ENVIRONMENTAL IMPACT ASSESSMENT PROCESS

PROPOSED MINING RIGHT APPLICATION FOR IRON AND VANADIUM ORE ON THE FARMS GELUK 512KS, GELUK OOS 513KS AND IRONSTONE 847KS IN GREATER TUBATSE / MAKHUDUTHAMAGA LOCAL MUNICIPALITY OF SEKHUKUNE DISTRICT MUNICIPALITY, LIMPOPO PROVINCE (DMR Ref: LP30/5/1/2/3/2/1/10107EM)

Notice is hereby given in terms of the Environmental Impact Assessment (EIA) Regulations of 2014 under Section 24 (5) of the National Environmental Management Act (Act 107/1998) (NEMA), the Mineral and Petroleum Resources Development Act (Act 28/2002) (MPRDA), the National Water Act (Act 36/1998) (NWA) and the National Environmental Management: Waste Act (59/2008) (NEMWA). The intention of the applicant is to establish an Iron and Vanadium Ore mine (Geluk Mine) on the above mentioned properties.

Locality: Farms Geluk 512KS, Geluk Oos 513KS (Makhuduthamaga Local Municipality) and the farm Ironstone 847KS (Greater Tubatse Local Municipality). The study area is roughly 36km west of Steelpoort town (via R555/Jane Furse Road) at Magnet Heights.

The proposed development constitutes the following: Proposed Mining Right area of 3165.32 Hectares. The project will involve an open cast mine (box cut and strip mining) and related infrastructure in order to extract ore. Waste and ore will be loaded and hauled to a stockpile/crushing plant respectively. The ore will be crushed and screened onsite whereafter it will be transported off site for further processing.

Applicant: RAKHOMA MINING RESOURCES PTY LTD

Environmental Process: Naledzi Group Pty Ltd has been appointed as independent environmental consultants, to conduct the necessary Environmental Impact Assessment and Management Plans as outlined in Regulation 21-24 of the current EIA Regulations of NEMA, and obtain permits as prescribed in the MPRDA, NWA and NEMWA. The process is subject to public participation and environmental reporting. A Section 21 Water Use License and Section 19 Waste Management License is required as part of the application.

In terms of Government Notice R. 983, R984 and R985 scheduled under NEMA the establishment of the mine and associated infrastructure will trigger listed activities which require environmental authorisation. The main triggered activity includes (but not limited to):

GNR. 984: Activity 17 "Any activity including the operation of that activity which requires a mining right as contemplated in Section 22 of the Mineral and Petroleum Resources Development Act, 28/2002, including such infrastructure, structures and earthworks, directly related to the extraction of a mineral resource, including activities for which an exemption has been issued in terms of Section 106 of MPRD Act 28/2002"

Public Participation: The purpose of the public participation process is to inform Interested and Affected Parties (I&AP's) regarding the proposed development and the environmental process. The process allows I&APs the opportunity to comment and contribute to the identification of environmental impacts for the proposal. Should you wish to register and obtain project information, please submit your name, contact details and comment to Naledzi on or before 20 August 2015 (A 21 day registration period is provided). Information sessions will be hosted to introduce and discuss the project. Arrangements pertaining to the session/s will be communicated to I&APs.
