Die "gezoem" van trekkers en hommeltuie

DELMAS - Ten spyte van die koue winde op Weilaagte, die plaas van mnre Koos Uys en seuns, op Woensdag, 26 Julie, het talle boere van die distrik byeen gekom om die nuutste tegnologie wat op die mark is, te besigtig.

Die dag is deur die Delmas Junior Studiegroep, in samewerking met BHBW ('n Barloworld en BayWa AG vennootskap), aangebied. Mnr. Bennie Labuschagne het namens die Studiegroep, die verrigtinge geopen. Dit proefterrein het soos OR Tambo Lughawe op 'n besige dag gelyk toe 'n verskeidenheid gevorderde werktuie veral Massey Ferguson, Fendt en Challenger hul vermoëns aan boere gewys het.

Bennie het sy waardering uitgespreek vir organisasies soos BHBW, NTT Toyota, DJI en Pannar Saad wat die belange van jong boere en die landbougenmeenskap op hul harte dra.

Boere gesels oor die gebruik van hommeltuie op plaas.

Die Oosterhuyse, pa en seun, het die bielie van 'n BHBW Challenger 260Kw rusprettrekker geniet.

BHBW se saamroeper mnr Bennie Labuschagne het die verrigtinge geopen.

Die hommeltuig uitstalling was beslis 'n treffer by die leerlinge van Hoërskool Delmas se Landbouklas.

Môre sê broer! Van die manne het mekaar lanklaas ontmoet.

MEC ON HOUSING PLIGHT

VKLM Executive Mayor, Eva Makhabane and MEC Speedy Mashilo with the house recipient

MEC Mashilo addressing community members at the council chamber who were threatening to distract his programme

The Nkangala ANC Chairperson and Human Settlements MEC Speedy Mashilo said he will work at resolving the issues being faced by the seventy-six Delmas senior citizen who missed out on their opportunities to become house owners. The MEC was speaking at the Delmas Council Chambers last week Friday after a group of informally housed individuals made way into the chamber

and requested that the MEC speak to them.

Taking the first stand Doctor Mafikeng indicated that they had a challenge with housing and stands, he indicated that the case goes as far 1991 where some individuals were not allocated houses but held title deeds and documents for their housing. Fast track to 2005 Doctor Mafikeng stated that they have been working at following up on the housing issue and nothing tangible has been reached.

The MEC Speedy Mashilo then pledged his commitment to meeting the cry, and once off the council chamber and in the field with one old lady that was receiving the title deed, Speedy jokingly stated that "there are old people who do not have houses, I will take these houses from the younger generations and give to the older generation" he concluded.
