

**LUND**  
UNIVERSITY

*Department of Geology  
Laboratory for Ceramic research  
Professor Anders Lindahl*

Pretoria 12 February 2018

To whom it may concern.

This is to state that I, Anders Lindahl, is transporting glass beads, based on the inventory attached, to Sweden on the 3 of April 2018 for analysis by LA-ICP-MS. The beads will be returned to the museum in December 2018.

A handwritten signature in blue ink, appearing to read 'Anders Lindahl'.

Anders Lindahl  
Professor  
Head of Laboratory  
Visiting professor, University of Pretoria
