NEMA PUBLIC PARTICIPATION PROCESS - AVAILABILITY OF THE FINAL SCOPING REPORT

THE PROPOSED NEW POSTMASBURG WASTE WATER TREATMENT WORKS AND SEWER MAIN,
POSTMASBURG, NORTHERN CAPE

DEPARTMENT OF ENVIRONMENT AND NATURE CONSERVATION (DENC) REF NO: NC/EIA/20/ZFM/TSA/POS1/2014

Please note the Draft Scoping Report (DSR) for the above mentioned proposal (available for viewing and comment from 24 October 2014 to 10 December 2014) has been updated to the Final Scoping Report (FSR) and will be submitted to the Department of Environment and Nature Conservation (D:ENC) for approval prior to undertaking the EIA Phase. Various comments were received during the commenting period. These comments were included and responded to, by various members of the project team, in the FSR as the Comments and Response (C&R) Report (see attached to this letter). Please note: all responses made are considered draft/preliminary responses as the majority of the comments made will be dealt with in the EIA phase as further detailed specialist assessments are to be undertaken.

As a result of the comments received various minor changes were made to the DSR, including updating of the public participation process information.

Please find included with this letter the comments and response report for the Draft Scoping Report as well as the Final Scoping Report and Plan of Study.

Your department has 21 days to comment on the Final SR (as per DEA requirement). Should comments not be received within the prescribed timeframes, it would be assumed that no comments are forthcoming and D:ENC will continue to process the application in the absence of your department's comments. The commenting period is from **09 February 2015 to 03 March 2015**.

Comments are to be submitted to the:
