# CURRICULUM VITAE

## Rebecca Bowd

Registered Environmental Assessment Practitioner (EAPSA)

Director of Green Door Environmental

*MEnvDev (S.A.), IAIA, SAIEA, IWMSA, Cert IEM, Cert. Audit*

### PERSONAL DETAILS

Date of Birth 16 June 1979  
Sex Female  
Marital Status Single  
Nationality British  
Driver's Licence Code E (08)  
Home Language English

### CONTACT DETAILS

Telephone 033 343 4176  
Fax 033 343 4201  
Cell 072 181 4236  
E-mail rebecca@greendoorgroup.co.za  
Physical Address Block H Quarry Office Park,  
400 Old Howick Road,  
Hilton, KZN, 3245  
Postal Address PO Box 11  
Hilton 3245

### EDUCATION

#### Tertiary Education

2008 – Present PhD, University of KwaZulu-Natal, Pietermaritzburg, South Africa  
Project Towards an analytical framework for understanding complex social ecological systems when conducting Environmental Impact Assessments in South Africa  
Supervisors Dr Donovan Kotze, Centre for Environment and Development, University of KwaZulu-Natal, South Africa  
Dr Nevil Quinn, Department of Geography and Environmental Management, University of the West of England, United Kingdom  
2003 – 2005 MEnvDev, University of KwaZulu-Natal, Pietermaritzburg, South Africa  
Project Towards a macroinvertebrate sampling protocol for monitoring water quality of wetlands in South Africa  
Supervisors Dr Donovan Kotze & Dr Nevil Quinn, Centre for Environment and Development, University of KwaZulu-Natal, South Africa  
1997 – 2000 B.A. Hons, University College Chichester, England  
Majors Geography and Environmental Science  
Final Year (Hons) Project Time, space and attitudes: a comparison of living under the conditions of an internationally run plantation and a traditional living environment  
Supervisor Dr Samantha Jones, Department of Geography, University College Chichester, England

## CAREER PROFILE

Over eight years practicing as an Environmental Assessment Practitioner in the field of Integrated Environmental Management and environmental assessments. Recent work has largely been in the alternative energy, agricultural, industrial and public service sectors.

## Areas of Expertise

- Running of entire EIA and Basic Assessment Processes (including the public participation process);
- Environmental Management Programmes (EMPr);
- Conducting audits as an Environmental Control Officer (ECO) for the implementation of construction and operational EMPr;
- Environmental compliance assessments and audits;
- Environmental Feasibility Assessments;
- External reviews of other EAP's EIA work;
- Environmental advice;
- Strategic level environmental planning and management;
- Permit applications (Water Use Licenses, Waste Licenses);
- Project Management, Report Writing, Implementation Plans and Project Design;
- Socio-economic Assessments;
- Section 24G applications and compilation of reports for unlawful activities; and
- Sustainable Development and Rural Livelihoods.

---

## **EMPLOYMENT HISTORY**

### **Green Door Environmental, Hilton, South Africa**

*October 2009 to Present - Environmental Assessment Practitioner (Director)*

Responsible for undertaking environmental authorisation processes for new developments within all sectors, and providing environmental advice and guidance. Compiling and implementing construction and operational EMPr. Project Management, Permit Applications, Environmental Reviews and Feasibility Assessments.

### **EnviroScope cc, Pietermaritzburg, South Africa**

*September 2007 to September 2009 - Environmental Assessment Practitioner (Director)*

Conducting of environmental authorisation processes for new developments within the industrial, residential, commercial and linear sectors. Project managed and undertook the compilation of Environmental Basic, Scoping and EIA Reports, Public Participation, compilation of EMPr and EMPr monitoring.

### **Simpson, Ryder & Associates, Hilton, near Pietermaritzburg, South Africa**

*January 2006 to August 2007 - Environmental Consultant*

Management of environmental authorisation processes for new developments, including data collection for, and compilation of Environmental Basic, Scoping and EIA Reports, Public Participation, compilation of EMPr and EMPr monitoring. Also involved with air quality, water quality, noise and dust assessments and monitoring.

### **WSP Environmental (previously WSP Walmsley), Westville, Durban, South Africa**

*July 2004 to December 2005 - Environmental Consultant*

Undertook all aspects concerned with environmental consultancy, notably – compilation of Scoping Reports and EMPr, compliance monitoring, and communication with clients and I&APs.

