Dear Sir/Madam

LAND CLAIM ENQUIRY ON THE FARM: R/E OF PORTION 12 & R/E OF PORTION 13 OF HARRIETS WISH 393 LR.

We refer to your letter dated 28 March 2023.

We confirm that there are existing land claims against the property lodged by Mojela K.J with Ref: R/5/120/454/14986 on 28-08-2016 and Mokwena M.K with Ref: R/5/120/454/20350 on 18-09-2014.

The claims were lodged in terms of the Restitution of Land Rights Amendment Act, 2014 (Act No 15 of 2014) ("the Amendment Act") which, amongst others, reopened the lodgement of claims for a period of five years.

The validity of the Amendment Act was challenged in the Constitutional Court. The Constitutional Court found the Amendment Act to be invalid because of the failure of Parliament to facilitate public involvement as required by the Constitution. The Amendment Act ceased to be law on 28 July 2016.

The Constitutional Court ordered that the claims that were lodged between 1 July 2014 and 27 July 2016 are validly lodged, but it interdicted the Commission from processing those claims until the Commission has finalised the claims lodged by 31 December 1998 or until Parliament passes a new law providing for the re-opening of lodgement of land claims. Parliament was given until 27 July 2018 to pass such a law.

The Commission will therefore not be processing the above claims until it finishes claims lodged by 31 December 1998 or until Parliament passes a new law providing for the re-opening of lodgement of claims.
