Hi John,

I refer to your email below:

Attached are the kmz'e for the two proposed Veld PV North and Veld PV South facilities.

Please take note that we are busy with a basic assessment process (due to the development area falling in the REDZ zone) and there are no EA's available yet.

We have received your email with the Eskom requirements.

Please let us know if you have any other questions.

Kind regards

I was not aware of this project and it does not appear in my database. Please send me the following:

- Copies of the EA's
- KMZ files of the affected properties and proposed grid connections
