

# Fashion bursaries worth R500 000 up for grabs

Mahikeng Mail-Mahikeng- Gert-Johan Coetzee is known for making the A-list steal the show at events such as the Durban July, but in between making glorious gowns, the designer is now searching for two new students to benefit from his three-year bursary programme. And after Coetzee challenged other businesses to invest in education, the luxury boutique Luminance has added a third bursary to the programme!

Applications have just opened for the 2017 GJC Fashion Design bursary and the brand-new GJC Fashion

Communications and Buying bursary, valued at a total of R345 000. Coetzee’s fashion design bursary is already in its sixth year at the Northwest School of Design, but it is the first time that he is adding a Fashion Communications bursary, to accommodate students who are more interested in the business end of fashion. The latter qualification is also what the R170 000 Luminance Social Responsibility Grant will fund.

“The industry is really dynamic, and there are so many opportunities, which is why I decided to add a bursary for the more business-oriented qualification. It’s so hard to get your foot in the door and the aim of my bursary programme is to pass on what I have learnt, and to open doors for youngsters who have the talent and drive to succeed,” says Coetzee. He believes that the private sector has a responsibility to invest in the education of the next generation, and says he was “absolutely thrilled” when Judy Dlamini from Luminance, which stocks his couture, approached him

to sponsor another Fashion Communication student. “This three-year qualification teaches the business end of fashion – from fashion journalism, marketing and trend forecasting, to buying, event management and online retail aspects,” explains the designer. Both bursaries include mentorship by Coetzee, and the opportunity to intern at his atelier to learn the business from the inside out. The beneficiary of the Luminance Social Responsibility Grant will have a similar opportunity to intern at Luminance. Says Dlamini, “We’re looking for someone who is driven to succeed in fashion and business and willing to learn.... A good academic record is important to us since it shows discipline, determination and hard work.” Coetzee also has a very clear idea what he’ll be looking out for. “Success will only come if you have an inborn fashion instinct and are extremely passionate about it. I am looking for students who are as singleminded about fashion as I was at that age, youngsters who are driven, dedicated and not afraid of hard

work.” All three the lucky applicants will receive sewing machines from Bernina, worth a total of R45 000, and all their tuition fees and study materials will be covered for the three years of their course. Both courses offer students the chance to progress to a licentiate ship, the highest international fashion qualification in South Africa. Northwest School of Design is an international fashion college approved by City & Guilds of London. “I am extremely proud of the talented group who make up the GJC bursary team at NWSd, and I expect great things of them,” says Coetzee. Last year’s graduate, Prudence Kau, is currently interning full-time at his atelier,

on a fourth-year fellowship from another of the designer’s associates, Brutal Fruit. “Prudence is working on her first collection for Brutal Fruit at the moment while she is completing her licentiate ship, and it’s a privilege to be able to mentor a young star in the making.” For more information on how to apply for the Gert-

Johan Coetzee bursaries and the Luminance Social Responsibility Grant, visit [www.nwsd.co.za](http://www.nwsd.co.za)

The magic wallet, ring and short boys saved my life.

**Call professor Ali Musa: 076 366 1966**

My name is Rebecca Mpho, I live in Riviera Park, am a well-known business lady in Rustenburg. I have been reading different miracles in different newspapers people praising and thanking Proff Ali Musa for changing their lives. He gives me different ways I choose short boys to put 1.8 million in my account. I shocked to see notification from the bank to show the money deposited is in my account. I transferred R400 000 in his account as his payment. My brother, was about to loose his house and car because he haven't paid for 3 months he choose Magic wallet that give him R200 000 everyday and Proff Ali Musa he sent it through post office. From my sister chose magic ring to bring money in his house and it was a miracle to see R900,000 in his house same day and he paid R20,000 every week. My fellow South Africans it is true that success is not a gift but a decision. It was so hard to me to trust this after lost everything I had but now my business is going up and I win 3 tenders for road construction in Empangeni to my fellow business or any one who tried before with this fake doctor, sangoma. Don't lose hope try your last chance you will see this man of God. Prof. Ali Musa will change your life.

