Hi Laurence,

Thank you for the email and chatting to me on the phone last week. I have registered Rosssmin as an I & AP and will be making contact with Sarah Allan.

I have copied Ebrahim into this email so he can make contact with you. He has all the relevant details for the contact person in KZNTI.

Kind regards

IN ASSOCIATION WITH INKANYEZI YETHU

Dear Stephanie Denison

As discussed we have been informed of the Mining Permit Application process on Westslopes 5828 portion 9. We would like to register Rossmin as IAP to the process and to receive any information which has been used to inform the process to date.

We would also like to make contact with KZNTI and Ibrahim Moosa, and would appreciate contact details for these parties.

Sarah Allan is the appointed ECO for Rossmin and should be able to assist with certain information.

Kind Regards

Laurence Stevens