### **Ninham Shand Consulting Engineers (now Aurecon), Pietermaritzburg, South Africa**

*February 2005 to June 2005 – Environmental Project Consultant*

Analysed the current environmental market within the private industrial sector of KwaZulu-Natal, and identified potential environmental service and product opportunities:

- Responsible for the planning, implementation, report writing and presentation of the project;
- Assessed pollutants and waste products discarded by various manufacturing processes from an environmental perspective;
- Identified key compliance issues within national environmental legislation regarding industrial manufacturing; and
- Gained familiarity with ISO certification and EMSs.

## SPECIFIC PROJECT EXPERIENCE (2004 – PRESENT)

<b>Industrial and Manufacturing</b>		
<b>Client</b>	<b>Project Title</b>	<b>Description</b>
Buthule Trading (Pty) Ltd	The Proposed Installation of Sterigerm Units into Two Hospitals in KZN	Full Scoping, EIA (including Public Participation) and EMPr.
Biotech Energy Pty Ltd / AES (Pty) Ltd	The proposed establishment of a Green Energy Plant, Tweedie, KZN	Full Scoping, EIA (including Public Participation) and EMPr for the establishment of a facility which produces 6.5 MW of power from plantation residue. DWA Water Use Permit Application. DEA Waste Permit Application. <b>Specialist studies:</b> Hydrocensus; Air Quality Modelling; Noise Impact Assessment; Traffic Impact Assessment; Wetland Delineation.
Biotech Fuels (Pty) Ltd	The proposed establishment of a Pellet Plant at Tweedie, KZN	Full Scoping, EIA (including Public Participation) and EMPr for the establishment of a wood pellet plant. DWA Water Use Permit Application. DEA Waste Permit Application. <b>Specialist studies:</b> Air Quality Modelling; Noise Impact Assessment; Traffic Impact Assessment.
Vikela Afrika Waste Care (Pty) Ltd	The proposed establishment of a Medical Waste Treatment Facility at Hammarsdale, KZN	Full Scoping, EIA (including Public Participation) and EMPr for the establishment of a purpose-built Waste Treatment Facility, which will be used for the treatment of potentially infectious healthcare risk waste, prior to final disposal.
Mascor (Pty) Ltd	The proposed establishment of a Service Station and Motor Dealership located in Greytown, KZN	Full Scoping, EIA (including Public Participation) and EMPr. <b>Specialist Studies:</b> Traffic Impact Assessment; Risk Assessment; Geotechnical Assessment.
Ducatus (Pty) Ltd	The proposed establishment of a Light Industrial Development at the Lion Park off ramp, N3 Freeway near Pietermaritzburg, KZN	Full Scoping, EIA and EMPr for the establishment of a 20 ha office and light industrial facility adjacent to the N3 freeway. <b>Specialist studies:</b> Vegetation Assessment; Geotechnical Assessment; Traffic Impact Assessment; Heritage Impact Assessment; Agricultural Potential Assessment.
Eben Venter	The proposed establishment a Storage Facility in Roslyn Industrial Area, Pretoria	Commencement of a full Scoping, EIA (including Public Participation) and EMPr for the construction of a 20 000m <sup>2</sup> finished products warehouse. <b>Specialist studies:</b> Geotechnical Assessment; Traffic Impact Assessment; Heritage Impact Assessment.
Komatsu (Pty) Ltd	The proposed establishment of a Komatsu Forklift Showroom Doornkloof, Pretoria	Commencement of a full Scoping, EIA (including Public Participation) and EMPr for the development of a showroom for small material handling equipment, warehouse, workshop and ancillary office. <b>Specialist studies:</b> Geotechnical Assessment; Traffic Impact Assessment; Heritage Impact Assessment.
Gibbs Steel (Pty) Ltd	The proposed establishment of a 6ha Light Industrial Development at Camperdown, KZN	Basic Assessment (including Public Participation) for the establishment of office and warehousing facilities adjacent to the N3 freeway. <b>Specialist studies:</b> Vegetation Comment; Geotechnical Assessment; Traffic Impact Assessment; Heritage Impact Assessment; Wetland Delineation and Functionality Assessment
The Mustapha Trust	The proposed establishment of a Light Industrial Development at Camperdown, KZN	Basic Assessment (including Public Participation) for the establishment of a 3.1 ha office and light industrial facility adjacent to the N3 freeway. <b>Specialist studies:</b> Geotechnical Assessment; Traffic Impact Assessment; Heritage Impact Assessment; Wetland Delineation and Functionality Assessment
Principle Energy Ethanol Biofuel Plant	The proposed establishment of a Biofuel Ethanol Facility at Dumbe, Mozambique	Factory, Quarry and Sugar Cane Construction and Operational EMPr.
Natal Forest Products (Pty) Ltd	Environmental Compliance for a CCA and Creosote Plant, Richmond, KZN	Public Participation and compilation and implementation of an Operational EMPr.
Creosote Forum	Compilation of a CCA and	Compilation of guideline and regulation document (including live Website).