**Call: 076 366 1966 / facebook Prof Ali Musa for more miracles.**

The North-West University invites all specialist contractors with the relevant skills, experience and resources to submit tenders for the following on the Mafikeng Campus of the North-West University:

1. NWUTR 091 / 2016 MC (PIP 025/2016MC): ELECTRICAL MAINTENANCE CONTRACT FOR STUDENT RESIDENCES (EASTERN CAMPUS), MAFIKENG CAMPUS

Work entails: Maintenance on all low voltage electrical equipment including all installations in buildings and perimeter lights
2. NWUTR 092 / 2016 MC (PIP 026/2016MC): ELECTRICAL MAINTENANCE CONTRACT FOR STUDENT RESIDENCES (WESTERN CAMPUS), MAFIKENG CAMPUS

Work entails: Maintenance on all low voltage electrical equipment including all installations in buildings and perimeter lights
3. NWUTR 093 / 2016 MC (PIP 026/2016MC): ELECTRICAL MAINTENANCE CONTRACT FOR STUDENT RESIDENCES (CENTRAL CAMPUS), MAFIKENG CAMPUS

Work entails: Maintenance on all low voltage electrical equipment including all installations in buildings and perimeter lights
- Tenderers are requested to make a compulsory tender reservation by e-mailing Company Name, Contact Details and reference the applicable Tender Number starting with NWUTR to [21977682@nwu.ac.za](mailto:21977682@nwu.ac.za).
  - Tender documentation will be issued at the tender briefing. A non-refundable tender deposit of **R200 per tender document** payable via **electronic transfer or direct bank deposit**, in order to confirm your reservation, and before the tender briefing.
  - A compulsory tender briefing will be held at the Technical Services Department, Building C1, Mafikeng Campus, c/o Luthuli and University Road, Mafikeng

**Closing Date for Tender Reservations: 22 JULY 2016 at 12:00**

**Compulsory Tender Briefing: 28 JULY 2016 at 11:00**

**Tender Closing Date and Time: 4 AUGUST 2016 at 12:00**

- Please take note that:
1. The lowest or any specific tender will not necessarily be accepted.

2. Tenders may only be submitted on the tender documentation as issued by the University.

KENNISGEWING VAN OMGEWINGSIMPAKSTUDIE

PUBLIEKE VERGADERING EN BESKIKBARE VERSLAE VIR KOMMENTAAR: KONSEP BESTEKOPNAME VERSLAG VIR DIE VOORGESTELDE DOORNOEK VLOEISPAAT (FLUORSPAR) MYN OP VERSKEIE GEDEELTES VAN PLASE DOORNOEK 305 JP, DIE PLAAS 306 JP, KNOFLOOKFONTEIN 310 JP, STRYDFONTEIN 326 JP, RHENOSTERFONTEIN 304 JP, KWAGGAFONTEIN 297 JP, PAARDEPLAATS 296 JP, SAAMGEVOEG 320 JP EN WITRAND 325 JP, ZEERUST DISTRIK, NOORD-WES PROVINSIE

Kennis word hiermee gegee in terme van hoofstuk 6 van GNR 982 van 4 Desember 2014 gepubliseer onder gedeelte 24(5) van die Nasionale Omgewingsbestuur (Wet Nr 107 van 1998) van 'n aansoek om omgewingsmagtiging; 'n afvalbestuurslisensie aansoek in terme van gedeelte 20 van die Wet op Nasionale Omgewingsbestuur: Afval Wet (Wet 59 van 2008); 'n mynreg aansoek in terme van gedeelte 22(4) van die Minerale and Petroleum Hulpbronne Ontwikkelingswet (Wet 28 van 2002); en 'n watergebruik lisensie aansoek in terme van gedeelte 40 en 41(4) van die Nasionale Waterwet (Wet 36 van 1998) ten opsigte van die voorgestelde mynbedrywighede.

