If music be the food of pain, play on

LEAVE YOUR TROUBLES BEHIND: Simon and Garfunkel is a popular choice for patients

A PHARMACY in the UK is advising customers seeking pain relief to listen to music after a study found it can ease their symptoms.

Four in 10 people living with persistent pain told researchers that their favourite songs helped them feel better.

Pop music was found to be the most effective for 21% of patients, followed by classical (17%) and rock or indie (16%).

The most effective songs were *Bridge Over Troubled Water* by Simon and Garfunkel, *Angels* by Robbie Williams and *Albatross* by Fleetwood Mac.

Now Lloydspharmacy — which commissioned the study of 1 500 people — is piloting the recommendations at selected stores across the UK.

About 10 million people in the UK suffer from pain most days, including back and neck pain, arthritis, joint pain and headaches or migraines.

Music has the biggest impact on younger people, and 66% of those aged 16 to 24 claim it helps with their pain management.

"There are lots of ways of managing pain not only with medicines, but also with lifestyle changes such as moderate exercise and relaxation," said pharmacist Andrew Mawhinney from Lloydspharmacy.

"After speaking to many people who are living with pain, we were interested to learn just how many found music beneficial, which is why we are trialling the use of music in some of our pharmacies."

David Bradshaw, a research assistant professor at the University of Utah Pain Management Centre, said: "Listening to music is excellent because it can involve both thoughts and feelings." — © *The Daily Telegraph, London*

PUBLIC PARTICIPATION PROCESS

PROPOSED EXPLORATION DRILLING IN THE ORANGE BASIN DEEP WATER LICENCE AREA OFF THE WEST COAST OF SOUTH AFRICA

DEA Ref No.: 14/12/16/3/3/1/1063

Notice is hereby given of a joint public participation process in terms of:

- the Environmental Impact Assessment (EIA) Regulations 2010 promulgated in terms of Sections 24(5), 24M and 44 of the National Environmental Management Act, 1998 (No. 107 of 1998) (NEMA); and
- the Mineral and Petroleum Resources Development Act, 2002 (No. 28 of 2002) (MPRDA) and regulations thereto.

Proponent: Shell South Africa Upstream BV ("Shell")

Activity: Shell holds an exploration right for the Orange Basin Deep Water licence area located more than 150 km off the West Coast of South Africa in water depths ranging between 500 m and 3 500 m. Based on the results of its 2012-13 seismic survey, Shell anticipates that they will drill one or possibly two exploration wells in the northern part of the licence area. The drilling of the first exploration well is expected to take place in a future summer window period between November and April, and could take in the order of three to four months to complete. Depending on the success of the first well, a second well may be drilled to establish the quantity and potential flow rate of the resource.

Environmental Assessment Practitioner: CCA Environmental (Pty) Ltd (CCA) in association with NMA Effective Social Strategists (Pty) Ltd (NMA).

The proposed **exploration drilling** requires that a **Basic Assessment** be undertaken, as it triggers Activity 18(ii) in Listing Notice 1, "*removal or moving of soil, sand, shells, shell grit, pebbles or rock of more than 5 m^3 from the sea*". In addition, Shell's approved Environmental Management Programme (EMPr) must be amended in terms of Section 102 of the MPRDA. These two processes will be undertaken in parallel.

Notice is hereby given that a Background Information Document (BID) will be available for review and comment from **Thursday 31 October 2013 to Monday 2 December 2013.** Copies of the BID are available on request or can be downloaded from the CCA website **www.ccaenvironmental.co.za**. Comments can be submitted to NMA by post, fax or e-mail using the contact details provided below.

Notice is also hereby given that public open days (PODs) and Information-Sharing meetings will be held in Cape Town and Saldanha.

Die Rapport Onderwysfonds (ROF) het die laaste paar maande vir onderwysstudente die geleentheid gegee om aansoek te doen vir leningsbeurse en ons het weer 'n groot aantal aansoeke ontvang. Ons het saam met die aansoeke baie persoonlike briewe van ouers gekry en weer besef hoe groot die nood vir finansiële steun is.

Graag wil die ROF aan elke gegradueerde en niegegradueerde in die land - oud én jonk - 'n vriendelike dog dringende versoek rig: U besef hoe moeilik dit is om die spiraal van armoede te verbreek. Deur 'n jongmens te help om verder te studeer kan hy uitstyg bo finansiële beperkinge en vorentoe bydra tot die ekonomiese welvaart en ontwikkeling van die land. Plato het gesê: "Die rigting waarin opvoeding 'n man laat wegtrek, sal sy toekomstige lewe bepaal."

ROF-studente wíl studeer; hulle wíl 'n positiewe verskil aan die onderwys maak. Doen asseblief dié week 'n skenking en help 'n Afrikaanssprekende student om sy onderwyskwalifikasie te verwerf. Elke skenking - hoe groot of hoe klein - help dat ons nog 'n student kan ondersteun.

Ons bankbesonderhede is as volg: Die Rapport Onderwysfonds, Absa-tjekrekening, takkode: 632 005, rekeningnommer: 405 864 6741.

Hiermee word kennis gegee van 'n gesamentlike openbare deelnameproses kragtens:
- die Omgewingsimpakstudie (OIS) Regulasies 2010 gepromulgeer ooreenkomstig Artikel 24(5), 24M en 44 van die Wet op Nasionale Omgewingsbestuur, 1998 (No. 107 van 1998) ('NEMA'); en
- die Wet op Minerale en Petroleum-hulpbronontwikkeling, 2002 (No. 28 van 2002) ('MPRDA') en die gepaardgaande regulasies.

Applikant: Shell South Africa Upstream BV ("Shell")

Aktiwiteit: Shell besit die eksplorasiereg vir die Oranjekom-Diepwater-lisensiegebied, meer as 150 km vanaf die Weskus van Suid-Afrika, geleë in water wat tussen 500 m en 3 500 m diep is. Gebaseer op die resultate van die 2012-13 seismiese opname, wil Shell een of moontlik twee eksplorasieboorgate in die noordelike deel van die lisensiegebied boor. Die boorwerk van die eerste eksplorasieboorgat sal na verwagting in 'n toekomstige somertydperk (tussen November en April) plaasvind, en kan ongeveer drie tot vier maande duur om te voltooi. Afhangend van die sukses van die eerste boorgat, sal 'n tweede eksplorasiegat moontlik geboor word om die gehalte en potensiële vloeikoers van die hulpbron te bepaal.

Omgewingassesseringspraktisyn: CCA Environmental (Edms) Bpk (CCA) in samewerking met NMA Effective Social Strategists (Edms) Bpk (NMA).

Die voorgestelde **eksplorasieboorbedrywighede** vereis dat 'n **Basiese Assessering** onderneem moet word volgens Aktiwiteit 18(ii) in Lyskennisgewing 1 wat gaan oor die verwydering of verskuiwing van meer as 5 kubieke meter grond, sand, skulpe, skulpklipgruis, spoelklippies of gesteentes uit die see. Hierbenewens moet Shell se goedgekeurde Omgewingbestuursprogram (OBP) ook aangepas word kragtens Artikel 102 van die MPRDA. Hierdie twee prosesse sal tegelykertyd onderneem word.

Kennis word hiermee gegee dat 'n geleentheid vir hersiening en kommentaar oor die Agtergrondinligtingdokument (AID) vanaf **Donderdag 31 Oktober 2013 tot Maandag 2 Desember 2013** verskaf sal word. Eyes pop as monster Cape Epic stages unveiled

Jonathan Ancer

DAVE CUFF'S eyes grew wider and wider as each stage of the 2014 Absa Cape Epic was revealed yesterday.

At the end of the announcement, during which he discovered he'd be sitting on a saddle for 718km, Cuff's eyes were almost as big as his bike's 29-inch wheels.

"The colour has drained from my face," said the 37-year-old first time Epic rider, who will be representing Team Woolworths in the eleventh edition of the race that starts on March 23.

Cuff and the other 1 199 riders will spend "eight days of pure hell", climbing 14 850m, screaming down treacherous descents and tackling technical single track as they weave their way through the Western Cape: from Meerendal Wine Estate to Robertson to Greyton to Elgin to the finish in Lourensford. It took Dr Evil and his crew of route designers 18 months to carve the route that will break many riders.

When colour eventually returned to Cuff's cheeks he said he wasn't 100 percent sure why he had entered the world's toughest mountain bike race in the first place.

"It's probably a mid-life crisis thing," he said.

"You know – to test yourself to see if you can actually do it. I now know how tough it is."

It's good that Cuff is going into his first Epic with his eyes wide open. Hein Wagner's advice to Cuff – and other Epic riders – is don't do it with your eyes closed. Wagner, who is blind, completed the last year's Epic on a tandem with Gerrie Olivier.

"I had to dig in places I didn't even know I had places. Every second of the 51 hours I spent on the saddle was a second away from another fall. I was purple with bruises," he said.

Philip Buys, who will be riding with Matthys Beukes, said competing for the Burry Stander Memorial Trophy, was great motivation.

The trophy was created in honour of Stander – who was hit by a taxi and killed in January – and is awarded to the overall winner of the Absa African Jersey.

"It's a wonderful way to celebrate Burry's legacy and honour his accomplishments," said Buys.

Kevin Vermaak, the race's founder and director, said finishing the race would always be an enormous physical and mental challenge, and riders will need as much dedicated training and preparation to earn the title "Absa Cape Epic Finisher".

"We don't make it as tough as we can just for the sake of it. We want the finisher's medal to mean something. We didn't plan the sand," he said.

"The sand" was a reference to the brutal sandy first day of this year's race that still has riders waking up in a cold sweat and asking for someone to hold them tight.

"There are about five months to go before the start so don't eat too many Christmas cakes," Vermaak warned.

City worker guilty of fraud

A former administrative officer for the City of Cape Town yesterday received a suspended sentence for fraud.

The Bellville Specialised Commercial Crime Court sentenced mother of two Ethel Maloyley, 43, to five years' imprisonment, suspended for five years, on eight fraud charges involving R39 500.

The charges related to Maloyley fraudulently selling vacant plots to people desperately in need of homes between February 2010 and March 2011.

Drug smugglers jailed

Two traffickers who tried to smuggle drugs into the city via Cape Town International Airport have been jailed.

Helen Susanna Roets, 35, of Durban, and Nicolas Ogbodie Omozogie, 47, of Nigeria, were sentenced last Thursday in the Khayelitsha Magistrate's Court.

Yesterday, police spokesman Frederick van Wyk said Roets was arrested on May 8 after arriving on a flight from Brazil with a kilogram of cocaine concealed in her running shoes.

He said she was sentenced to 15 years in jail.

Van Wyk said Omozogie, who was arrested on June 8 after 3.9kg of tik were found in his suitcase,was sentenced to 10 years.

Start debate on future of cities, MPs urged

ANDRIES NEL

MPs shouldinvolve their constituents in a national dialogue on the future shape of urban South Africa.

This was said by Deputy Co-operative Governance Minister Andries Nel in the National Assembly yesterday.

Nel called on all MPs "to get involved – and to involve their constituencies – in a national dialogue on the future of our cities and towns".

