I declare that:

I am a contracted representative of AVBOB JOHANNESBURG and as such have made some attempts to contact the previous property owner of (SF1 – SF105) PORTION 14 OLIFANTSFONTEIN also known as STRAWBERRY FARMS, Mr. Cullinan, to find out whether he has any idea or contact information of the family members of the people who were buried on the property.

Our investigation had led us to establish that Mr. Cullinan have passed away some years ago and were unable to trace his family in this regard as Cullinan is the only information available without any initials.

We also questioned everyone passing by in the area but could not find any information relevant to tracing the families of the deceased.

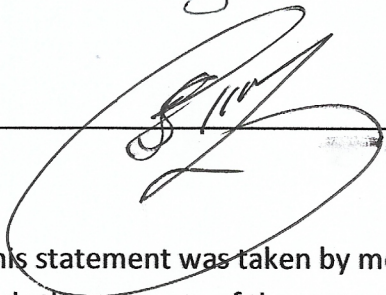

I know and understand the contents of this declaration.

I have no objection in taking the prescribed oath.

I consider the oath to be binding on my conscience.
