NOTIFICATION REGARDING AN ENVIRONMENTAL IMPACT ASSESSMENT FOR THE PROPOSED MASHISHING TOWNSHIP ESTABLISHMENT IN MASHISHING (LYDENBURG), MPUMALANGA PROVINCE

Notice is hereby given in terms of Chapter 6 of Government Notice No. R. 982 under the EIA Regulations (2014) as amended promulgated under Section 24(5) of the National Environmental Management Act, 1998 (Act 107 of 1998 – NEMA, as amended), of an application for Environmental Authorisation (EA), for a proposed Township Establishment on a portion of portion 81 of the Farm Lydenburg Town and Townlands 31-JT (Mashishing), near Mashishing Town, Mpumalanga Province. A full Environmental Impact Assessment (EIA) process will be followed.

Name of Applicant: Thaba Chweu Municipality

EIMS Reference Number: 1208

Nature of Activity:

The proposed project will be comprised of the following:

- Mashishing township establishment on a portion of portion 81 of the Farm Lydenburg Town and Townlands 31-JT; and
- It is anticipated that several NEMA listed activities and National Water Act water uses will be triggered by this application, and these will be confirmed during the Scoping Phase of this project. However, the following NEMA listed activities are anticipated to be triggered by this application:
- GN R. 983: 9; 10; 11; 12; 19; 27; 31; and 34.
- GN R. 984: 15; and 24.
- GN R. 985: 4 (f)(ii)(bb); and 12 (f).

The following NWA Water Uses are anticipated to be applicable:

- Section 21(c): impeding or diverting the flow of water in a water course; and
- Section 21(i): altering the bed, banks, course or characteristics of a water course.

Location:

The project falls within the Ehlanzeni District Municipality and Thaba Chweu Local Municipality, in Mpumalanga Province. The project area covers a portion of portion 81 of the Farm Lydenburg Town and Townlands 31-JT.

Registration and Comment

As a potential I&AP, you are invited to register and comment on the project. Should you have any comments or concerns regarding the project, or should you require any additional information, please contact EIMS telephonically, or in writing by no later than 15 December 2017 using the contact details below. Please include the project reference number (1208) in all correspondence. Furthermore, please note that only registered I&APs will be informed of any project information post this registration period.