	Creosote guideline and regulation document for the Creosote industry in South Africa	
Leadco	Activities conducted at Leadco located on Henville Extension 2, Elandsfontein, Johannesburg, Gauteng	24G Rectification Process.
Dunlop Industrial Products	Environmental Compliance for a Rubber Manufactures and Molding Facility, Howick, KZN	DWA Water Use Permit Application. Prioritization and management of environmental legal compliance issues. Baseline water sample collection, interpretation and report compilation.
NCS Resins (Pty) Ltd	Environmental Management Plan for NCS Resins Located in South Durban, KZN	Construction EMPr monitoring and close-out report for the construction phase of the establishment of a large storage facility.
Biotech Fuels (Pty) Ltd	The proposed establishment of a Pellet Plant at Donnybrook, KZN	External review of Basic Assessment Report.
Purple Moss (Pty) Ltd	EMPr for an Ethanol Decanting Facility, Cool Air, Wartburg, KZN	Compilation of a construction and operational EMPr.
The Timbershed	The proposed establishment of a 1000m <sup>2</sup> sawmill at the Timbershed, Curry's Post Road, KZN Midlands	Basic Assessment (including Public Participation)
ANR Agencies	The proposed establishment of a sand and stone wholesale facility at Ashburton, KZN	Compilation of a construction and operational EMPr.
FFS Refiners (Pty) Ltd	The proposed decommissioning of an FFS Refiners Plant located within SAPREF, on the South Tank Farm, Durban, KZN	Basic Assessment process (including Public Participation). Compilation and implementation of EMPr.
Harmony Gold Mining Company Limited	Proposed Bioenergy facility at Harmony Gold Mine, Welkom, Matjhabeng Local Municipality, Free State Province	Full Scoping, EIA (including Public Participation), EMPr and Waste Application for a Bioenergy facility and associated activities, namely the establishment of: 500 ha energy crop; 17 ha algae raceways; an anaerobic digester; Gas Treatment Plant; CNG vehicle fuelling station; 450m <sup>3</sup> Bio-CNG storage area; and a Dutch Oven. <b>Specialist Studies:</b> Contaminated Land Assessment; Geotechnical Assessment; Soils Analysis / Potential Assessment; Run-off Plan and Irrigation Specifications; Geohydrological Risk Assessment; Geohydrological Assessment; Socio-economic Assessment; Visual Impact Assessment; Wetland Assessment; Air Quality Impact Assessment; Heritage Impact Assessment; Noise Impact Assessment; Dust Impact Assessment; Biodiversity Comment; Biodiversity Risk Assessment; Major Hazardous Installations (MHI) Risk Assessment.
<b>Mixed-Use, Commercial and Residential</b>		
<b>Client</b>	<b>Project Title</b>	<b>Description</b>
<b>Mixed-Use</b>		
Hestonbury Investments (Pty) Ltd	Stonehaven Multifunctional Hall, KZN Midlands	Rectification Process. <b>Specialist Studies:</b> Wetland Assessment
Mpushini Business Park	The proposed establishment of a 60 ha Mixed-Use Development at Ashburton, near Pietermaritzburg, KZN	Full Scoping, EIA (Including Public Participation) and EMPr for the establishment of a 60 ha developing featuring light industrial, residential, commercial, open space components. <b>Specialist Studies:</b> Agricultural Potential Assessment; Wetland Delineation, Functionality and Integrity Assessment; Needs & Desirability Assessment; Social Impact Assessment; Grassland Assessment; Fauna Assessment; Geotechnical Assessment, Traffic Impact Assessment; Heritage Impact Assessment.
Janet Edmond Consulting for Fireball Trade & Invest 15 (Pty) Ltd	The proposed Surrey Park Mixed-Use Development, Msunduzi Municipality, KZN	Review of Draft Basic Assessment.
Solvista Investments (Pty) Ltd	The proposed establishment of a 200 ha Mixed-Use development at Mkondeni, near	Full Scoping, EIA (including Public Participation) and EMPr for a development which comprises commercial, residential, light industrial, education and hospital land use.

