To Whom It May Concern

**INVESTIGATION, EXHUMATION & RELOCATION OF GRAVES FROM TWO SITES ON PORTION 31 OF THE FARM ELANDSPRUIT 291JS, MIDDELBURG, MPUMALANGA**

Dear all,

This letter confirms that I (Anton Pelser) and my company (APAC) are registered archaeologists and heritage practitioners at the Association of Southern African Archaeologists (ASAPA) and SAHRA, and that I am a Principal Investigator for Graves in the CRM Section of ASAPA. We have done many projects similar to this one over the past 15 years.

I also confirm through this letter that I will be responsible for obtaining the permit for the investigation, exhumation and relocation of all graves that are unknown in age (and unclaimed by descendants) and/or older than 60 years of age covered under the National Heritage Resources Act (Act 25 of 1999). I will also be physically present during the exhumation process to document and record all the graves and the remains recovered. An approximate total of 22 unknown & graves older than 60 years of age are located on the two sites situated on Portion 31 of Elandspruit 291JS.

Should there be any questions or comments please contact the author of this letter directly.

Kind regards

Anton Pelser  
Director