**Voorgestelde Myn Ontwikkeling:**  
Die voorgestelde mynbedrywighede vorm 'n oopgroef fluorspar myn op verskeie gedeeltes van die plase soos hierbo aangedui. Die projek val onder die jurisdiksie van die Ditsobotla en Ramotshere Molloa Plaaslike Munisipaliteite geleë binne die Ngaka Modiri Molema Distriks Munisipaliteit. Die projek terrein is ongeveer 220 km wes van Johannesburg en 18 km suid van die dorp Zeerust geleë. Die volgende koördinate dien as die middelpunt van die terrein:

**Breedtegraad:** 25°44'.85"S; **Lengtegraad:** 26°10'29.75"E

Die Projek het die potensiaal om 'n groot vloeispaat hulpron te bevat wat mynbedrywighede ver in die toekoms kan volhou. Die ertsliggaam bevat beide ondergrondse en bognondse hulpbronne voldoende om 'n ananklike myn leeftyd van 30 jaar te regverdig. Teen volle produksie word daar beoog om die hulpron te ontgin teen 1,5 miljoen ton per jaar soos volg:

- Hulpbron Area A: Oopmynbedrywighede tot 'n diepte van ongeveer 60 m van jaar 5 tot 10.
- Hulpbron Area C: Oopmynbedrywighede tot 'n diepte van ongeveer 90 m van jaar 20 tot 30.
- Hulpbron Area D: Oopmynbedrywighede tot 'n diepte van ongeveer 90 m van jaar 10 tot 20 met maontlike ontginning van die gebiede aan die kant van die hulpron van jaar 20 tot 30.
- Konstruksie van die mynbou- infrastruktuur en toegangspaaie sal plaasvind gedurende jaar 1 tot 5.

As deel van die impak beplanningsfase van die projek, moet die volgende magtigings/lisensies/regte verkry word van die betrokke staatsdepartemente:

1. **Omgewingsmagtiging:** 'n Omgewingsimpakstudie (EIA) in terme van die Wet op Nasionale Omgewingsbestuur (Wet Nr 107 of 1998) (NEMA), gelees met die 2014 Omgewingsimpakbepaling Regulasies (GNR 982 van 8 Desember 2014) sal onderneem word vir die voorgestelde ontwikkeling en bedryf van die voorgestelde mynbou aktiwiteite en gepaardgaande infrastruktuur. Die volgende gelyste aktiwiteite in GNR 983, GNR 984 en GNR 985 van 8 Desember 2014 is van toepassing op die voorgestelde projek en vereis omgewingsmagtiging: GNR 983: Aktiwiteit 9, 10, 11, 13, 14, 22, 24, 25, and 56; GNR 984: Aktiwiteit 6, 15, 17 and 21; en GNR 985: Aktiwiteit 6, 15, 17 and 21; en GNR 985: Aktiwiteit 2, 4, 10 and 18. Die omgewingsmagtiging aansoek onderhewig aan 'n bestekopname en omgewingsimpakstudie proses is voorgelê vir goedkeuring aan die Departement van Minerale Hulpbronne Noord-Wes streek (DMR) op 12 Julie 2016.
2. **Mynreg:** 'n mynreg aansoek ingevolge artikel 22 van die Minerale and Petroleum Hulpbronne Ontwikkelingswet (Wet 28 van 2002) (MPRDA) is aan die DMR op 12 Julie 2016 ingedien.
3. **Afvalbestuurslisensie:** in terme van artikel 20 van die Wet op Nasionale Omgewingsbestuur: Afval Wet (Wet 59 van 2008) (NEMWA) saamgelees met die Omgewingsimpakbepaling Regulasies, 2014 (GNR 982 van 8 Desember 2014) vir die onderneming van afvalbestuursaktiwiteite gelys in GNR 921 van 29 November 2013. 'n Geïntegreerde aansoek in terme van die NEMA en NEMWA is op 12 Julie 2016 aan die DMR voorgelê.
4. **Watergebruiklisensie:** die projek sal die onderneming van watergebruike behels soos gelys in artikel 21 van die Nasionale Waterwet (Wet 36 van 1998) (NWA) vir 21(a), 21(b), 21(c), 21(g), 21(i) en moontlik 21(j) water gebruike. 'n Watergebruik lisensie aansoek in terme van artikel 40 van die NWA sal tydens die omgewingsmagtiging proses aan die Departement van Water en Sanitasie ingedien word.

