

# Skuitdrift Solar Energy Facility, Northern Cape Province

Environmental Sensitivity and Layout Map

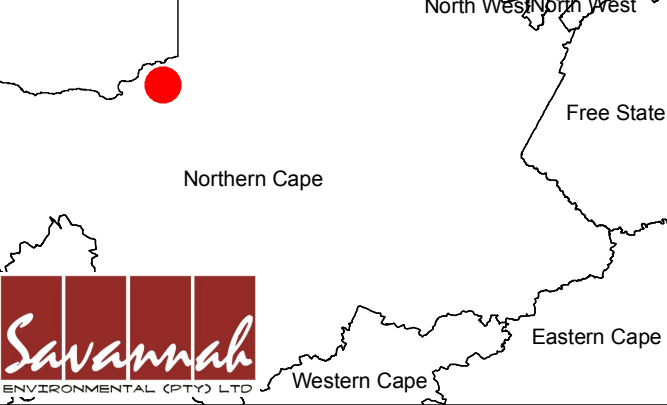

### Legend

- Existing Substation
  - Existing Powerline
  - Secondary Gravel Road
  - Affected property
- Layout Plan:**
- Rainwater Tanks
  - Road realignment
  - Internal Road
  - Perimetral Road
  - ⋯ Fence
  - Power Line
  - On-site Substation
  - PV Panel Area
  - Administration and Security Office
  - Storage Area
  - Ablution and workshop

### Environmental Sensitivities:

- ▲ Heritage Points
- Very High Ecological Sensitivity
- High Ecological Sensitivity
- Medium Ecological Sensitivity

Scale: 1:3 804  
Projection: LO19, CGS\_WGS\_1984
