
31. Senior Environmental Scientist responsible for planning, research, and report writing when the National Cleaner Production Centre appointed Naledzi Environmental Consultants to conduct In-plant assessments at the following companies; Chloorchem, Xertech, VHV, Illovo & Lacs Plant
32. Senior Environmental Scientist responsible for planning, research, and report writing when the Royal Bafokeng Administration appointed Naledzi Environmental Consultants to carry out an Environmental Impact Assessment study for the Royal Bafokeng Sports Palace (Stadium) in preparation for the 2010 World Cup Soccer Tournament, Rustenburg.
33. Senior Environmental Scientist responsible for planning, research, and report writing when Moses Kotane Local Municipality appointed Naledzi Environmental Consultants to carry out an Environmental Impact Assessment for the establishment of Pella Sports Park (which included the establishment of the spectator stands, track fields, tennis courts, parking

areas, etc) in the Bojanala District of the North West Province.

34. Senior Environmental Scientist responsible for planning, research, and report writing when Naledzi Environmental Consultants was appointed by Eskom Transmission to carry out an Environmental Impact Assessment for the construction of 30km 2x400kV Power Lines from Glockner (near Vaal Triangle) substation to Etna (near Soweto) substation in the Gauteng Province.
35. Senior Environmental Scientist responsible for planning, research, and report writing when Naledzi Environmental Consultants was appointed by Eskom Transmission to carry out an Environmental Impact Assessment for the construction of 7km 2x275kV Power Lines from Etna substation to a proposed new substation in Mondeaur area of the Gauteng Province.
36. Senior Environmental Scientist responsible for planning, research, and report writing when Eskom Distribution appointed Naledzi Environmental Consultants to carry out an Environmental Impact Assessment for the construction of a combination of infrastructure development (16km 132kV power line, substation and feeder bays) in the Khutala, Kendal and Argent areas of the Mpumalanga Province.
37. Senior Environmental Scientist responsible for planning, research, and report writing when Eskom Distribution appointed Naledzi Environmental Consultants to carry out an Environmental Impact Assessment for the construction of a combination of infrastructure (100mx100m substation, 88kV Chickadee lines, 132kV Feeder Bay and a telecommunication tower) in the Ermelo area of the Mpumalanga Province
38. Senior Environmental Scientist responsible for planning, research, and report writing when Eskom Distribution appointed Naledzi Environmental Consultants to carry out an Environmental Impact Assessment for the construction of a 100mx100m proposed Botlokwa Substation and associated 14km 132kV Power line from the existing Tabor Substation to Botlokwa in the Limpopo Province
39. Senior Environmental Scientist responsible for planning, research, and report writing when Eskom Distribution appointed Naledzi Environmental Consultants to carry out an Environmental Impact Assessment for the construction of a 2.5km 132kV Power Line from the existing Jane Furse
40. Senior Environmental Scientist responsible for planning, research, and report writing when Eskom Distribution appointed Naledzi Environmental Consultants to carry out an Environmental Impact Assessment for the construction of a 50km 132kV Power Line from Venulu Substation to Makonde Substation in the Vhembe District of the Limpopo Province.
41. Senior Environmental Scientist responsible for planning, research, and report writing when Eskom Distribution appointed Naledzi Environmental Consultants to carry out an Environmental Impact Assessment for the construction of a 21km 132kV Power Line from Tabor Substation to Flurian Tee station in the Vhembe District of the Limpopo Province.
42. Senior Environmental Scientist responsible for planning, research, and report writing when Eskom Distribution appointed Naledzi Environmental Consultants to carry out an Environmental Impact Assessment for the construction of a 19km 132kV Power Line from Mapoch Substation to Simplon Substation in the Roosenekal area of the Mpumalanga Province.
43. Senior Environmental Scientist responsible for planning, research, and report writing when Eskom Distribution appointed Naledzi Environmental Consultants to carry out an Environmental Impact Assessment for the construction of a 9km 132kV Power Line from Goedgevonden Substation to a proposed Grootpan Substation in the Ogies area of the

Mpumalanga Province.

