DEVELOPMENT DETAILS

Project Title:	Thokoza Road upgrade and installation of culvert, Mandeni
----------------	---

Project Description:
The project includes the realignment of the main arterial road (Thokoza Road) in order to improve the line of sight of the Central Business District (CBD) and an improvement to the section of P.415 between the Ithala Centre and Renken's Spar, which is aimed at creating a more aesthetically pleasing entrance to Mandeni and developing the road edges as part of a Public Open Space (POS) network. The road upgrade will require the installation of a box culvert. A Record Of Decision (ROD) was obtained for the realignment in 2004 and comments were received for the realignment by Amafa in January 2004. Therefore comments from Amafa are required for the proposed culvert only.

Extent of Development Footprint (in m ²):	4.5
