<p>As you appointed to do the work you must also give back to community, you cannot just come, make money in our land, and not do anything to community.</p> <p>Even if is a one person who can help you to show area when you put up site notices.</p>	<p>Archean resources is not promising anything to community, as we are consultant company.</p> <p>On the 15th of December 2021 when I placed the site notices, the person who was helping me is from this community.</p> <p>Even if the will be need of translator during the meeting we can get the translator from the community.</p>
<p>David There must be a SLP</p>	<p>The SLP is only applicable for a mining right and NWV have applied for prospecting. Should the prospecting yield positive results then during the mining right an SLP will be compiled.</p>
<p>We have a request to North West Vanadium, We will appreciate if they can hire one or two community member during the prospecting period.</p> <p>We will also appreciate if the applicant can also be a part of general meeting</p>	<p>Noted.</p> <p>We will request if there can be there, if not we can always arrange a meeting with the community leaders and the applicant at another date.</p>
