NOTIFICATION: ENVIRONMENTAL AUTHORIZATION APPLICATION PROCESS

In accordance with the requirements of Chapter 6 of the Environmental Impact Assessment (EIA) Regulations (Government Notice R982 as amended, promulgated under the National Environmental Management Act 107 of 1998-NEMA) and in accordance with the requirements of Section 41 of the Water Use Licence Application and Appeals Regulations, 2017 (GNR 267 of 24 March 2017), notice is herewith given of an application/s which will be submitted to a public participation process.

Chemwres (Pty) Ltd also known as Mine Waste Solutions hereafter referred to as the applicant has appointed Environmental Impact Management Services (Pty) Ltd (EIMS) as the Environmental Assessment Practitioner (EAP) to assist with undertaking the required environmental authorisation processes (including the statutory public participation), and to compile and submit the required documentation in support of an application for:

- Environmental Authorisation (EA) in accordance with the NEMA-Listed activities:
 - Listing Notice 1: Activities 27 and 46.
 - Listing Notice 3: Activities 12 and 23.
- Water Use Licence (WUL) in accordance with the National Water Act – NWA (Act 36 of 1998) - Listed activities:
 - Listed Water uses: Section 21 (c) and Section 21 (i) (if applicable).

Additional listed activities and/or water uses may be identified during the process.

The applicant wishes to expand their reclamation activities to the Mispah 1 TSF through the construction of a reclamation pump station and installation of additional piping infrastructure to meet the planned Life of Mine (LOM) plan. The planned infrastructure will include a new process water and slurry pipeline and reclamation pump station. The infrastructure planned is a new 600mm slurry- and 500mm low-pressure process water pipelines of almost 5km from the East Pump Station to the Mispah 1 TSF Reclamation Pump Station. Both the slurry and process water pipeline to cross the Vaal River at Nolligwa Bridge.

The proposed project is located on Mispah 274 (RE), Zuipung 394 (1L, Chrystakop 69(RE), Hoekplaat 598 (RE), Modderfontein 440(4), Wijkenskroon RD 598 (RE), across the City of Matielosa Local Municipality and Mogkhalo Local Municipality, North West and Free State provinces, respectively.

EIMS will be following the procedures defined in the Environmental Impact Assessment (EIA) Regulations (GNR982 of 2014, as amended) for undertaking a Basic Assessment process. In accordance with Chapter 5 of the EIA Regulations, a public participation process will be undertaken. You are hereby invited to register and comment on the proposed project and application/s. In order to ensure that you are identified and registered as an i&AP and that your comments are captured, please submit your name, contact details, the reason for your interest or any comments, in writing or electronically, to EIMS by no later than 23 January 2023. Please note that only registered i&AP's will be informed of future project information and opportunities for participation.

By registering as an interested and affected party you consent to the collection and processing of your personal information as per the EIMS Privacy Notice available at www.eims.co.za/public-participation. In order to avoid missing out on opportunities for public participation please submit i&AP registrations, or any queries, comments, or concerns with regards to this application, as soon as possible.
