Dear Sir/Madam

ENVIRONMENTAL IMPACT ASSESSMENT PROCESS FINAL SCOPING REPORT FOR THE METAL INDUSTRIAL CLUSTER NEAR KURUMAN, NORTHERN CAPE.

The final scoping report for environmental impact assessment which was submitted by you in respect of the above mentioned application and received by the Department on 23 May 2016 has been accepted by the Department. You may accordingly proceed with undertaking the Environmental Impact Assessment in accordance with the tasks that are outlined in the plan of study for environmental impact assessment. However:

- Please address concerns raised by the representative of El Dorado Hotel.
- As part of need and desirability please look into the feasibility of the project, bearing in mind that there is a current industrial area within the same location that is under-utilized.

Please draw the applicant attention to the fact that the activity may not commence prior to an environmental authorization being granted by the Department.

Yours faithfully

Ordain Riba

RE.: APPLICATION FOR ENVIRONMENTAL AUTHORISATION - KURUMAN METALS CLUSTER

1. Your letter NC/EIA/04/JTG/GA-S/KUR1/2016 refers;
2. The Municipality herewith confirms that the existing industrial area is optimally utilised and over-subscribed. It cannot be extended due to its location on the town's Urban Edge as defined in the current Spatial Development Framework. Development of any nature outside the Urban Edge is strictly prohibited.
3. Therefore the proposed location of the Metals Cluster on Erf 6253, Kuruman presents an opportunity for the Municipality to attract investment in to the town and bolster employment opportunities.
3. Kindly revert to the Municipality should you require any further information.

Yours faithfully,

Mr. G.E Ntefang
