Subject: Request for contact information - small scale fisheries along the West Coast

Dear Sir/ Madam,

Our Client is applying for prospecting rights offshore along the West Coast, just North of Doringbaai and Strandfontein. As part of the Basic Assessment Process, we are compiling a stakeholder list. We are looking for contact information for the Directors/Right Holders/ Community representatives/ and or individuals of small-scale fisheries, rock lobster fisheries and line fisheries in the Doringbaai, Strandfontein, Papendorp, Lutzville, Koekenaap and Ebenhaezer communities that might be affected by this activity. We also want to meet and consult with these communities at the end of July/ beginning of August 2021.

Would you be able to please assist me in this regard or direct me towards someone that can assist me in sourcing this information?

Thank you in advance,
Kind regards