Referring to the Integrated Urban Development Framework discussion document, he noted that six in 10 South Africans lived in urban areas. This figure would rise to seven in 10 by 2030.

Woman sought for pension theft

A King William's Town woman was being sought yesterday for allegedly stealing her father's pension money, said Eastern Cape police. Information about a pension deposit into his account was apparently sent to the woman's cellphone, said Lieutenant Siphokazi Mawisa.

When she received the message, she allegedly transferred the money to her account without her father's consent. The money was withdrawn at different ATMs, Mawisa said.

Mawisa said a case of fraud had been opened.

Concern over 'ambulance abuse'

The Eastern Cape Health Department expressed concern yesterday at the "abuse of the ambulance fleet" after two ambulances were seen at a popular braai spot over the weekend.

"We are extremely concerned about the behaviour of some of our officials," spokesman Sizwe Kupelo said.

The level of abuse of the ambulance fleet was of concern.

Kupelo said a Daily Dispatch photographer spotted two ambulances at Ebuhlanti on the East London beachfront on Sunday morning, a spot where people braai and drink over weekends.

Kupelo said the department was investigating the matter.

ALCOHOL ADVERTISING BAN DEBATED

Sports sponsorships threatened

Melanie Gosling

IF THE government bans alcohol advertisements and sports sponsorship by liquor companies, it must create legislation to ensure revenue from "sin taxes" on alcohol and tobacco is channelled into the sports department to make up for the millions lost to the sporting sector.

This was said yesterday by Alec Moemi, director-general of the Department of Sports and Recreation, at a parliamentary briefing on the Control of Marketing and Alcohol Bill. If passed, there would be a total ban on alcohol advertisements and sponsorship of sports by liquor companies.

Moemi told MPs in the portfolio meeting on sports and recreation that his department had supported the ban on tobacco advertising as it had been assured that the revenue from "sin taxes" would accrue to the department to make up for the millions lost from tobacco advertising. That had never happened.

> Even the World Health Organisation talks of a global strategy to reduce the harmful effects of alcohol. It does not talk of a ban on alcohol advertising.

Now the department wanted guarantees that the same would not happen with the loss of the liquor sponsorship, but that the money from the tax on alcohol would indeed accrue to the department.

"We need a written guarantee the money will come. This time we won't accept word of mouth, we want either legislation or it written down by Treasury...It will be a sad day if we lose alcohol sponsorship because what Treasury gives us is grossly insufficient," Moemi said.

Apart from the liquor industry, all sports sponsorship was shrinking. There were no companies waiting in the wings to take over sports sponsorship.

Vincent Maphai, SAB executive director of corporate affairs and transformation, who made a submission on behalf of the Industry Association for Responsible Alcohol Use, said the industry recognised that alcohol abuse was a serious issue in South Africa. However, it was a problem that needed a targeted response if it were to be addressed properly. Around 65 percent of South Africans did not drink alcohol. Of those that did, only 8 percent abused it.

"Any strategy which is to work must focus on that minority.... Let us address the abusers and not punish those who drink responsibly," Maphai said. It was "a funny thing", he said, that there was no advertising for drugs like tik, yet abuse of hard drugs was pervasive.

Michael Mabasa of Brandhouse told MPs that the liquor industry had increased sports sponsorship from R63m in 1985 to R4.3bn in 2011.Teams and programmes which would be directly affected by the loss of sponsorship included Bafana Bafana, the SA Football Association, the Regional Soccer Development League, the Springboks, the Rugby Championship, Currie Cup and Super 15, the Test and the One-Day International cricket team.

The liquor industry gave R40m a year to sports development programmes, and sponsored many smaller events like the Dusi and Fish River Canoe Marathons and the Met.

Mabasa said a review of literature on whether liquor advertising influenced alcohol consumption indicated there was no direct causal relationship between alcohol marketing and consumption, or harmful drinking patterns. Almost all evidence suggested a ban on advertising had not led to a reduction in alcohol consumption.

"So we should not be demonising alcohol... Even the World Health Organisation (WHO) talks of a global strategy to reduce the harmful effects of alcohol. It does not talk of a ban on alcohol advertising," Mabasa said.

WHO recommended strategies to restrict alcohol advertising, such as the frequency or times that this appears on television.

"For instance between 8pm and 8.30pm, when our children are watching *Generations*, let's move that (liquor advertisements) to somewhere else."

It was also inappropriate to place liquor advertisements near schools.

Brown new Independent group editor

KARIMA BROWN has been appointed group executive editor of Independent Newspapers.

Announcing her appointment, group chief executive officer Tony Howard said Brown was the first appointment following a comprehensive review of the company's strategy and operations.

The review is due to be completed in the next few weeks and will be followed by a reorganisation of the group to optimise its growth potential in the new operating environment.

"Before acquiring Independent Newspapers, the current shareholders undertook to introduce an editorial charter to protect editorial integrity and to ensure the continuation of the group's record of journalistic professionalism and high standards," said Howard.

"A process of drafting a charter is under way. We also intend to announce the mandate and composition of an editorial advisory board in due course.

"Ms Brown will be part of the executive team responsible for a number of high-impact editorial and content projects to be initiated in the next few months."

Brown, 46, was an anti-apartheid activist during the 1980s and worked in local government and urban policy research before joining the SABC in 1995 to work on Radio Sonder Grense and SAfm's AM Live.

She joined Independent Newspapers in 2004 as political correspondent, leaving in 2005 to become political editor of Business Day, where she stayed until 2010.

Brown was deputy editor and political editor of The New Age, before starting Southern Africa Report. She joined CNBC Africa last year as the anchor for the broadcaster's nightly political economy programme *Political Exchange* and then in May this year was appointed editor-in-chief of Forbes Woman Africa.

