Dear Inge

As you've mentioned, I am only the tenant and will not be able to give you the permission that you need and therefore do not want to be registered as an I&AP.

You can contact the owner directly.

Subject: Invitation to register as an Interested and Affected Party for the Proposed Brandvlei Borrow Pit

Good day

Thank you for your response to my text message. I received your number from Mr Laubscher and he informed me that you are the tenant on the neighbouring farm.

I am busy doing the initial public participation for the proposed for the Proposed Brandvlei Borrow Pit, on Portion 5 of Farm Hol Pads Leegte. Please see the attached documentation for more information on the proposed development.

I want to know if you would like to register as an I&AP and to be kept updated with the proposed development?

Would you please provide me with the farm name and contact details of the owner of the farm? It would be greatly appreciated as I need to prove that I have contacted him for the public participation process.

Kind Regards
Inge Erasmus
