Ons Kontrei

Diewe rig groot skade met kabeldiefstal aan

Berig: Mariaan Smuts *Foto: Verskaf*

LAMBERTSBAAI: Nadat daar verskeie kere hoogspanningsdrade geplunder en kabels in Lambertsbaai gesteel is, is daar by Eskom navraag gedoen aangesien die diefstal van koperkabels baie plaaseienaars en besighede om Lambertsbaai groot skade berokken het. Dié diefstal het nie die dorp se kragtoevoer beïnvloed nie. Op 'n stadium is daar gevrees dat die dorp nie genoeg water vir die inwoners se gebruik sou hê nie, omdat daar nie elektrisiteit was om die reservoirs vol te pomp nie. Die diefstal was fyn beplan en dit wou voorkom asof dit deur bedrewe diewe gesteel is, wat presies geweet het waar om die kabels te knip.

Ons Kontrei het die volgende persverklaring van Candice Juries, belanghebbende bestuur en nywerheidondersteuning van die Wes-Kaap, ontvang.

Illegal connections, cable theft and vandalism remain a serious problem during power interruptions in the Cederberg and Matzikama areas.

Thursday, 8 September 2022: Eskom experienced a number of faults in the Cederberg and Matzikama areas due to inclement weather that occurred during the week of Monday, 29 August. It is important to note that these interruptions are exacerbated by syndicates that steal Eskom cables and vandalise infrastructure.

These criminal activities have resulted in prolonged power outages leaving paying customers frustrated. The financial impact due to Illegal connections, cable theft and vandalism are severe.

Due to the magnitude of the faults, Eskom had to deploy additional teams to the area to ensure that the restoration time is minimised. Each case is unique, and the following factors may impact restoration time such as procuring of materials, condition and state of the environment, just to name a few.

The ethical behaviour of Eskom employees is highly regarded, and should any criminal activity be detected, the matter will be investigated and dealt with the urgency it requires.

Should customers experience prolonged outages, please make use of the following platforms to report it:

- Share Call number at 086 0037 566,
- Alfred the chatbot https://alfred.eskom.co.za/chatroom/
- Email customerservices@eskom.co.za

These platforms are available 24 hours a day, seven days a week.

Eskom apologise to the customers affected.

Heraansoek om lisensies van vuurwapen

Berig: Adjudantoffisier Jannie Louw

VREDENDAL: Die aangewese beamptes vir die hernuwing van vuurwapenlisensies te Vredendal SAPD dui aan dat die publiek tans baie traag reageer met die proses.

Die onlangse hofuitspraak het bepaal dat vuurwapeneienaars met lisensies wat al verval het wel geregtig is daartoe om te mag kom aansoek doen vir die hernuwing daarvan. Volgens die uitspraak bly sodanige eienaars in besit van hul wapens by hul aangewese woning tot sodanige proses wel afgehandel is.

Die beamptes ervaar egter tans 'n baie stadige reaksie op die hernuwing van die tipes lisensies en versoek graag die publiek om asseblief afsprake te maak met adjudantoffisier Belinda van den Berg of konstabel Le Fleur om die proses aan die gang te sit.

Beide die beamptes is beskikbaar te Vredendal SAPD tydens kantoorure vanaf Maandag tot Vrydag, elke week.

Misdaad Imbizo in Vredendal

Berig: Adjudantoffisier Jannie Louw

Rolspelers by die Misdaad Imbizo.

VREDENDAL: Die SAPD het Maandag, 12 September 'n geslaagde Misdaad Imbizo aangebied onder leiding van die sektorbevelvoerders in Vredendal.

Die doel van die geleentheid was om die verskeie lede van die buurtwagte, plaaswagte en Gemeenskap in Blou te betrek by 'n bespreking oor die huidige stand van misdaad in die Vredendal Stasiewyk.

Die geleentheid is goed bygewoon deur verskeie verteenwoordigers van die onderskeie organisasies en lede van die publiek. Adjudantoffisier Booise het opgetree as die fasiliteerder. 'n Voorlegging is gedoen ten opsigte van die statistieke en ontleding van die misdaad in Vredendal. Die voorlegging is gevolg deur 'n aanbieding deur die speurhoof van Vredendal, luitenant-kolonel Van Schalkwyk en adjudant-offisier Bester ten opsigte van landelike beveiliging.

Die publiek het vervolgens geleentheid gekry vir 'n vraag- en antwoordsessie waartydens belangrike knelpunte en gesamentlike belange bespreek is. Adjudantoffisier Smith en kontabel Armans het hul onderskeie sektore verteenwoordig.

Konsensus is bereik dat die vennootskappe tussen die SAPD en die verskeie organisasies van kardinale belang is om misdaad in die gebied aan te spreek en te bekamp.

Graag word die publiek aangemoedig om die belangrikheid van sulke geleenthede te besef en om 'n groter rol te speel daarin. Die polisie wil dan ook ieder en elk bedank vir die opoffering van hulle tyd en die bywoning van die geleentheid. Die datum vir die volgende interaksie sal op 'n latere stadium bekend gemaak word.

Die geleentheid is afgesluit deur luitenant-kolonel Keti wat tans waarneem as stasiebevelvoerder. Hy het belangrikheid van die publieke deelname aangespreek.