**Beskikbare Verslae vir Kommentaar:**  
Die konsep Bestekopname verslag (SR) vir die voorgestelde projek sal beskikbaar gemaak word vir besigtiging aan Geïntereerde en Geaffekteerde Partye (I&APs) vir kommentaar. Die Konsep SR en alle bylae sal beskikbaar wees op die Dropbox webtuiste vanaf **Vrydag, 15 Julie 2016**. Harde kopie sal sal ook beskikbaar wees by die volgende lokale:

Zeerust Publieke Biblioteek (Voortrekker Straat)

Lichtenburg Publieke Biblioteek (H/V Transvaal en Dr Nelson Mandela Rylaan)

Dropbox webtuiste skakel: <https://www.dropbox.com/sh/94cwx4y2lm3mkII/AADBIWAbInQlhpi81Vxs5cgna?dl=0>

Ten einde te verseker dat u as 'n Geïntereerde of Geaffekteerde Partye (I&APs) geregistreer word of as u meer inligting oor enige van die bogenoemde aansoeke en/of voorgestelde projek aktiwiteite vereis, verstrek asseblief u naam, kontakbesonderhede, belangstelling en kommentaar/relevante kwessies op die saak skriftelik voor teen **Maandag, 15 Augustus 2016** aan Exigo (besonderhede hieronder). Indien u nie in staat is om toegang te verkry tot die verslae nie of die dokumente wil ontvang via 'n ander metode voel asseblief vry om ons te kontak sodat alternatiewe reëlings getref kan word.

Alle kommentaar moet ontvang word voor of teen **Maandag, 15 Augustus 2016** en moet ingedien word aan:

**Mev C.Uys (Exigo Omgewingsseenheid)**

Epos: [chantal@exigo3.com](mailto:chantal@exigo3.com)

**Publieke Vergaderings**  
Neem asb kennis dat die publieke vergadering ten opsigte van die Doornhoek Vloeispaat Myn Projek sal plaas neem op die volgende datums:  
- **Donderdag, 28 Julie 2016** om 18h00 by die Ramotshere Molloa Plaaslike Munisipaliteit Saal (C/O President & Coetzee Straat, Zeerust)  
- agter die munisipale gebou  
**Neem kennis: hierdie dien nie as 'n werksaanbod of waarborg dat 'n myn gebou sal word nie.**

# Church urged to pray for drug free society

**MAHIKENG MAIL – PAARDEKRAAL:** As religious institutions rooted within communities, churches, together with government, have a collective responsibility to fight racism, crime, substance abuse and the exploitation of women and children, said North West Premier Supra Mahumapelo.

Mahumapelo was speaking during a church service at Life Changes Ministries under Bishop Manas Kabelo in Paardekraal over the weekend where he emphasized the need for the North West provincial government and various churches in the region to always work together as partners especially in renewing, reconciling and healing the province.

“It will thus be wrong for us as government not to work with our churches in fighting poverty, drugs and unemployment,” said Mahumapelo.

Before his address, Mahumapelo joined the church choir to dance and sing several hymns with the congregation.

He appealed to the church to pray for

the abuse of drugs and other dangerous substances, which endanger the lives of people in various communities.

“One of the main challenges facing our province is the use of drugs and substance abuse. We must all know that failure to address this problem will destroy our people. Most of the crimes that we experience in our communities are due to alcohol and drug abuse,” he said.

The Premier also urged the church to pray for peaceful election in the province.

Bishop Kabelo thanked the Premier for making time to visit his church and promised to continue working with government to bring about reconciliation, healing and renewal in the province.