She will start at Independent on December 1. – Staff Writer

PUBLIC PARTICIPATION PROCESS

PROPOSED EXPLORATION DRILLING IN THE ORANGE BASIN DEEP WATER LICENCE AREA OFF THE WEST COAST OF SOUTH AFRICA
DEA Ref No.: 14/12/16/3/3/1/1063

Notice is hereby given of a joint public participation process in terms of:
- the Environmental Impact Assessment (EIA) Regulations 2010 promulgated in terms of Sections 24(5), 24M and 44 of the National Environmental Management Act, 1998 (No. 107 of 1998) (NEMA); and
- the Mineral and Petroleum Resources Development Act, 2002 (No. 28 of 2002) (MPRDA) and regulations thereto.

Proponent: Shell South Africa Upstream BV ("Shell")

Activity: Shell holds an exploration right for the Orange Basin Deep Water licence area located more than 150 km off the West Coast of South Africa in water depths ranging between 500 m and 3 500 m. Based on the results of its 2012-13 seismic survey, Shell anticipates that they will drill one or possibly two exploration wells in the northern part of the licence area. The drilling of the first exploration well is expected to take place in a future summer window period between November and April, and could take in the order of three to four months to complete. Depending on the success of the first well, a second well may be drilled to establish the quantity and potential flow rate of the resource.

Environmental Assessment Practitioner: CCA Environmental (Pty) Ltd (CCA) in association with NMA Effective Social Strategists (Pty) Ltd (NMA).

The proposed **exploration drilling** requires that a **Basic Assessment** be undertaken, as it triggers Activity 18(ii) in Listing Notice 1, "*removal or moving of soil, sand, shells, shell grit, pebbles or rock of more than 5 m^3 from the sea*". In addition, Shell's approved Environmental Management Programme (EMPr) must be amended in terms of Section 102 of the MPRDA. These two processes will be undertaken in parallel.

Notice is hereby given that a Background Information Document (BID) will be available for review and comment from **Thursday 31 October 2013 to Monday 2 December 2013.** Copies of the BID are available on request or can be downloaded from the CCA website www.ccaenvironmental.co.za. Comments can be submitted to NMA by post, fax or e-mail using the contact details provided below.

MEJ. BLOEMFONTEIN-KOMPETISIE

Eers koningin, maar toe prinses

Vrou haar titel kwyt oor 'fout'

BLOEMFONTEIN. – "Ek dink ek is die enigste finalis ooit in so 'n kompetisie wat as koningin én prinses gekroon is."

Só sê Melissa Wessels, wat die naweek as Mej. Bloemfontein gekroon is, maar minute later ná groot chaos die kroon aan Simoné Niebuhr moes afstaan.

Sy het gesê sy probeer maar die teleurstelling met "humor" hanteer.

Sy het gesê toe sy as wenner aangewys is, het die planne reeds deur haar kop gegaan "om Bloemfontein 'n beter plek te maak".

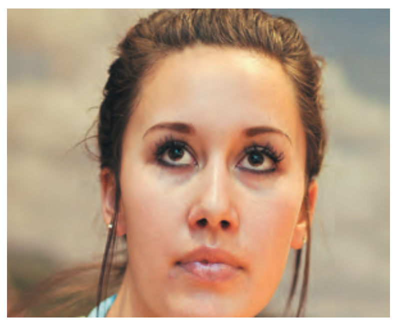
Wessels het gesê sy en Niebuhr is goeie vriendinne en sy is bly sy (Niebuhr) het uiteindelik gewen.

" 'n Mens is maar teleurgesteld. Op die foto's kan 'n mens sien my *smile*, nadat ek die kroon moes afstaan, is nie so breed soos toe ek die prys vir die mooiste vel of Mej. Welwillendheid gewen het nie."

Al het sy 'n traan weggepink toe sy van die verhoog gestap het, is sy nie kwaad vir die organiseerders of ouditeure nie. "Foute sluip maar in."

Oor die partyjie wat vir hulle by by McDonald's gehou is, het Wessels gesê dit het "die kind" in die finaliste uitgebring."Ons het elkeen 'n Happy Meal (vir kinders) gekry én 'n speelding."

Sandra Fourie, organiseerder van die kompetisie, het gesê al die deelnemers het uitstekende liefdadigheidsprojekte aangepak.



Melissa Wessels moes haar kroon afstaan.
Foto: CONRAD BORNMAN

"Dit gaan nie oor wen nie. Die Donderdagaand voor die kroning het ons vir mekaar gesê die Here weet reeds wie die kroon gaan dra. Ons is hier om 'n verskil in Bloemfontein te maak."

Fourie het gesê sy is "effens vies" vir Nella van Heerden, eienaar van die kompetisie.

"Ek wens ek kan die naam van die kompetisie koop en dit reël soos ek wil. Dit is 'n hartskompetisie en nie 'n skoonheidskompetisie nie. Dit gaan oor gemeenskapswerk."

Die kompetisie het die afgelope Vrydagaand in chaos ontaard toe die verkeerde wenner en prinsesse gekroon is.

Die Burger is in besit van 'n dokument waarin die kompetisiereëls, agtergrond en die beloofde pryse vir die wenners aangedui word. "Die idee van Mej. Bloemfontein is om ons jong dames 'n plafon (sic) te bied vir die groot diens wat hulle in die gemeenskap verrig," lui die dokument oor die doel van die kompetisie.

Van die pryse wat die wenners in ruil vir hul "borggeld" sou ontvang, maar klaarblyklik nie ontvang het nie, sluit 'n vakansie van sewe dae vir vier persone "ter waarde van R10 000" in.