	Pietermaritzburg, KZN	<b>Specialist Studies:</b> Agricultural Potential Assessment; Wetland Delineation and Functionality Assessment; Needs & Desirability Assessment; Vegetation Assessment; Fauna Assessment; Invertebrate Assessments; Geotechnical Assessment, Traffic Impact Assessment; Heritage Impact Assessment.
Beacon Hill Country Estate (Pty) Ltd	The proposed establishment of Beacon Hill (Phase 2) Country Estate located near to Bishopstowe, Pietermaritzburg, KZN	Basic Assessment (including Public Participation) for a residential development comprising low cost, medium and high income housing and a commercial node on the outskirts of the Msunduzi Municipal area. <b>Specialist Studies:</b> Geotechnical Assessment.
Whitesand Investments (Pty) Ltd	The proposed 11 ha Mixed-Use Development on Portion 361 (of 25) of the Farm Uitkomst and Doornrug No. 852, Hammarsdale, KZN	Basic Assessment (including Public participation) and EMPr which will include light industrial, commercial and residential development <b>Specialist Studies:</b> Geotechnical Assessment; Heritage Impact Assessment
City Ventures Group	Proposed Dry Port located on Erven 338, 363, 206, 26 and Rem of 22 of Uitkomst & Doornrug, and Rem of 14324 Manglo Ridge, Cato Ridge, EThekwini Municipality, KZN	Full Scoping, EIA (including Public Participation) and EMPr for a 500 ha Dry Port development which comprises commercial, residential, light industrial, realignment of Eskom Servitudes and the expansion of the Wastewater Treatment Works. <b>Specialist Studies:</b> Geotechnical Assessment; Services Agreements; Biodiversity Assessment; Bulk Services Report; Stormwater Management Plan; Socio-economic Assessment; Agricultural Potential Assessment; Wetland Delineation and Functionality Assessment; Heritage Impact Assessment; Traffic Impact Assessment.
<b>Commercial</b>		
Len Mostert	The proposed layout amendment for Beacon Hill Country Estate, Pietermaritzburg, KZN	Environmental Authorisation Amendment Process. <b>Specialist studies:</b> Traffic Impact Assessment
Edendale Mall (Pty) Ltd	The proposed establishment of a 33 500m <sup>2</sup> Shopping Mall in Edendale, Pietermaritzburg, KZN	EIA (including Public Participation) Process and compilation of Construction and Operational EMPr. <b>Specialist studies:</b> Feasibility Assessment; Need and Desirability Assessment; Traffic Impact Assessment; Geotechnical Assessment; Wetland Delineation, Functionality and Integrity Assessment.
Mascor (Pty) Ltd	The proposed establishment of a 20 000m <sup>2</sup> Shopping Mall at Greytown, KZN	Basic Assessment process (including Public Participation). <b>Specialist studies:</b> Feasibility Assessment; Need and Desirability Assessment; Traffic Impact Assessment; Geotechnical Assessment.
McCormick Property Developers (Pty) Ltd	The proposed establishment of a 20 000m <sup>2</sup> Shopping Mall at Mt. Frere, Eastern Cape	Basic Assessment process (including Public Participation). <b>Specialist studies:</b> Feasibility Assessment; Traffic Impact Assessment; Wetland Delineation and Assessment; Geotechnical Assessment.
Astragal Project Management and Development (Pty) Ltd	The proposed establishment of a 4 ha Office Park on Monzali Drive, Hilton Gardens KZN	Basic Assessment process (including Public Participation). <b>Specialist studies:</b> Wetland Delineation and Functionality Assessment; Geotechnical Assessment; Vegetation Assessment; Traffic Impact Assessment.
Mooi River Spar (Pty) Ltd	The proposed establishment of a Spar shopping Centre at Mooi River, KZN Midlands	24G Application.
Wingfield Family Trust	The proposed St. Ives Tourism Development on Remainder of Portion 54 of 45 of the Farm Weltevreden No. 1017 and Remainder of the Farm Hebron A No. 15938, KZN Midlands	Amendment Application.
<b>Residential – high end</b>		
Redvers Lee	The establishment of a building within 32 m of a water course on Portion 5 of the Farm Fordoun, 14783, KZN	24G Rectification Process.
Bracken Ridge Estate (Pty) Ltd	The proposed establishment of a 14 ha Housing Development on Erf 330, Hilton, KZN	Scoping, EIA process (including Public Participation) and EMPr for a 77 unit development incorporating a rehabilitated wetland and mistbelt grassland area. <b>Specialist studies:</b> Geotechnical Assessment; Grassland Assessment; Snail Assessment; <i>Dierama</i> Assessment; Wetland Delineation and Functionality Assessment.

