Hi.

As the Greater Sekhukhune Region Secondary Cooperative Ltd representing Cooperatives enterprises in all Local municipalities of Sekhukhune District including Makhuduthamaga Local Municipal areas we would like to show our interest in participating in the project from the EIA and would like you to forward us the EIA report if possible so that we can make comments before the 11 September as highlighted in the advertised notice.

We would also like you to please include us as stakeholders in the processes to take place in the whole Mining project Value chain as we will be interested in participating in assisting the Mine and the surrounding communities with the development of cooperatives which wil add value to the whole project in order to increase the number of jobs to be created by the project through other means of enterprises like Agriculture and Manufacturing so that the communities won't only rely on jobs in the mine but participate in other projects of other sectors.

We would appreciate if you can welcome our request with positive mind.

Hope you find the above in order

Kind regards

**ENVIRONMENTAL IMPACT ASSESSMENT PROCESS AND INTEGRATED WATER USE- & WASTE MANAGEMENT LICENSE APPLICATION FOR THE MINING OF IRON- AND VANADIUM ORE ON THE FARMS GELUK 512KS, GELUK OOS 513KS AND IRONSTONE 847KS IN THE MAGISTERIAL DISTRICT OF TUBATSE/MAKHUDUTHAMAGA (DMR REF No. LP 30/5/1/2/3/2/1/10107EM)**

Rakhoma Mining Resources Pty Ltd has submitted an Application for a Mining Right to Department of Mineral Resources: Limpopo Region (DMR) to establish an Iron-and Vanadium Ore mine in the area of Magnet Heights on the above mentioned farms, some 20km west of Steelpoort in the District of Sekhukhune of the Limpopo Province.

Rakhoma is further seeking Environmental Authorisation for the proposal through a Scoping and Environmental Impact Assessment (EIA) process. Please find attached for your attention and comments the Draft Scoping Report dated August 2015 which has been prepared for the project as part of the EIA process.

We would like to solicit comments from LIHRA for inclusion in the Final Scoping Report which would be submitted to the DMR. A public review period is applicable to the Draft Scoping Report from Friday 14 August 2015 to Friday 11 September 2015. It would be appreciated if you could provide us with your comments before end of business day of **Friday 11 September 2015**.

A notification was sent to LIHRA on 24 July 2015 of the proposed project through the provision of a Background Information Document. We hereby give notice again that the Scoping Report is available for public review in accordance with Government Notice R982, Regulation 40 of NEMA EIA Regulations, 2014 and the following other pieces of legislation:

- Mineral and Petroleum Resources Development Act, 28 of 2002
- National Environmental Management: Waste Act 59 of 2008
- National Water Act, 36 of 1998

Thank you in advance for your participation.

Sincerely,
