The executing Official is at present awaiting Scoping Report for further processing of this application; please submit the report in three hard copies and two soft copies.

- The EAP must, in order to give effect to regulation 56(2), before submitting the Environmental Impact Assessment Report to the Department give registered interested and affected parties access to, and the opportunity to comment on the report in writing.
- You are requested to provide the Department in writing with the contact details of all relevant State Departments (that administer laws relating to a matter affecting the environment) with whom you have communicated, in order for the Department to make a follow-up before making decisions on applications.

Please consider the following compilation of the reports for this application for a Waste Management License:

The Department of Economic Development, Tourism and Environmental Affairs hereby acknowledges receipt of your application, for the above-mentioned project. The intended application has been assigned reference number WML/EIA/10/2014. Kindly quote this reference number in any future correspondence in respect with the application and the report. The official handling this project is Ms. Michelle Sello and all communication regarding this matter should be directed to her.

**Acknowledgement of receipt of application for a Waste Management License:**

Dear Mr. Vusumuzi Hlatshwayo
