PO BOX 1032
KING WILLIAMS TOWN
5600

28 April, 2005

Dear Sir / Madam

REGISTRATION AS A WATER USER

We have pleasure in enclosing registration certificate number **28067537** issued based on the information supplied to this office.

Should you have received a certificate for the same water use previously, please replace it with this updated version of the certificate.

Please acknowledge receipt, using the enclosed acknowledgment form. It is of utmost importance to return this form to comply with legal requirements.

Any disagreement with the information contained in the registration certificate should be recorded on the attached form and returned to this office within **30 days** of the date of this letter. Should the form not be returned within the required period it will be assumed that the certificate is one hundred percent correct.

Should your contact details or other information change, or should you wish to de-register in the event of the use no longer taking place, please notify this office, in writing, quoting your registration certificate number.

Your attention is drawn to the fact that this registration certificate is not an acknowledgement of an entitlement to the registered water use. In due course, you will be requested to apply for a water use licence.

Yours faithfully

**CHIEF DIRECTOR
WATER RESOURCE MANAGEMENT
EASTERN CAPE REGION**

DEPARTMENT: WATER AFFAIRS AND FORESTRY

DISCLAIMER :

This certificate is :-

1. not an acknowledgement of an entitlement to the registered water use;
 2. issued without alterations or erasures and is invalid if it contains alterations not in conformity with the Department's official copy; and
 3. in substitution of any National Register of Water Use Certificate the Department may have previously issued and the information is valid as at the date of issue.
- However, in the case of the water use having been identified as licensed water use, this certificate is not to be regarded as a replacement of the applicable licence certificate. The licence conditions that are applicable to the water use are not currently incorporated in this National Register of Water Use certificate.