Spionkop Lodge Pty Ltd	The proposed establishment of 33 Residential Units near Winterton, KZN	Full Scoping, EIA (including Public Participation) and EMPr for a 7.9 ha Eco-Tourism Residential Development on the Remainder of Portion 1 of the Farm Labuschagne's Kraal No. 905, Winterton, KZN. <b>Specialist studies:</b> Geotechnical Assessment; Biodiversity Assessment; Heritage Impact Assessment; Agricultural Potential Assessment.
Pinewood Guest House	The proposed establishment of Pinewood Eco-estate, Kokstad, KZN	Basic Assessment (including Public Participation) process for a 40 unit eco-estate. <b>Specialist Studies:</b> Heritage Impact Assessment; Amphibian Assessment; Wetland Delineation Assessment; Vegetation Assessment; Geotechnical Assessment.
Eben Venter	The proposed establishment of a Township Development at Wonderboom, Pretoria North, Gauteng	Scoping Assessment (including Public participation) for the establishment of a 1500 unit township with shopping facilities. <b>Specialist Studies:</b> Geotechnical Assessment.
Stiebel Sands Estate	The proposed establishment of a 9 unit Residential Development at Umzumbe, South Coast, southern KZN	Scoping process (including Public Participation) for a nine unit residential development in dune forest vegetation located adjacent to the beach at Umzumbe, South Coast. <b>Specialist Studies:</b> Geotechnical Assessment.
The Blores Family Trust	The proposed establishment of a 25 Unit Housing Development at Riversdale, Himeville, KZN	Scoping process (including Public Participation) and EMPr. <b>Specialist Studies:</b> Geotechnical Assessment; Wetland Delineation Assessment.
The Morphew Family Trust	The proposed establishment of a residential development at Karkloof, KZN Midlands	Basic Assessment process (including Public Participation) for the establishment of nine residential subdivisions. <b>Specialist Studies:</b> Wetland Delineation; Geotechnical Assessment.
Cramond Place Cc	The proposed establishment of a residential development in the centre of Cramond, KZN	Basic Assessment process (including Public Participation) for the establishment of 21 residential subdivisions. <b>Specialist Studies:</b> Wetland Delineation; Geotechnical Assessment; Heritage Impact Assessment.
Group 5 (Pty) Ltd	Environmental Compliance for Eagle Ridge Country Estate, Howick, KZN	Compilation and implementation of a Construction EMPr.
Toscana Ridge Estate	Environmental Compliance for Toscana Ridge Estate (400 units), Winterskloof, Hilton, KZN	Compilation of an EMPr for the operation of a Tuscan residential estate, including guidelines for management of wetlands, alien vegetation, landscaping and a Sewage Package Treatment Plant. Compilation of the Health and Safety folder for DTB Contracting, for the construction phase of the development
Peter March	Environmental Compliance for Redcliff and Trent Lodge Residential Development, Kamberg, KZN Midlands	Compilation of a Construction EMPr.
Michael Morris	The proposed development of a house on Rem of Erf 608 Assagay Kraal, No. 853, KZN	Compilation of EMPr. <b>Specialist Studies:</b> Biodiversity Assessment
Midmar Cove	The proposed establishment of 30 unit at Midmar Dam, KZN	Compilation of a Construction and Operational EMPr.
De la Hay Family	The proposed establishment of seven residential subdivisions near Lidgetton, KZN Midlands	Basic Assessment process (including Public Participation).
Amdec (Pty) Ltd	Amendment of architectural design and layout of a 35 ha residential estate on ERF 616, Winterskloof, KZN	Record of Decision Amendment Process.
Paddock Motors (Pty) Ltd	The proposed mixed-use development at Paddock, KZN	Full Scoping, EIA (including Public Participation) and EMPr for a 28 ha Mixed-use Development, located on Paddock Place Farm No. 18503, Paddock, KZN. <b>Specialist studies:</b> Geotechnical Assessment; Traffic Impact Assessment; Wetland Assessment; Heritage Impact Assessment; Agricultural Potential Assessment.
<b>Residential Low-end</b>		
Hestonbury Investments (Pty) Ltd	Relocation of structures used for staff housing and sheds at	Minimum Requirements for EIA Query. Compilation of EMPr.