44. Senior Environmental Scientist responsible for planning, research, and report writing when the Royal Bafokeng Administration appointed Naledzi Environmental Consultants to carry out an Environmental Impact Assessment for the establishment of Lebone II College of the Royal Bafokeng in Rustenburg
45. Senior Environmental Scientist responsible for planning, research and report writing when Naledzi Environmental Consultants was appointed by the Department of Economic Development, Environment and Tourism to develop a Phase II State of Environment Report for the Limpopo Province. The Phase II State of Environment Report was launched in November 2006.
46. Senior Environmental Scientist responsible for planning, research, and report writing when Naledzi Environmental Consultants was appointed by the Department of Environmental Affairs and Tourism to implement a Soil Conservation Project (construction of gabion structures and planting of indigenous plant species) in the Batlhabine area of the Greater Tzaneen Local Municipality, Mopani District of the Limpopo Province.
47. Senior Environmental Scientist responsible for planning, research, and report writing when Naledzi Environmental Consultants was appointed by the Department of Environmental Affairs and Tourism to implement an Alien Plant Species eradication programme on top of the Soutpansberg Mountains, as part of the Soutpansberg Biosphere Reserve Initiative, Makhado Local Municipality of the Vhembe District.
48. Senior Environmental Scientist responsible for planning, research, and report writing when Naledzi Environmental Consultants was appointed by the Department of Water Affairs and Forestry to carry out an Environmental Impact Assessment for the construction of water pipelines and related infrastructure along the Great Letaba Dam, Limpopo Province.
49. Senior Environmental Scientist responsible for planning, research, and report writing when the Ekurhuleni Metropolitan Municipality appointed Naledzi Environmental Consultants to conduct an Environmental Impact Assessment for the Apex Sewer Reticulation Network in Benoni, Gauteng Province.
50. Senior Environmental Scientist responsible for planning, research and report writing when Madibeng Local Municipality appointed Naledzi Environmental Consultants to conduct an Environmental Impact Assessment for the upgrading of Klipgat Cemetery. The EIA was completed and the reports approved by the Department of Agriculture, Conservation, Environment and Tourism
51. Senior Environmental Scientist responsible for planning, research and report writing when Madibeng Local Municipality appointed Naledzi Environmental Consultants to conduct an Environmental Impact Assessment for the upgrading of Segwaelane Cemetery. The EIA was completed and the reports approved by the Department of Agriculture, Conservation, Environment and Tourism
52. Senior Environmental Scientist responsible for planning, research and report writing when Madibeng Local Municipality appointed Naledzi Environmental Consultants to conduct an Environmental Impact Assessment for the upgrading of Wonderkop Cemetery. The EIA was completed and the reports approved by the Department of Agriculture, Conservation, Environment and Tourism

SAWS Conference, Johannesburg, GP	
2022 International Association for Impact Assessment Conference, Vancouver, Canada	Conference attendee, presenter

STUDENT SUPERVISION RECORD

Graduated or accepted

Doctoral

None

MSc

Mulaudzi T. (MSc) - Investigating post-environmental authorization compliance of road development projects in Limpopo Province, South Africa". Ms Mulaudzi graduated in 2017, University of Free State, (*Graduated, December 2017*)

In progress

MSc

Mphaphuli P – Assessing sustainable water, energy and food (WEF) nexus smart innovations and practices in Luvuvhu and Nzhelele River Catchments, South Africa, University of Venda.

Doctoral

Feleke Abye Asrat (PhD) - Remote sensing on agricultural production from climate change and human induced activities in Amhara Region, Ethiopia

FUNDING AGENCY REVIEW, THESIS EXTERNAL EXAMINER AND TEACHING

Funding proposal and Thesis (MSc/PhD) reviewer

None.

External examiner and Module Moderation (Undergraduate and Postgraduate modules)

Third-year

- ERM3541 – Resource Evaluation and Information System, University of Venda, 2013
- ERM3641 – Environmental Impact Assessment and Modelling, University of Venda, 2013
- Environmental Sciences BSc Qualification Design, University of South Africa, 2018
- SENB031 – Tourism Studies, University of Limpopo, 2018
- SENB032 – Impact Studies, University of Limpopo, 2018

Fourth-year or Honours modules

- None