Elk van die agt senior finaliste moes R6 000 insamel en elk van die vier junior finaliste R4 500. Dié geld moes regstreeks in Van Heerden se persoonlike bankrekening inbetaal word.

Fourie het gesê sy het die "pryse en geskenke" vir die finaliste uit haar eie sak moes koop.

"Ek het die R1 000-koopbewys vir Simoné (Niebuhr, die uiteindelike wenner) uit my sak gekoop. Ek is finansieel geruïneer. Die aand van die kroning moes ek 'n ou rok uit my kas gaan haal."

Van Heerden wou geen kommentaar lewer op vrae wat per e-pos aan haar gestuur is nie.

■ Van Heerden is die eienaar van onder meer Mev. Bloemfontein, Mev. Styl Bloemfontein, Mnr. Bloemfontein en verskeie soortgelyke kompetisies. In al dié kompetisies moet finaliste geld insamel of advertensies verkoop waarvan die opbrengs regstreeks in Van Heerden se persoonlike bankrekening inbetaal word.

Naledi Pandor 'n dag lank SA staatshoof

KAAPSTAD. – Die regering van Suid-Afrika was gister 'n dag lank in die hande van 'n vrou.

Naledi Pandor, minister van binnelandse sake, het gister waargeneem as president in die plek van pres. Jacob Zuma en adj.pres. Kgalema Motlanthe.

Naledi Pandor

Zuma en Motlanthe was op besoeke in die buiteland.

Luidens 'n verklaring van die presidensie was Zuma op 'n staatsbesoek aan die Demokratiese Republiek van die Kongo (DRK).

Motlanthe is tans in China. Hy staan aan die hoof van die Suid-Afrikaanse afvaardiging by 'n vergadering met die Chinees-Suid-Afrikaanse samewerkingskommissie.

Zuma is vandag terug in die land en sal môre by 'n openingseremonie die Saldanha-nywerheidsontwikkelingsone (IDZ) se permit oorhandig.

Dié sone is 'n platform wat daarop gerig is om ekonomiese aktiwiteite in die Saldanha-omgewing te stimuleer en uit te brei.

Dit sal die klem plaas op die olie- en gassektore en is in ooreenstemming met die regering se nywerheidsbeleid- en aksieplan. – **Michelé O'Connor**

Nuusdiens stel nuwe redakteur aan

JOHANNESBURG. – Die deurwinterde joernalis Karima Brown is aangestel as die uitvoerende groepredakteur van Independent Newspapers, het Tony Howard, uitvoerende hoof van dié nuusdiens, gister gesê.

Brown sal op 1 Desember in haar nuwe pos begin.

Volgens Howard is haar aanstelling die eerste verandering in 'n omvattende hersiening van die agentskap se werkstrategie.

"Die hersiening sal in die volgende paar weke afgehandel word en sal gevolg word deur 'n herorganisasie van die groep om sy groeipotensiaal in 'n nuwe omgewing ten beste te ondersteun," het Howard gesê.

Voordat die huidige aandeelhouers Independent Newspapers aangekoop het, is ook onderneem om 'n redaksionele handves op te stel om redaksionele integriteit te beskerm.

"Die handves word nou opgestel. Ons beplan ook om binnekort die mandaat en samestelling van 'n redaksionele adviesraad bekend te stel."

Brown sal deel van die uitvoerende span wees wat verantwoordelik is vir redaksionele en inhoudsprojekte wat weldra bekend gestel gaan word. **– Sapa**

PUBLIC PARTICIPATION PROCESS

PROPOSED EXPLORATION DRILLING IN THE ORANGE BASIN DEEP WATER LICENCE AREA OFF THE WEST COAST OF SOUTH AFRICA

DEA Ref No.: 14/12/16/3/3/1/1063

Notice is hereby given of a joint public participation process in terms of:

- the Environmental Impact Assessment (EIA) Regulations 2010 promulgated in terms of Sections 24(5), 24M and 44 of the National Environmental Management Act, 1998 (No. 107 of 1998) (NEMA); and
- the Mineral and Petroleum Resources Development Act, 2002 (No. 28 of 2002) (MPRDA) and regulations thereto.

Proponent: Shell South Africa Upstream BV ("Shell")

Activity: Shell holds an exploration right for the Orange Basin Deep Water licence area located more than 150 km off the West Coast of South Africa in water depths ranging between 500 m and 3 500 m. Based on the results of its 2012-13 seismic survey, Shell anticipates that they will drill one or possibly two exploration wells in the northern part of the licence area. The drilling of the first exploration well is expected to take place in a future summer window period between November and April, and could take in the order of three to four months to complete. Depending on the success of the first well, a second well may be drilled to establish the quantity and potential flow rate of the resource.

Environmental Assessment Practitioner: CCA Environmental (Pty) Ltd (CCA) in association with NMA Effective Social Strategists (Pty) Ltd (NMA).

The proposed **exploration drilling** requires that a **Basic Assessment** be undertaken, as it triggers Activity 18(ii) in Listing Notice 1, *"removal or moving of soil, sand, shells, shell grit, pebbles or rock of more than 5 m³ from the sea"*. In addition, Shell's approved Environmental Management Programme (EMPr) must be amended in terms of Section 102 of the MPRDA. These two processes will be undertaken in parallel.