	Stonehaven from Portion 15 (of 1) of the Farm Motel No 14855, to Portion 2 of the Farm Lillieshoek No 14534, Nottingham Road, uMngeni Municipality, KZN	
Greg Impson	The proposed construction of five staff houses on Portion 12 (of 8) of the Farm Weltevreden No. 946, Umngeni Municipality, KZN	Exemption Confirmation for Environmental Authorisation Process.
uMngeni Local Municipality	The proposed establishment of a 42 ha Low Income Housing Development at Lions River, KZN	Full Scoping, EIA (including Public Participation) and EMPr. The development comprises low income housing, sports facilities, commercial and office space. <b>Specialist studies:</b> Geotechnical Assessment; Heritage Impact Assessment; Agricultural Potential Assessment; Traffic Impact Assessment; Water Quality Risk Assessment; Borehole Drawdown Tests.
Sisonke District Municipality	The proposed establishment of a 37 ha Low Income Housing Development at Ixopo, KZN	EIA phase (including Public participation) and EMPr. <b>Specialist Studies:</b> Geotechnical Assessment; Heritage Impact Assessment; Agricultural Potential Assessment; wetland delineation and Functionality Assessment; Vegetation Assessment.
uMngeni Local Municipality	The proposed establishment of a 14 ha Low Income Housing Development at St Josephs, located near to Cedara, KZN	Basic Assessment process (including Public Participation) and EMPr. <b>Specialist studies:</b> Wetland Delineation and Functionality Assessment; Geotechnical Assessment; Social Impact Assessment; Heritage Impact Assessment; Need & Desirability Assessment; Agricultural Potential Assessment; Water Quality Risk Assessment; Borehole Drawdown Tests.
uMngeni Local Municipality	The proposed establishment of a 9 ha Low Income Housing Development at Lidgetton West, KZN	Basic Assessment process (including Public Participation). <b>Specialist studies:</b> Wetland Delineation and Functionality Assessment; Geotechnical Assessment; Amphibian Assessment; Traffic Impact Assessment; Water Quality Risk Assessment; Borehole Drawdown Tests.
Willowdale Family Trust	The proposed establishment of a 6 ha Staff Housing Development near Kargs Post, Kokstad, KZN	Basic Assessment process (including Public Participation). <b>Specialist studies:</b> Geotechnical Assessment.
Hans Merensky (Pty) Ltd	The proposed establishment of a 35 ha Staff Housing Development for Plantation Workers at Umtata, Eastern Cape	Full Scoping, EIA (including Public Participation) and EMPr. <b>Specialist studies:</b> Geotechnical Assessment; Agricultural Potential Assessment; Traffic Impact Assessment; Heritage Impact Assessment; 1:100 Year Floodline Assessment; Stormwater Management Plan; Sewage Reticulation.
Mpofana Local Municipality	The proposed establishment of a 12 ha Low Income Housing Development at Vrystaat, near Mooi River KZN	Basic Assessment process (including Public Participation). <b>Specialist studies:</b> Geotechnical Assessment; Wetland Comment.
Msunduzi Housing Department	The proposed establishment of a residential development along Connor Road, Pietermaritzburg, KZN	Environmental Feasibility Assessment. <b>Specialist Studies:</b> Wetland Delineation and Functionality Assessment.
Msunduzi Housing Department	The proposed establishment of a residential development along Parker Road, Pietermaritzburg, KZN	Environmental Feasibility Assessment. <b>Specialist Studies:</b> Wetland Delineation and Functionality Assessment.
Hiltonian Society	The proposed establishment of Hilton College Staff Housing (Phase 1, 2 & 3), Howick West, KZN	Exemption Application and Compilation and Implementation of a EMPr.
Mpofana Local Municipality	The proposed establishment of a Low Income Housing Development near Rosetta, KZN Midlands	Feasibility Assessment.
Umfolozu Municipality	The proposed establishment of 1000 Low Income Houses at Ocilwane, Northern KZN	Feasibility Assessment. <b>Specialist studies:</b> Biodiversity Assessment.
uMngeni Municipality	The establishment of a Low Income Housing Development at	Basic Assessment process (including Public Participation) and EMPr. <b>Specialist studies:</b> Geotechnical Assessment; Wetland Comment.

