**APPLICATION FORM FOR A WASTE MANAGEMENT LICENSE IN TERMS OF SECTION 45 OF  
THE NATIONAL ENVIRONMENTAL MANAGEMENT: WASTE ACT, 2008 (ACT 59 OF 2008);**

**FOR THE LICENSING AND EXPANSION OF THE KWV UPINGTON EFFLUENT MANAGEMENT  
FACILITY, ERF 5410, UPINGTON, NORTHERN CAPE PROVINCE.**

Dear Madam or Sir(s).

Attached please find an application form in terms of NEM: WA for the licensing and expansion of the KWV Upington Effluent Management Facility on Erf 5410, Upington (Upington Industrial area), containing:

- An executive summary of the application
- The application form itself
- Signature pages for the EAP and Landowner
- Power of attorney (Mr. Ernest Oliver and/or Mr. Louis Manley Barnard)
- Location maps
  - An orientation map (locating Upington)
  - Two close-up maps showing the Facility in relation to Upington
  - A vegetation map indicating that the proposed locality falls within the vegetation type known as Kalahari Karroid Shrubland (Status = Least Threatened)

If you need any additional information please call EnviroAfrica on 021-851 1616.

Yours sincerely

Peet Botes
