Good day Ms Wessels

I hereby confirm receipt of your Interested and Affected Party Registration form and comments for the following project: Decommissioning of the University of Pretoria's Onderstepoort Incinerator. You have been added to the Interested and Affected Party Register and your comments have been included in the Comments and Responses Report for this project.

To respond to the question that you have raised: The Onderstepoort Incinerator will be decommissioned and will not be replaced by another incinerator. The hazardous waste at Onderstepoort will be removed by a waste contractor and taken to an adequately licensed, off-site waste management facility for incineration/disposal.

Regards

Lizette Kloppers