Notice is hereby given that a Background Information Document (BID) will be available for review and comment from **Thursday 31 October 2013 to Monday 2 December 2013.** Copies of the BID are available on request or can be downloaded from the CCA website **www.ccaenvironmental.co.za**. VOORTREKKERS ONDERNEEM VERSKEIE UITSTAPPIES: 'n Groepie Voortrekkers het onlangs 'n besoek aan die Kasteel in Kaapstad afgelê. Hulle het 'n fantastiese tyd gehad wat 'n rit met 'n ou perdekar ingesluit het wat deur die middestad van Kaapstad gery het. Hier staan hulle voor die ingang van een van die spelonke van die kasteel. Hulle is (voor van links): Nicole Botha, Geshe Pretorius, Liam Burke en Charl Philip Visser; (middel) Benjamin Pretorius, Hanu Botha en Sumari Smit; (agter) Sebastiaan Visser, Erick Botha en Marcel van Zyl.

Links: Die Weskus Voortrekkers is baie leergierig en het onlangs Cerebos, die soutfabriek in Velddrif, besoek. Hulle is (van links) Sonja Visser, Charl-Phillip Visser, Emile Buhr, Erick Botha en Sebastian Visser.

Die Weskus Voortrekkers se hoërskoolleerlinge het lank reeds gedroom van 'n vaart op die Bergrivier. Hierdie droom het die afgelope naweek waar geword. Vroeg Saterdagoggend het 16 kajakke en 29 opgewonde Voortrekkers die tog aangepak. Hulle het oornag by Kuifkopvisvanger en die Sondagoggend omstreeks 13:00 die 22 km vaart voltooi by die Carinus-brug in Velddrif. Dit was 'n ongelooflike ervaring vir almal. Die bedrywighede vir die jaar is op 'n hoogtepunt afgesluit, maar planne word reeds gemaak vir 2014. Belangstellendes kan Elize Herbst by 082 332 3553 bel.

2013 Vroueoggend

HUISGENOOT NAMAQUA FEES

Hanna-Mi Lombard,Martelize Brink en Neil Stemmet.

Jill en Charlene van Miladys

Carol (ICA sjef) en Willie (Pasella se tuin ghoeroe)

Emo Adams,Hanna-Mi Lombard, Martelize Brink en Shaun de Vries.

Nostalgiese Vroueoggend betower gaste

VREDENDAL: Die Vroueoggend op Saterdag, 26 Oktober, is bygewoon deur ongeveer 270 gaste en almal teenwoordig het terug verlang na hul ouma se kombuis met al die lekker onthoudinge uit toeka se dae.

Gaste is ontvang met koffie wat gebrou is op die vuur in koffiekanne en bedien is in blikbekers, met skuinskoek en beskuit. Die saal was prentjiemooi, elke tafel uniek versier met ou enamel bekers, kanne en ketels, afgerond met rose, magrietjies, leeubekkies en kosmosblomme.

Die ete het bestaan uit hawermout pap, gevulde roti's en vars brood. Koeksisters en melktertjies as nagereg, was die perfekte keuse by dié oggend se tema.

Martelize Brink, omroeper by RSG, was die seremoniemeester en sy het haar uitstekend van haar taak gekwyt. Pasella se tuin ghoeroe, Willie, het interessante tuinwenke gedeel en beklemtoon dat enige ou bak of pot geskik is as planthouer. Spinasie is volgens hom 'n goeie pasmaats vir alles in die tuin, plant dit saam met aarbeie, grasuie en kropslaai om saam 'n treffende prentjie te vorm.

Carol, 'n ICA sjef, het 'n kookdemonstrasie aangebied met onder andere forel as hoofbestanddeel en ook heelwat wenke gedeel.

Die gewilde Emo Adams en sy kitaarspeler, Shaun de Vries, was soos altyd 'n wenner. Met sy pittige sêgoed, energieke bewegings en besondere sangtalent het hy 'n vertoning gelewer met iets vir elkeen se smaak, van Bles, Elvis tot Michael Jackson.

Dames het ook styl advies ontvang van Jill, 'n styl adviseur by Miladys in Kaapstad en sy het gewys hoe maklik dit is om te meng en pas.

Neil Stemmet, die gasspreker, het beklemtoon hoe belangrik dit is om jou resepte, in jou eie handskrif, na te laat aan jou kinders. Hy moedig almal aan om weer te onthaal met erfeniskos, tuisgebakte brood, wat jy self gebak het met 'n suurdeegplantjie, koffiekan koffie, plaasbotter en konfyt. Hierdie dinge is besig om verlore te gaan, ons kinders ken dit nie meer nie. Hy noem dat ons voorgeslagte respek gehad het vir kos, asook waar dit vandaan kom. Ter afsluiting rig hy die versoek: "Laat Sondag, weer Sondag word, geen inkopies, tv of selfone en geniet 'n heerlike ete en saamkuier om die tafel". Die oggend, is deur gaste wat dit bygewoon het, beskryf as 'n reuse sukses. Hanna-Mi en haar span verdien beslis 'n pluimpie vir 'n goed georganiseerde oggend vol vermaak en nostalgie.

Nog foto's op Facebook!

OPENBARE DEELNAMEPROSES

VOORGESTELDE EKSPLORASIEBOORWERK IN DIE ORANJEKOM-DIEPWATER-LISENSIEGEBIED LANGS DIE WESKUS VAN SUID-AFRIKA

DOS Verw. no.: 14/12/16/3/3/1/1063

Hiermee word kennis gegee van 'n gesamentlike openbare deelnameproses kragtens:

- die Omgewingsimpakstudie (OIS) Regulasies 2010 gepromulgeer ooreenkomstig Artikel 24(5), 24M en 44 van die Wet op Nasionale Omgewingsbestuur, 1998 (No. 107 van 1998) ('NEMA'); en
- die Wet op Minerale en Petroleum-hulpbronontwikkeling, 2002 (No. 28 van 2002) ('MPRDA') en die gepaardgaande regulasies.

