Purpose of this document

The purpose of this Background Information Document ("BID") is to provide you as a potential interested and/or affected party (I&AP) with an overview of the proposed project. The public participation forms an integral part of the Basic Assessment (BA) process and the distribution of this document is a crucial step in advising Interested and Affected Parties (I&APs) on how they can be involved in the process.

Project description and location

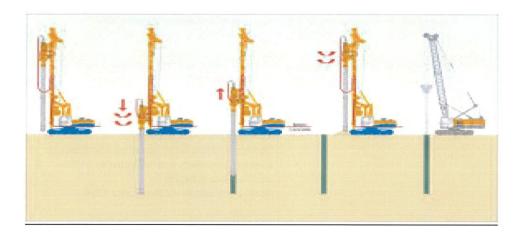

The prospecting activity with be undertaken in Dundee location in Kwazulu Natal province. The location is under Amajuba District Municipality. Below is the map of the area and GPS coordinates in accordance to regulation 2(2) of the MPRDA, 2002 (Act no 28 of 2002).

The farms to be prospected for Coal includes farm Portion 1, 2, 3, 4, 8, 9 & Remaining Extent of ALLETTA 4350 GT, Potion 7 of MORGENSTOND 3347 GT, Portion 1 & Remaining Extent of MOUNTAIN TOP 8954 GT, Remaining Extent of ST CUTHBERTS 12444 GT.

What is meant by prospecting

It is the first stage of the geological analysis in search for mineral deposits such as coal, especially by drilling. Drilling rig machines are used to create a small hole in the earths subsurface. The core samples are extracted for analysis. The picture below is an examples of a drilling process.

Your role as an I&AP in the BA process

As an I&AP you are encouraged to register and use this opportunity to raise issues and concerns relating to the prospecting right application. All the comments raised during the Public Participation phase will be submitted together with the application for decision making. I&APs are requested to register to ensure that they are sent all relevant correspondence and are notified of important dates for meetings and when project documentation will be available for comment and review. This step aims to create a broad awareness of the proposed project and to invite persons who may have an interest to register as an I&APs.

Public Participation Meeting

As part of the public participation process,	you are invited for a public	participation
meeting to be held at:	date:	time

Review of the Draft Basic Assessment Report

The Draft Basic Assessment Report (BAR) and Environmental Management Plan report (EMPr) will be available on the 21 January 2019, it will be sent to all registered I&AP and stakeholders.
