Subject: Re: De Aar 2 South WEF - Confirmation of acceptance of final layout

Dear Tilly

With reference to your email sent on Wednesday 09 November 2022 at 14:17 and the KMZ file attached to that email (**20221109_Mulilo De Aar 2 South WEF Layout.kmz**):

I hereby confirm that the new layout presented is acceptable. This is based on the detailed walk-through survey that I undertook, as well as the alignment recommendations that I made following completion of the walk-through survey.

The updated layout does not require any further mitigation to what I have recommended in the report for the update of the EMPr and Layout Finalization process.

Kind regards
David
