

Dressing up for the occasion.

A festive weekend of reliving old Pilgrim's Rest

Join in the life and activities of the old town of Pilgrim's Rest with a fun-filled heritage weekend scheduled for the end of October.

This is to celebrate the quaint museum town's recent kykNET *Kwela* award as Mpumalanga Town of the Year. The festivities will be arranged by the townsfolk, the Mpumalanga Museum Services, Kruger Lowveld Tourism and Mpumalanga Heritage.

Starting with a five-stop pub crawl on the afternoon and evening of Friday October 21, the whole weekend until Sunday October 23 will be filled with a host of leisure activities, entertainment, museum visits, sightseeing and an old motor gathering on Sunday to end off the weekend.

Dress up for the traditional digger's ball and dinner at the Royal Hotel on Saturday night,

complete with cancan dancers and join a charity auction of the bar ladies, as this used to be the tradition in the days of the gold rush.

Special hotel rates and all other accommodation will be announced in the days to come. A programme of all activities will be published soon. Follow us on Facebook for all the latest news, accommodation options, special rates and activities planned, on the groups Laevelders, Iewers in die Laeveld, Mpumalanga Heritage, Kruger Lowveld Chamber of Business and I Love Pilgrim's Rest, or email a request for information to info@krugerlowveld.com.

Do not forget to pack your rods and your clubs for some excellent fly fishing in the Blyde, or a round of golf at one of the most spectacular nine-hole courses in the province.

First land service camp in 3 years

Numbi Primary's Land Service Club had their first junior camp in three years due to the recent pandemic.

The camp was held from August 12 to 13 at Ons Plek on the Sabie Road. It was for grade one to four learners only.

The group was divided into four teams and each team chose a name and had a colour.

They competed in activities against one another, like a war cry, dancing, volleyball, arts and crafts, wheelbarrow race, egg challenge, three-legged race, ring race and much more.

They also had two judges who deducted points for untidy rooms or latecomers. Land Service builds character and children are taught to respect one another, their community, and above all, God and nature. They also had lots of fun with dancing, singing and a marshmallow braai.

It was a memorable camp for all who attended.

NOTICE OF APPLICATION FOR AN ENVIRONMENTAL AUTHORISATION AND WATER USE LICENCE FOR THE PROPOSED GOD'S WINDOW SKYWALK PROJECT

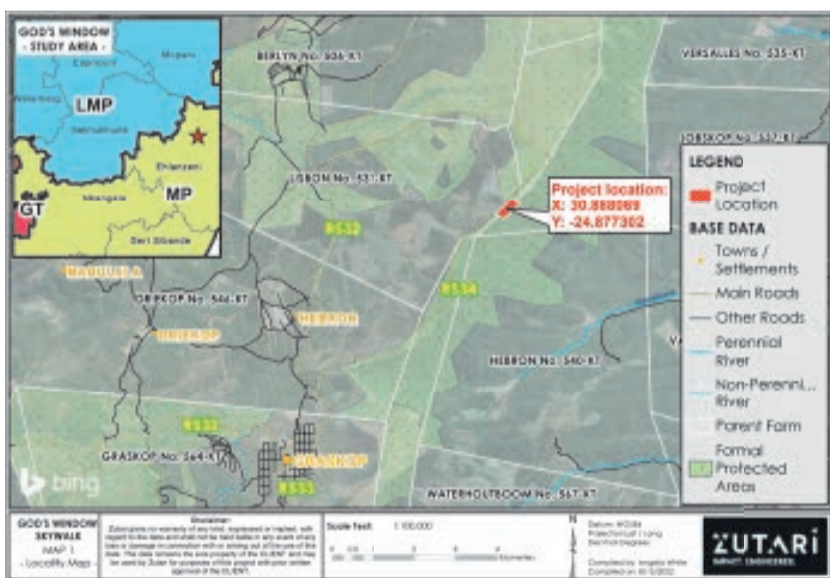

PROJECT DESCRIPTION

Mapulana Canyon (Pty) Ltd, the Applicant, in partnership with the Mpumalanga Tourism and Parks Agency (MTPA) via a Public Private Partnership Agreement intends to develop a new state of the art tourist facility at God's Window. God's Window is in the Blyde River Canyon Nature Reserve, which is managed by the MTPA since it is a Protected Area. The land of the entire Reserve has been claimed by four communities. The claimant communities are represented by four Communal Property Associations (CPAs) who, together, form the Blyde Valley 04 CPAs. The four claimant communities are represented by the Maorabjang, Molelete, Setlhare, and Mahubahuba a Bokone CPAs.