# No money for roads will undermine job creation

**Mahikeng Mail-Mahikeng- The Department of Public Works and Roads in North West is dodging responsibility to fix a dilapidated road linking the communities of Kaalpan to Gelukspan and Itsoseng, according to a DA statement issued earlier this week.**

“This road is the economic lifeline of the communities. Heavy vehicles from the Sepaku Cement Factory, farmers, taxi’s, busses and community members travel on this road on a daily basis. The tarmac surface is non-existent, damaging vehicles and resulting in claims against the local government,” said Jacqueline Theologo MPL DA North West Chief Whip.

The DA has raised the importance of rebuilding and maintaining the road during several Legislature sittings, as well as submit written questions to the MEC for Public Works and Roads – only to be referred back to the Mahikeng Local Municipality.

“We have now confirmed that it is the responsibility of the Provincial Department to maintain this road and not that of the Mahikeng Local Municipality. A senior official in the Department informed us that there is no

money available to ensure that important infrastructure like this is maintained. Instead of being truthful or taking action, the ANC are simply shifting the blame,” she continued, adding that “The Sepaku cement factory creates many job opportunities for the nearby rural communities. It is a pity that the safety of employees and assets are ignored. Farmers also suffer great losses when transporting grain and cattle on the road.”

The situation has become so dire, that in December 2015, Sepaku pledged to donate their own cement in order for the road to be fixed. The ANC failed to take up this offer or take any action.

“We call on the MEC for Public Works and Roads to acknowledge his Department’s responsibility for the road and to act in the interest of the community, farmers and companies of the area,” Theologo concluded.

# District Cooperative Forum meeting this Friday

**Mahikeng Mail Mahikeng:** Members of the Ngaka Modiri Molema Cooperative District forum are invited to a meeting to be held tomorrow (Friday) at the Mahikeng Local Development Center (behing Molopo Home Affairs) at 10:00. Members include the Ditsobotla, Mahikeng,Ramotshere,Tswaing and Ratlou Multipurpose Primary Cooperatives. For further details contact Oupa Ttime 0735350726 or Kefilwe Molamu on 0844713491 or the manager of the Mahikeng Development center on 0183811392/4.

### NOTICE OF ENVIRONMENTAL IMPACT ASSESSMENT

**PUBLIC MEETING AND REPORTS AVAILABLE FOR REVIEW: DRAFT SCOPING REPORT FOR THE PROPOSED DOORNHOEK FLUORSAPAR MINE ON VARIOUS PORTIONS OF FARMS DOORNHOEK 305 JP, FARM 306 JP, KNOFLOOKFONTEIN 310 JP,STRYDFONTEIN 326 JP, RHENOSTERFONTEIN 304 JP, KWAGGAFONTEIN 297 JP, PAARDEPLAATS 296 JP, SAAMGEVOEG 320 JP AND WITRAND 325 JP, ZEERUST DISTRICT, NORTHWEST PROVINCE**

Notice is hereby given in terms of chapter 6 of GNR 982 of 4 December 2014 published under section 24(5) of the National Environmental Management Act (Act no. 107 1998) of an environmental authorisation application; a waste management license application in terms of section 20 of the National Environmental Management Waste Act (Act no. 59 of 2008); a mining right application in terms of section 22(4) of the Mineral and Petroleum Resources Development Act (Act No. 28 of 2002); and a water use licence application in terms of section 40 and 41(4) of the National Water Act (Act 36 of 1998) in respect of the proposed mining operations.

**Proposed Mining Operations**

The proposed mining operations constitute an opencast fluorspar mine on various portions of farms as indicated above. The projects falls under the jurisdiction of the Ditsobotla and Ramotshere Moiloa Local Municipalities located within the Ngaka Modiri Molema District Municipality. The project site is located approximately 220 km west of Johannesburg and 18 km south of the town of Zeerust. The following coordinates serve as the centre point of the site:

**Latitude:** 25°44'.85"S; **Longitude:** 26°10'29.75"E

The project has the potential to contain a large fluorspar resource which could sustain a mining operation well into the future. The deposit hosts both surface and underground resources sufficient to justify an initial life of mine of 30 years. At full production the resource is proposed to be mined at 1.5 million tonnes per annum as follows:

- Resource Area A: Opencast mining up to a depth of approximately 60 m from year 5 to 10.
- Resource Area C: Opencast mining up to a depth of approximately 90 m from year 20 to 30.
- Resource Area D: Opencast mining up to a depth of approximately 90 m from year 10 to 20 with the possible mining of the areas to the side of the resource taking place from year 20 to 30.
- Construction of the mining infrastructure and access road(s) will take place during year 1 to 5.

