| <b>Roads</b>                  |  |               |               |
| Powerline servitude road      | Road is located within the gridline servitude. Please refer to the gridline corridor coordinates above.  |               |               |
|                               | The road will run from the proposed switching station at the authorised Paarde Valley PV2 Site, to Vetlaagte Main Transmission Substation (EA application in process). |               |               |
| Switching station access road | Road will run from the nearest public road to the switching station. The road will be approximately 2.34 km in length.   |               |               |
