NOTICE OF PROPOSED LANDFILL GAS EXTRACTION AND EXEMPTION FROM ENVIRONMENTAL IMPACT ASSESSMENT REGULATIONS

The Ekurhuleni Metropolitan Municipality (EMM) has recently investigated the potential at the Rietfontein, Rookbos, Weltevreden and Simmer & Jack landfill sites for landfill gas extraction. There is the potential for extracted gas to be flared or used as an energy source with the most likely gas use being power generation. The combustion of the gas will also lead to reductions in greenhouse gas generation and hence has the potential for gaining certified emission reduction credits under the Clean Development Mechanism of the Kyoto Protocol. In view of the fact that this project constitutes a Clean Development Mechanism project, the Gauteng Department of Agriculture, Conservation and Environment has granted exemption to the EMM from complying with the following sections of the

1053

notices

Environmental Impact Assessment Regulations (R.1162 and R.1163, as amended) in terms of section 28A of the Environmental Conservation Act (Act 73 of 1989) for the proposed landfill gas extraction projects.

- * Regulation 5: The submission of a Plan of Study for EIA.
 - * Regulation 6: The submission of a Scoping Report.
 - * Regulation 7: The submission of a Plan of Study for EIA.
- The project is therefore proceeding directly to the EIA itself. As part of the EIA processes for the four sites public meetings will be held as follows:

Simmer & Jack:
Date: 8 February 2006
Time: 18h00
Venue: Simmer & Jack Landfill Boardroom, Off Johan Rissak Str, Germiston

Rookbos:
Date: 7 January 2006
Time: 18h00
Venue: Rookbos Landfill Boardroom, Off Barry Marais Rd, Boksburg

Weltevreden:
Date: 8 February 2006
Time: 18h00
Venue: Weltevreden Landfill Boardroom, Off Prince George Rd, Brakpan

Rietfontein:
Date: 8 February 2006
Time: 18h00
Venue: Rietfontein Landfill Boardroom, Off Tonk Meter Way, Springs

For further information about the processes and to register as an interested and affected party (I&AP), or to formally object to the exemptions, please contact the offices of Isando no later than thirty days after the publication of this advertisement, 23 January 2006. Objections to the exemptions should be copied to The Head of Department, Department of Agriculture, Conservation and Environment. A background information document on the proposed project will be prepared and will be circulated to all registered I&APs and made publicly available at the public meetings and via the Isando offices (see contact details below).

BUSHBUCKRIDGE MUNICIPALITY EQUITABLE SHARE PROGRAMME CONTRACT NO: EQ0013/W/2005

MADDE WATER RETICULATION
Tenders are hereby invited from contractors for the Madde Water reticulation. The project entails installation of a booster pump house and extension of water reticulations line of 75-90 mm diameter. Tenders shall be adjudicated in terms of BM procurement policy and the preferential procurement policy framework Act (Act 5/2000) and prospective tenderers must accept that the tender price will be adjudicated, according to the said legislation. Tender documents will be obtainable as from 24 January 2006, from the offices of Bushbuckridge Municipality in Mkhulu, against payment of a non-refundable amount of R250 per set. Only cash payments or bank guaranteed cheques will be acceptable. (Cheque to be made payable to Bushbuckridge Municipality). A compulsory site inspection will be held on 26 January 2006 at 11h00.

Tenderers are expected to meet a representative of the Engineer at Acornhoek Plaza filling station. Only tenders from tenderers who attended the above site inspection will be considered. All tenders and supporting documents must be sealed in a cover clearly marked "Tender EQ 0013/W/2005. Madde water reticulation and must be deposited in the tender box at Bushbuckridge Municipality Offices in Mkhulu, not later than 12h00 on 2 February 2006, when tenders will be opened in public. All tenders shall remain valid for a period of ninety days after the time and date set for the opening of tender. Late tenders, telegraphic, telex or e-mail transmission tenders will not be accepted. Bushbuckridge Municipality does not bind itself to accept the lowest or any tender as a whole or in part. The Expanded Public Works Programme (EPWP) principles and guidelines on labour intensive construction methods will be applicable to this tender. Proof of registration for the implementation of labour intensive construction projects for management and supervisors staff would be an added advantage. Tenderers' attention is specifically drawn to the provisions of the tender rules, which are included with the tender documents. An original valid tax clearance certificate is to be
