56 jaar in die Boes manland kom en hy nog nooit 'n droogte van hierdie intensiteit daar gesien of beleef Boerehulp RSA het

met die voorsitter van die Nous-Wes boerevereniging, 60km wes van Kakamas, kontak gemaak en die 15 boere van daardie vereniging se aanvanklike primêre behoehte was om 'n voermenger te bekom, sodat hulle die voerreste wat hulle ontvang, eerstens fyn genoeg kon kry vir die skaap om te vreet en tweedens om die regte voermengsels te maak

Die goedkoopste menger wat hul kon kry, was 'n kleintjie teen R70 000. Met 'n voermenger kan die boere ook aansienlik bespaar teenoor die koste van aangekoopte

Boerehulp RSA se eerste doelwit was om genoegsame fondse in te samel om so'n voermenger vir die boerev-ereniging aan te koop. Gelukkig het een boer van Outeniqualand vir hulle 'n groot komposstrooier geskenk wat tans gratis deur 'n ingenieursfirma op George omskep word in 'n voermenger. Die materiaal van

hier-die menger gaan so in die orde van R20 000 wees en dan moet die menger nog 1000km vervoer word tot in die Boesman-

Die boere wag met groot afwagting om hierdie menger in ontvangs te neem. In-tussen het hulle al drie vragte mieliereste vanaf Wesselsbron laat aanry vir die boere van Nous- Wes en kon ook onder andere 300 lusernbale op Augra-

bies aankoop. Boerehulp RSA sal dit verwelkom as daar meer mense is wat betrokke wil raak. Enige hulp word met dank aanvaar. Omdat die afstande so baie ver is, is die vervoerkoste hoog en vat dit 'n baie groot hap van hul donasies. Boerehulp RSA het

ook 'n versamelpunt op Upington by MAN trokke (Gert van der Merwe) en op Kaka-mas by KLK (Ekhardt Kuhn).
