The uMgungundlovu District Municipality proposes to construct the uMshwathi Water Supply Scheme (WSS) - Phase 4 within Wards 3, 4 and 14 of the uMshwathi Local Municipality and Ward 1 of the Umvoti Local Municipality. Phase 4 entails the construction of the reticulation pipeline and associated infrastructure. Environmental Authorisation is required for the infilling of more than 10m3 of material within a watercourse. There will also be the construction of new infrastructure in excess of 100m2 within 32m of a watercourse, and the clearance of more than 300m2 of endangered vegetation. A Water Use Authorisation in terms of Section 21 (c) and (i) of the NWA is required for the alteration of the bed and/or banks of a watercourse and impeding flow within a watercourse. Interested and affected parties who wish to know more may contact the person below.