Applikant: Shell South Africa Upstream BV ("Shell")

Aktiwiteit: Shell besit die eksplorasiereg vir die Oranjekom-Diepwater-lisensiegebied, meer as 150 km vanaf die Weskus van Suid-Afrika, geleë in water wat tussen 500 m en 3 500 m diep is. Gebaseer op die resultate van die 2012-13 seismiese opname, wil Shell een of moontlik twee eksplorasieboorgate in die noordelike deel van die lisensiegebied boor. Die boorwerk van die eerste eksplorasieboorgat sal na verwagting in 'n toekomstige somertydperk (tussen November en April) plaasvind, en kan ongeveer drie tot vier maande duur om te voltooi. Afhangend van die sukses van die eerste boorgat, sal 'n tweede eksplorasiegat moontlik geboor word om die gehalte en potensiële vloeikoers van die hulpbron te bepaal.

Omgewingassesseringspraktisyn: CCA Environmental (Edms) Bpk (CCA) in samewerking met NMA Effective Social Strategists (Edms) Bpk (NMA).

Die voorgestelde **eksplorasieboorbedrywighede** vereis dat 'n **Basiese Assessering** onderneem moet word volgens Aktiwiteit 18(ii) in Lyskennisgewing 1 wat gaan oor die verwydering of verskuiwing van meer as 5 kubieke meter grond, sand, skulpe, skulpklipgruis, spoelklippies of gesteentes uit die see. Hierbenewens moet Shell se goedgekeurde Omgewingbestuursprogram (OBP) ook aangepas word kragtens Artikel 102 van die MPRDA. Hierdie twee prosesse sal tegelykertyd onderneem word.

Kennis word hiermee gegee dat 'n geleentheid vir hersiening en kommentaar oor die Agtergrondinligtingdokument (AID) vanaf **Donderdag 31 Oktober 2013 tot Maandag 2 Desember 2013** verskaf sal word. Afskrifte van die AID is op aanvraag beskikbaar en kan vanaf die CCA-webwerf, **www.ccaenvironmental.co.za**, afgelaai word. Kommentaar kan per pos, faks of e-pos by NMA ingedien word per kontakbesonderhede soos hieronder.

Hiermee word ook kennis gegee dat 'n openbare opedag en inligtingsvergadering in Kaapstad en Saldanha gehou sal word.

PUBLIC PARTICIPATION PROCESS

PROPOSED EXPLORATION DRILLING IN THE ORANGE BASIN DEEP WATER LICENCE AREA OFF THE WEST COAST OF SOUTH AFRICA

DEA Ref No.: 14/12/16/3/3/1/1063

Notice is hereby given of a joint public participation process in terms of:

- the Environmental Impact Assessment (EIA) Regulations 2010 promulgated in terms of Sections 24(5), 24M and 44 of the National Environmental Management Act, 1998 (No. 107 of 1998) (NEMA); and
- the Mineral and Petroleum Resources Development Act, 2002 (No. 28 of 2002) (MPRDA) and regulations thereto.

Proponent: Shell South Africa Upstream BV ("Shell")

Activity: Shell holds an exploration right for the Orange Basin Deep Water licence area located more than 150 km off the West Coast of South Africa in water depths ranging between 500 m and 3 500 m. Based on the results of its 2012-13 seismic survey, Shell anticipates that they will drill one or possibly two exploration wells in the northern part of the licence area. The drilling of the first exploration well is expected to take place in a future summer window period between November and April, and could take in the order of three to four months to complete. Depending on the success of the first well, a second well may be drilled to establish the quantity and potential flow rate of the resource.

Environmental Assessment Practitioner: CCA Environmental (Pty) Ltd (CCA) in association with NMA Effective Social Strategists (Pty) Ltd (NMA).

The proposed **exploration drilling** requires that a **Basic Assessment** be undertaken, as it triggers Activity 18(ii) in Listing Notice 1, "*removal or moving of soil, sand, shells, shell grit, pebbles or rock of more than 5 m³ from the sea*". In addition, Shell's approved Environmental Management Programme (EMPr) must be amended in terms of Section 102 of the MPRDA. These two processes will be undertaken in parallel.

Notice is hereby given that a Background Information Document (BID) will be available for review and comment from **Thursday 31 October 2013 to Monday 2 December 2013.** Copies of the BID are available on request or can be downloaded from the CCA website **www.ccaenvironmental.co.za**. Comments can be submitted to NMA by post, fax or e-mail using the contact details provided below.

Notice is also hereby given that public open days (PODs) and Information-Sharing meetings will be held in Cape Town and Saldanha.

Location:		Cape Town	Saldanha
Venue:		Grangerbaai Hotel School Beach Road, Mouillepunt	Protea Hotel 51 Main Road, Saldanha
Time:	POD	14h00 - 17h30	14h00 - 17h30

