

## APPENDIX 6 – PROPERTY DETAILS

### LIST OF SGIDS / COORDINATES OF THE BOUNDARY OF THE PROPERTY OR PROPERTIES / COORDINATES OF LISTED ACTIVITIES

The properties affected by the development falls under the jurisdiction of the Nelson Mandela Bay Metropolitan Municipality. The offshore cable will be landed at a Beach Manhole (BMH) in Port Elizabeth and a cable trench will be required for the front haul alignment from the BMH to the CLS site, which will be accommodated within the existing road reserves between the BMH and the CLS site. The existing Telkom Exchange building located on the corner of Skegness and Bognor Streets in Summerstrand will be used to house the 2AFRICA/GERA (East) CLS. Property information/ details are provided for the area between the BMH and CLS site.
