Good day Councillor Nzama,

I trust you are well.

EnviroPro have been appointed to apply for the Environmental Authorisation for the uMshwathi Water Supply Scheme: Phase 4 – Reticulation, with a small portion of the project falling within your Ward. Please find the attached maps and posters providing further detail to the project.

Please note that Phases 1 – 3 are nearly complete on site. The above mentioned project will be the next phase, where only small water pipelines will be installed within the community.

We have tried to make contact, however we could not reach you on either 033 413 9198 or 073 9555 846.

Due to the Covid 19 Pandemic, we are relying on the Ward Councillors to provide this information to the members in the community.

Please may you confirm whether you would like to receive the Draft Basic Assessment Report for this project during the 30 day comment period, and whether you would prefer a hard copy of the report or a Soft Copy (CD). We will also be sending out a Dropbox Link to the report, which you may access online.

If you have any further queries, please do not hesitate to contact me.

*Kind Regards*
