EnviroAfrica cc has been appointed by Sishen Iron Ore Company (Pty) Ltd, to undertake the **Scoping and Environmental Impact Assessment** for the proposed project.

Application for environmental authorization to undertake the following activities:

Government Notice R544 (Listing Notice 1): Activity No. 9, 11, 18 and 22

Government Notice R545 (Listing Notice 2): 15

Government Notice R546 (Listing Notice 3): 4, 13, 14 and 16

Project Description & Location: A housing development is proposed on Portion 1 of the Farm Uitkoms No. 463, Kuruman RD., Kathu, Northern Cape. It is estimated that up to 400 housing units and associated infrastructure will be developed. The details and layouts of the development will be included in the Scoping Report/ Environmental Impact Report.

Application for exemption: The applicant is intending to apply for exemption from Regulation 10(2)(d) of Government Notice No. R543, which states that the applicant must within 12 days of the date of the decision, place a notice in the same newspaper(s) used for the placing of advertisements as part of the public participation process, informing Interested and Affected Parties of the decision, where the decision can be accessed and the right to appeal. Registered I&AP's will be notified of the decision by post and/or preferred method of communication.

Public Participation: Interested and Affected Parties (I&APs) are hereby notified of the application and invited to register (in writing) and/or provide initial comments and identify any issues, concerns or opportunities relating to this project to the contact details provided below, on or before 16 March 2014. In order to register or submit comment, I&APs should refer to the project name and D:E&NC reference number above, and provide their name, address & contact details (*indicating your preferred method of notification*) and an indication of any direct business, financial, personal, or other interest which they have in the application. Please note that future correspondence will only be sent to registered Interested and Affected Parties. You are also requested to pass this information to any person you feel should be notified.

NEMA PUBLIC PARTICIPATION PROCESS - AVAILABILITY OF THE FINAL SCOPING REPORT

PROPOSED HOUSING DEVELOPMENT ON PORTION 1 OF FARM UITKOMS NO. 463, KURUMAN RD,
KATHU, NORTHERN CAPE

DEPARTMENT: ENVIRONMENTAL AND NATURE CONSERVATION (D:E&NC) REF NO: NC/EIA/09/JTG/GAM/KAT1/2014

Please note the Draft Scoping Report (DSR) for the above mentioned proposal (available for viewing and comment from 18 March 2015 to 04 May 2015.) has been updated to the Final Scoping Report (FSR) and will be submitted to the Department of Environment and Nature Conservation (D:ENC) for approval prior to undertaking the EIA Phase. Various comments were received during the commenting period. These comments were included and responded to, by various members of the project team, in the FSR as the Comments and Response (C&R) Report (see attached to this letter). Please note: all responses made are considered draft/preliminary responses as the majority of the comments made will be dealt with in the EIA phase as further detailed specialist assessments are to be undertaken.

As a result of the comments received some changes were made to the DSR, including updating of the public participation process information.

Please find included with this letter the comments and response report for the Draft Scoping Report as well as the Final Scoping Report and Plan of Study.

Your department has 21 days to comment on the Final SR (as per DEA requirement). Should comments not be received within the prescribed timeframes, it would be assumed that no comments are forthcoming and D:ENC will continue to process the application in the absence of your department's comments. The commenting period is from 11 May 2016 to 10 June 2016.

**PROPOSED HOUSING DEVELOPMENT ON PORTION 1 OF FARM UITKOMS NO. 463, KURUMAN RD,
KATHU, NORTHERN CAPE**

DEPARTMENT: ENVIRONMENTAL AND NATURE CONSERVATION (D:E&NC) REF NO: NC/EIA/09/JTG/GAM/KAT1/2014

Please note the Draft Scoping Report (DSR) for the above mentioned proposal (available for viewing and comment from 18 March 2015 to 04 May 2015.) has been updated to the Final Scoping Report (FSR) and will be submitted to the Department of Environment and Nature Conservation (D:ENC) for approval prior to undertaking the EIA Phase. Various comments were received during the commenting period. These comments were included and responded to, by various members of the project team, in the FSR as the Comments and Response (C&R) Report (see attached to this letter). Please note: all responses made are considered draft/preliminary responses as the majority of the comments made will be dealt with in the EIA phase as further detailed specialist assessments are to be undertaken.

As a result of the comments received some changes were made to the DSR, including updating of the public participation process information.

Please find included with this letter the comments and response report for the Draft Scoping Report as well as the Final Scoping Report and Plan of Study.

Your department has 21 days to comment on the Final SR (as per DEA requirement). Should comments not be received within the prescribed timeframes, it would be assumed that no comments are forthcoming and D:ENC will continue to process the application in the absence of your department's comments. The commenting period is from **11 May 2016 to 10 June 2016**.