	Tumbleweeds, Howick west, KZN	
Msunduzi Housing Association	The proposed establishment of a 13.9 ha Social Housing Development, Pietermaritzburg, KZN	Basic Assessment process (including Public Participation) and EMPr. <b>Specialist studies:</b> Heritage Impact Assessment; Traffic Impact Assessment; Wetland Assessment; Geotechnical Assessment, Invertebrate Assessment; Socio-economic Assessment; Vegetation Assessment.
Fairfield Developments (Msunduzi Municipality)	The proposed residential development and in-situ upgrade located on Erven 5018 – 5303, 5318-5432, Edendale S Ext 8, Pietermaritzburg, Msunduzi Municipality, KZN	Basic Assessment process (including Public Participation) and EMPr. <b>Specialist Studies:</b> Heritage Impact Assessment; Traffic Impact Assessment; Stormwater Management Plan; Geotechnical Assessment.
<b>Eco-tourism and Conservation / Rehabilitation</b>		
<b>Client</b>	<b>Project Title</b>	<b>Description</b>
<b>Eco-tourism</b>		
Cleopatra Lodge	The proposed establishment of 20 Ecotourism Units at Cleopatra Hamlet. Kamberg, KwaZulu-Natal	Socio-Economic Impact Assessment
Mbonambi Local Municipality	The proposed establishment of a Tourist Lodge at Mapelane, near Kwambonami, Zululand, Northern KZN	Full Scoping, EIA (including Public participation) and EMPr for the establishment of a 12 room exclusive lodge on the coast. <b>Specialist Studies:</b> Geotechnical Assessment; visual Impact Assessment.
Fordoun Hotel & Spa	The proposed establishment of an Eco-Estate at Fordoun, Nottingham Road, KZN Midlands.	Scoping process (with Public Participation) for the establishment of 40 subdivisions, which include holiday homes, permanent residential, staff housing, muti plant nursery and farm. <b>Specialist Studies:</b> Wetland Delineation and Functionality Assessment; Geotechnical Assessment; Heritage Impact Assessment; Agricultural Potential Assessment; Biodiversity Assessment.
Stonehaven (Pty) Ltd	The proposed establishment of a Tourist Facility at the junction of the N3 Freeway and Nottingham Road, KZN	Basic Assessment process (including Public Participation). <b>Specialist Studies:</b> Traffic Impact Assessment; Geotechnical Assessment.
CC Africa (Pty) Ltd (And Beyond (Pty) Ltd)	Environmental Compliance for Phinda Game Reserve, near Hluhluwe, Northern KZN	Compilation of a Construction EMPr for the establishment of Exclusive Bush Villas.
Fanie Roberts	Environmental Compliance for Fanie Roberts Game Reserve, near Hluhluwe, Northern KZN	Compilation of a Construction EMPr for the establishment of Exclusive Bush Villas.
Kosi Bay Lodge	Environmental Compliance	Environmental Audit. Compilation and implementation of an Operational EMPr.
Piggly Wiggly (Pty) Ltd	The proposed establishment of the Highgate wine estate at Lions Rivers, KZN Midlands	Basic Assessment process (including Public Participation) and EMPr compilation and implementation. Includes a boutique Hotel, 27 residential subdivisions, wedding and conference venue, 35 ha of vines, 3500 m <sup>2</sup> commercial space. <b>Specialist studies:</b> Heritage Impact Assessment, Geotechnical Assessment; Hydrocensus; Borehole Testing; Wetland Assessment.
<b>Conservation / Rehabilitation</b>		
Mpofana Local Municipality	The proposed establishment of a Botanical Garden at Mooi River, KZN Midlands	Basic Assessment process and Public Participation. <b>Specialist studies:</b> Wetland Assessment; Ichthyologist Assessment; Landscape Horticultural Assessment.
SANBI	The proposed rehabilitation of 36 wetlands within the Western Cape (2007)	Basic Assessment process.
SANBI	The proposed rehabilitation of 22 wetlands within the Free State (2007)	Basic Assessment process.
SANBI	The proposed rehabilitation of 15 wetlands within the Western Cape (2008)	Basic Assessment process.
SANBI	The proposed rehabilitation of 18 wetlands within the Free State (2008)	Basic Assessment process.

