

Project Team Profiles

Brian Hayes – Project Director

Brian is a registered professional engineer (Chemical) with a master degree in Environmental Engineering from the University of Nottingham. Brian has 20 years' experience in environmental management and environmental engineering.

Lee-Anne Fellows – Project Manager

Lee-Anne has a B-tech degree in Nature Conservation at the Tshwane University of Technology and holds a National Diploma in Nature Conservation. She gained valuable experience in the conservation and the environmental field through her employment at Gauteng's Department of Agriculture, Conservation and Environment. Her areas of expertise include flora monitoring, bio-diversity and conservation plans, Environmental Impact Assessments (EIA), identification of alien invasive species and eradication programmes. Lee-anne has 7 years' experience at Shangoni Management Services as project lead to EIA's and EMP.

Salome Beeslaar – Environmental Practitioner

Salome has a B.Sc.Hons degree in Geography from the University of Pretoria. Her fields of experience includes Environmental Impact Assessments (EIA), Environmental Management Programmes (EMP) for new mining rights, mining permits, prospecting permits as well as already existing rights and permits. She also compiles rehabilitation plans, and closure plans and conducts performance assessments.

Khosi Mohlahlo -

Khosi obtained her B.Sc. Hons in Environmental Management from UNISA in 2013. She is currently involved in EIA and EMP development for new mining and prospecting rights, as well as supporting EMP performance assessments.
