NOTICE OF PUBLIC MEETING
MINE PERMIT APPLICATION – FARM WITBANK 737, OYSTER BAY COMMENCEMENT OF SCOPING AND ENVIRONMENTAL IMPACT ASSESSMENT REF: 10334MP

Mining Permit Application:
 A Mining Permit Application has been submitted to the Department of Mineral Resources (DMR) for a mining permit in terms of Section 27 of the Mineral and Petroleum Resources Development Act, 2002 (Act 28 of 2002), with regards to the farm Witbank 737, Oyster Bay, located approximately 17km Southwest of Humansdorp in the Eastern Cape. The mining area is confined to an area of less than 5Ha. This application was accepted by the DMR on the 6th May 2016, Reference number: 10334MP.

Mining Right Holder:
 Crushing Consulting (Pty) Ltd are the proponent making application for the mining permit and beneficiation of the hard rock in respect of the abovementioned properties.

Proposed Mining Activity:
 The proposed quarrying for Stone Aggregate will be mined by opencast mining methods using bench mining and truck and shovel excavation. Concurrent rehabilitation will take place of all surface areas that can be decommissioned through the mining process, while the final void will be terraced and rehabilitated. Beneficiation of the hard rock will be concentrated on site with the sized materials being sold to the local and national markets. The product will be transported via the existing farm road, towards the provincial road.

Environmental Impact Assessment (EIA) Process:
 Earth Science Solutions (Pty) Ltd (ESS) has been appointed as the independent environmental consultant to compile the necessary Environmental Impact Assessment (NEMA Listing 1 (R982) 21 and Listing 2 (R984) 21) in terms of Sections 27 of the Mineral and Petroleum Resources Development Act, 2002 (Act 28 of 2002) for the above mentioned project. Part of the process is to inform Interested and Affected Parties (I&APs) of the proposed mining activity and to record any issues of concern. In order to ensure that you are identified as an I&AP or to obtain further information, please submit your name, contact information and interest in the matter to the contact person below.

Public Participation Process:
 The purpose of public participation is to inform Interested and Affected Parties (I&APs) of the proposed project, as well as the environmental process. I&APs will also be provided the opportunity to comment on, and contribute to the identification of environmental impacts of the proposed project. Information pertaining to this meeting is as follows:

Date: Thursday 26th May 2016, Time: 10:00am
 Venue: Oyster Bay Community Hall

NOTICE OF PUBLIC MEETING
PROPOSED MINE PERMIT APPLICATION – FARM WELGELEGEN 735, OYSTER BAY COMMENCEMENT OF ENVIRONMENTAL ASSESSMENT REF: 10335MP

Mining Permit Application:
 A Mining Permit Application has been submitted to the Department of Mineral Resources (DMR) for a mining permit in terms of Section 27 of the Mineral and Petroleum Resources Development Act, 2002 (Act 28 of 2002), with regards to the farm Welgelegen 735, Oyster Bay, located approximately 17km Southwest of Humansdorp in the Eastern Cape. The mining area is confined to an area of less than 5Ha.

Mining Right Holder:
 Crushing Consulting (Pty) Ltd is the proponent making application for the mining permit in respect of the abovementioned properties.

Proposed Mining Activity:
 The Oyster Bay Sand will be mined by opencast mining methods using truck and shovel excavation. The sand can be economically mined by opencast means. Concurrent rehabilitation will take place of all surface areas that can be decommissioned through the mining process, while the final void will be terraced and rehabilitated. Infrastructure associated with the proposed mining operation will include portable offices. The product will be transported via the existing farm road, towards the provincial road.

Environmental Impact Assessment (EIA) Process:
 Earth Science Solutions (Pty) Ltd (ESS) has been appointed as the independent environmental consultant to compile the necessary Environmental Impact Assessment (NEMA Listing 1 (R982) 21 in terms of Sections 27 of the Mineral and Petroleum Resources Development Act, 2002 (Act 28 of 2002) for the above mentioned project. Part of the process is to inform Interested and Affected Parties (I&APs) of the proposed mining activity and to record any issues of concern. In order to ensure that you are identified as an I&AP or to obtain further information, please submit your name, contact information and interest in the matter to the contact person below.

Public Participation Process:
 The purpose of public participation is to inform Interested and Affected Parties (I&APs) of the proposed project, as well as the environmental process. NOTICE OF BASIC ASSESSMENT PROCESS PROPOSED EFFLUENT EVAPORATION PONDS, LOUWERWATER, EASTERN CAPE

Notice of an integrated Basic Assessment (BA) and Waste Management Licence application with associated Public Participation Process is given in terms of Section 41(2) of the EIA regulations published in Government Gazette No. R.982 under Section 24(5) of the National Environmental Management Act (Act no. 107 of 1998) that an application will be submitted to the Department of Economic Development, Environmental Affairs & Tourism for the proposed effluent ponds within Louwerwater, Eastern Cape.

Proposed Activities:
 The main listed activities associated with the proposed project are listed under GN R.983 Items 12, 19 and 25 (Listing Notice 1) under the NEMA EIA Regulations, 2014.

Description and location:
 The proposed development involves construction of effluent evaporation ponds for the Granor Passi plant at Louwerwater, where juice concentrate is extracted. The existing effluent evaporation ponds are operational, however routine maintenance cannot be carried out as no alternative system to dispose of effluent is in place. The construction of additional ponds is proposed to function in a duty/ standby configuration. The site for the proposed effluent evaporation ponds is located to the north-east of Louwerwater.

Proponent:
 Granor Passi (Pty) Ltd

Consultant:
 SRK Consulting, P.O. Box 21842, Port Elizabeth, 6000
 Fax: (041) 509 4850
 Email: wmarais@srk.co.za

If you would like to receive information or make comments on the proposed project please register as an Interested and Affected Party by sending a facsimile, written letter or e-mail to Wanda Marais of SRK Consulting.