SANBI	The proposed rehabilitation of 50 ha of wetland in the Olifants Catchment, near Witbank, Mpumalanga	Basic Assessment process (including Public Participation).
<b>Transport and Service Infrastructure</b>		
<b>Client</b>	<b>Project Title</b>	<b>Description</b>
<b>Sewage Reticulation</b>		
uMngeni Municipality	The proposed refurbishment of Mpophomeni Waste Water Treatment Works, Mpophomeni, near Howick, KZN	Full Scoping, EIA (including Public Participation) and EMPr for the refurbishment of a Waste Water Treatment Works with the capacity to process 3 million litres of wastewater per day, and has the capacity to process an additional 6 million litres of wastewater per day during peak periods. <b>Specialist Studies:</b> Technical Review; Water Quality Assessment.
Msunduzi Local Municipality	The proposed establishment of sewage pipelines within Wards 10 & 16, Edendale, Pietermaritzburg, KZN	Basic Assessment process (including Public Participation) and EMPr compilation and implementation. <b>Specialist Studies:</b> Vegetation Assessment; Wetland Delineation and Functionality Assessment.
uMngeni Municipality	The proposed installation of the Raw Sewage Pump Station as part of the construction of the Khayalisha Housing Development, KZN	Compilation and Implementation of EMPr.
<b>Masts (fire and communication)</b>		
Mondi (Pty) Ltd	The proposed establishment of Fire and Communication Towers, Kwambonami, Zululand, Northern KZN	Basic Assessment process (including Public Participation) for the establishment of two 35m towers and one 72m tower. Compilation and implementation of EMPr.
Richmond Fire Protection Association	The proposed establishment of a 72 m Fire Tower on Baynesfield Estate, near Richond, KZN	Basic Assessment process (including Public Participation). Compilation and implementation of EMPr.
Sappi Forests (Pty) Ltd	The proposed establishment of a 72 m Fire Tower on Salphine Farm, Kwambonambi, Northern KZN	Basic Assessment process (including Public Participation). Compilation and implementation of EMPr.
Telkom SA	The proposed establishment of a Communications Mast at La Lucia, Umhlanga Ridge, KZN	Basic Assessment process (including Public Participation).
Telkom SA	The proposed establishment of a Communication Mast in Woodlands, Pietermaritzburg, KZN	Review of health impacts associated with electromagnetic fields.
<b>Roads, Causeways and Bridges</b>		
Mondi (Pty) Ltd	The proposed establishment of Two Causeways and Associated Forestry Roads on Mtonjaneni plantation, near Melmoth, Zululand, Northern KZN	Basic Assessment process (including Public Participation). Compilation and implementation of EMPr. <b>Specialist Studies:</b> Heritage Impact Assessment.
Nankhoo & Associates / Department of Transport	The proposed establishment of a bridge over the Tugela, near Msinga, Zululand, Northern KZN	Basic Assessment process (including Public Participation) for the establishment of a 200m bridge. <b>Specialist Studies:</b> Geotechnical Assessment; Heritage Impact Assessment.
Nankhoo & Associates / Department of Transport	The proposed upgrading of District Road 1273, Msinga Top, located near to Tugela Ferry, KZN	Basic Assessment process (including Public Participation). Compilation and implementation of EMPr.
Nankhoo & Associates / Department of Transport	The proposed upgrading of Provincial Road 487, Ceza, located between Ulundi and Nongoma, KZN	Basic Assessment process (including Public Participation). Compilation and implementation of EMPr.
Nankhoo & Associates /	The proposed upgrading of District Roads 1722 and 1724,	Basic Assessment process (including Public Participation). Compilation and implementation of EMPr.

Department of Transport	Ceza, located between Ulundi and Nongoma, KZN	
Nquthu Local Municipality	The proposed upgrading of Two Roads and Associated Causeway at Nquthu, near Vryheid, KZN	Basic Assessment process (including Public Participation). Compilation and implementation of EMP.
Ninham Shand (Pty) Ltd (now Aurecon)	The proposed upgrading of Three Road Systems within the town of Umzimkhulu, Southern KZN	Basic Assessment process (including Public Participation). Compilation and implementation of EMP.
Department of Transport	The proposed upgrading of various Roads and Associated Causeways within the Nongoma and Mahlabatini Municipal areas, KZN (2007)	Four Basic Assessment processes (including Public Participation). Compilation and implementation of EMP.
Department of Transport	The proposed upgrading of various Roads and Associated Causeways within the Nongoma and Mahlabatini Municipal areas, KZN (2008)	Four Basic Assessment processes (including Public Participation). Compilation and implementation of EMP.
Department of Transport	The proposed upgrading of Roads and Associated Causeways within the Nongoma and Mahlabatini Municipal areas, KZN (2009)	Two Basic Assessment processes (including Public Participation). Compilation and implementation of EMP.
Ingerop (Pty) Ltd	The reestablishment of a causeway along the D1859, Nongoma, KZN	Compilation of a construction EMP.
Nongoma Local Municipality	The proposed upgrading of the a Rural Road off the D1860, located within Ward 3, Nongoma Local Municipality, northern KZN	Basic Assessment process (including Public Participation). Compilation and implementation of EMP.
Nongoma Local Municipality	The proposed upgrading of the Rural Road between the D1902 and D1854, located within Ward 11, and the Rural Road off the D1852, located within Ward 13, Nongoma Local Municipality, northern KZN	Basic Assessment process (including Public Participation). Compilation and implementation of EMP.
Nongoma Local Municipality	The proposed upgrading of the Mahlombe Road and Associated Causeways, located within Ward 14, Nongoma Local Municipality, KZN	Basic Assessment process (including Public Participation). Compilation and implementation of EMP.
SANRAL	The proposed expansion of the N3 Freeway between Lion Park and Cato Ridge, near Pietermaritzburg, KZN	Public Participation only for the Basic Assessment process.
Biotech Fuels (Pty) Ltd	The proposed upgrading of the Access Road to the Biotech Fuels Pellet Plant, Tweedie, KZN	Exemption Application.
SFC Engineers (Pty) Ltd	EMP monitoring for the construction of three sections of road between Kranskop and Eshowe, KZN	Implementation of EMP.
