Approval to accept archaeological material resulting from proposed excavations at N'Rougas Noord portion 108 north of Kenhardt, Kai !Garib Local Municipality, ZF Mgcawu District, Northern Cape. (Permit application: L Webley & S Wurz).

The McGregor Museum Archaeology Department is in receipt of a motivation for proposed archaeological investigation of surface and possible subsurface artefact occurrences adjacent to rock engravings at Kurukop on the farm N'Rougas Noord portion 108, north of Kenhardt. We hereby indicate our agreement to accept any archaeological material resulting from this work. The museum will curate this material (marking, accessioning, etc) in standard McGregor Museum boxes with a one-time curation fee as indicated in preliminary correspondence.

Yours faithfully

Dr David Morris
