**RE: PERMIT DEVIATION – REF: 10/3Dbn/02 09/490**

Permit Number:- 09-380-dev  
Date:- 01 July 2010  
Expiry:- 05 August 2011

TO WHOM IT MAY CONCERN

Dear Sir / Madam

With regard to the above-mentioned permit, we would like to request a further deviation as listed below and shown in the attached drawings. A copy of the drawings from the previous permit is also attached to this application.

- 1) The bin area has been shifted to accommodate a servitude on which it was previously located. The Ethekwini Municipality has also required it to be roofed.
- 2) A new external fire escape staircase is required on the South West Elevation as per National Building regulations.
- 3) The rooms in the roof (and related stairs) have been removed.
- 4) The dormer window in the South East Elevation has been added.
- 5) Below ground stormwater attenuation tank added.
- 6) The existing outbuilding will have the existing facilities upgraded.

Please could the above-mentioned permit be extended to include the changes as illustrated in the attached drawings.

Sincerely

DMG Vieira