As part of the planning phase of the project, the following authorisation/licences/rights must be obtained from the relevant Government Departments:

- 1. Environmental Authorisation:** an Environmental Impact Assessment in terms of the National Environmental Management Act (Act no. 107 of 1998) (NEMA) read with the Environmental Impact Assessment Regulations, 2014 (GNR 982 of 8 December 2014) will be undertaken for the proposed construction and operation of the proposed mining development and associated infrastructure. The following activities listed in GNR 983, GNR 984 and GNR 985 of 8 December 2014 are potentially applicable to the proposed project and require an environmental authorization (not exhaustive): GNR 983: Activity 9, 10, 11, 13, 14, 22, 24, 25, and 56; GNR 984: Activity 6, 15,17 and 21; and GNR 985: Activity 2, 4, 10 and 18. The environmental authorisation application subject to a scoping and environmental impact assessment process was submitted for approval to the Department Mineral Resources: North-West Region (DMR) on the 12th of July 2016.
- 2. Waste Management Licence:** in terms of section 20 of the National Environmental Management: Waste Act (Act 59 of 2008) (NEMWA) read with the Environmental Impact Assessment Regulations, 2014 (GNR 982 of 4 December 2014) for the undertaking of waste management activities listed in GNR 921 of 29 November 2013. An integrated application in terms of the NEMA and NEMWA was submitted to the DMR on the 12th of July 2016.
- 3. Mining Right:** a mining right application in terms of section 22 of the Mineral and Petroleum Resources Development Act (Act 28 of 2002) (MPRDA) was submitted to the DMR on the 12th of July 2016.
- 4. Water Use Licence:** the project will entail the undertaking of water uses as listed in section 21 of the National Water Act (Act 36 of 1998) (NWA) for 21(a), 21(b), 21(c), 21(g), 21(i) and 21(j) water uses. A water Use Licence application in terms of section 40 of the NWA will be submitted to the Department of Water and Sanitation as part of the Environmental Authorization process.

**Available Reports for Review:**

The Draft Scoping Report (SR) for the proposed project will be made available for review to Interested and Affected Parties (I&APs) for comment. The Draft SR and all its appendices will be available on the Dropbox website as from **Friday, 15 July 2016**. Hard copies will also be made available at the following venues:

Zeerust Public Library (Voortrekker Street)

Lichtenburg Public Library (C/O of Transvaal and Dr Nelson Mandela Drive)

Dropbox website link: <https://www.dropbox.com/sh/94cwx4y2lm3mkl/AADBIWAbnQlhpI81Vxs5cgnq?dl=0>

In order to ensure that you are registered as an interested and/or affected party (I&AP) or if you require further information on any of the abovementioned applications and/or proposed project activities, please submit your name, contact information, interest and comments/ relevant issues on the matter in writing on or before **Monday, 15 August 2016** to Exigo (details below). If you are not able to access the reports or wish to receive the documents via another method please feel free to contact us in order for alternative arrangements to be made.

All comments to be received on or before **Monday, 15 August 2016** must be submitted to:

**Mrs C.Uys (Exigo Environmental Unit)**  
Tel: 012 751 2160  
Fax: 086 607 2406  
Mail: Postnet Suite 74, Private Bag X07, Arcadia, 0007  
Email: [chantal@exigo3.com](mailto:chantal@exigo3.com)

**Public Meetings:**

Please note that **public meetings** regarding the Doornhoek Fluorspar Mine Project will take place on the following dates:

- **Thursday, 28 July 2016** at 18h00 at the Ramotshere Moiloa Local Municipality Hall (C/O President & Coetzee Street, Zeerust - behind the municipal building)

**Please note: this does not serve as an offer of employment nor a guarantee that a mine will be constructed.**