Raadsvergadering lok hewige reaksie uit

VREDENDAL: Tydens 'n Raadsvergadering, op Dinsdag, 29 Oktober, is verskeie aangeleenthede bespreek. Die Speaker, mnr Hennie Nell, het die vergadering begin met die volgende vraag: " Wat sien die publiek in hiérdie raad?".
Raadslid, Frans Bam, het die media beskuldig van negatiewe beriggewing, dat die media nie die raad wil ondersteun nie, klein beriggies plaas en hul daarvan beskuldig dat hul nie die korrekte feite plaas nie. Bam het sovêr gegaan as om Ons Kontrei te herinner dat dié Raad tot 2016 aan bewind gaan bly.
Verskeie ander punte op die agenda is daarna in kort bespreek waaronder die uitsetting van plaaswerkers en die haglike omstandighede van voorskoolse plaaskinders.
Hierna het die onderwerp, die uitbou van grafte opgeduik. Weens die hoë koste om grafte uit te bou, lewer die munisipaliteit nie meer dié diens nie. 'n Raadslid het gevra dat dié besluit herroep moet word omdat die samestelling van die grond van die dorpe verskil.
Raadslid, Johan Smith het uitgelig dat ten spyte van die stand van die munisipaliteit se finansies, het Hennie Nell en Jakes Botha onlangs met twee voertuie Kaap toe gery om 'n konferensie by te woon. Beide het rekeninge ingedien waarvan die kostes meer as R7000 beloop. Smith het gevra hoekom hulle nie saam gery het nie, om sodoende kostes te bespaar, waarop Nell genoem het dat hy na die konferensie 'n vergadering moes bywoon in Stellenbosch. Die munisipaliteit moes ook onlangs regskostes dra, na die dienste van 'n advokaat gebruik is in 'n regsgeding tussen mnr John Bok, voormalige burgemeester en me Rhenda Stephan.
Die bouplanne van Nouveau Kollege, wat voorheen afgekeur is in 'n raadsvergadering, was een van die punte op die agenda. Die besluit is herroep nadat die bestuur en skoolhoof Nell besoek het. Indien die bouplanne goedgekeur word en die skoolsaal gebou word moet Nouveau Kollege die munisipaliteit fasiliteer en uitreik na die gemeenskap.
Sekere raadslede se gedrag tydens die onlangse openbare vergaderings, is ook bevraagteken, waarop die Burgemeester, Jakes Botha, genoem het dat 'n verslag aangevra gaan word.
Daar is groot kommer uitgespreek oor die vandalisme by die nuut opgerigte parkie in Vredendal-Noord en die moontlikheid is genoem dat sekuriteit aangestel moet word om dit te verhoed.
Die afskryf van behuisingskuld en die voorstel dat geen bedrag daaraan gekoppel moet word nie, is ook terug verwys na die Burgemeesterkomitee, met verskeie voorstelle van raadslede.
Die nuwe Direkteur Finansiële Bestuur, mnr Mark Bolton, het genoem dat die munisipaliteit die reg het om oninbare skuld af te skryf omdat, volgens Bolton, die munisipaliteit nie oninbare skuld op hul finansiële state kan dra nie.
Die Huisgenoot Namaqua-fees was ook een van die besprekingspunte. Daar is genoem dat die munisipaliteit vooraf 'n bedrag van R150 000 van Media24, wat die feesregte besit, vir onkostes wat die munisipaliteit moet aangaan ter voorbereiding van die fees, ontvang het. 'n Raadslid het gevra dat inkomste en uitgawe state aan die raad voorgelê moet word sodra 'n verslag saamgestel is. Dié betrokke raadslid het vereis dat die raad 'n groter deelname moet hê binne die asseserings komitee van die fees en dat die fondse wat die munisipaliteit ontvang uit die fees, nie deur die Feeskomitee bestee moet word nie, maar dat die raad moet besluit waarvoor die fondse aangewend moet word.
Nell het raadslede versoek om proaktief te wees in hul optrede en aksies en is deur Botha versoek om meer betrokke te wees by hul wyke. Nuwerus blyk veral 'n probleem te wees omdat daar geen direkteure of amptenare by die onlangse openbare vergaderings opgedaag het nie. Raadslid Christoffel van der Westruis het skalks opgemerk dat Wyk 8, seker te vêr is, daarom dat almal nie die vergadering kon bywoon.
Aan die einde van die vergadering, toe antwoorde verskaf moes word op vrae van die publiek het die onderburgemeester, Delina Goedeman, weer die media aangeval en 'n voorstel gemaak dat die antwoord in-komitee hanteer moet word, omdat die media verkeerde feite sou plaas. Die versoek is goedgekeur en die publiek is versoek om die raadsaal te verlaat. Dit het hewige reaksie onder lede van die publiek, wat die vergadering bygewoon het, uitgelok en een inwoner het aan Ons Kontrei gevra, "hoekom mag die publiek nie teenwoordig wees nie, wat probeer hulle wegsteek?".
Die deursigtigheid van die raad asook die verhouding wat met die publiek asook die media gebou moet word, is beslis negatief geraak deur Goedeman se voorstel.

Plaaswerker van die jaar

Minister Gerrit van Rensburg, Dr Johan van Deventer (Besturende Direkteur, Freshmark), Karools Paulse (Plaaswerker van die Jaar), Joyene Isaacs (HOD) en Wimpie Paulse (Plaaswerker van die Jaar 2012).

CITRUSDAL: Karools Paulse, van Mouton Sitrus, Citrusdal, is in September as Streekswenner aangewys en meer onlangs is hy tydens 'n Gala-aand in Stellenbosch aangewys as die Plaaswerker van die Jaar!
Hy is beskryf as 'n trotse werker en vol energie, deur sy bestuurder. "Ek werk nie omdat ek 'n salaris wil verdien nie, ek doen dit omdat ek my werk geniet", het Paulse tydens sy toespraak gesê toe hy as Streekswenner aangewys is.

Kapel hou wyksbasaar

Dames geniet 'n voorgereg tydens die basaar.

KAPEL: Met Kapel se wyksbasaar is daar 'n hond uit 'n bos gekuier by Idma. Die groot markiestent en onthaallokaal was volgepak met vriende, kennisse, en sommer almal wat net wou ontspan.
Die volgepakte basaartafels het te kus en te keur gehad, en flink besigheid gedoen. Nadat dominee John Smit die tafelgebed gedoen het, is weggeval aan Idma se keurige geregte, of steak wat die manne volgens jou smaak gebraai het, en basaarpoeding.
So 'n lekker saamkuier sit sommer weer woema in die lewe.
