Dear Reuben

There other two projects are allocated to Ms Constance Masemburi, who is out of office today (I am not sure until when). We will liaise with her about your request, however, whether she is intending on conducting the site visit now (Draft BAR stage) or is available for the dates we have proposed, I cannot be sure at the moment. Nonetheless, we unfortunately won't be able to cancel the below schedule of the proposed site visit, as those are the only dates convenient for us before we issue the comments and since you also have indicated your availability.

Regards  
Zesipho Makhosayafana

Hi Zesipho,

Thanks for the correspondence.

From our end, we are in agreement with the proposed date for the site visit. However, there are two (2) other solar PV projects on the same property, and Ms Julliet Mahlangu has been appointed as the Case Officer; therefore, our aim is to undertake the site visit for all four projects at the same time. As a result, we have initiated correspondence with Ms Mahlangu in order to determine her availability to be on-site on the proposed date.

Best Regards
