

17 August 2022

Our ref: 1524CM/cm

To whom it may concern

Dear Sir or Madam:

NOTIFICATION REGARDING OPPORTUNITY TO PARTICIPATE IN THE ENVIRONMENTAL AUTHORISATION APPLICATION PROCESS FOR THE PROPOSED GAMOHAAN SEVEN-MILES POWERLINE, IN THE GA-SEGONYANA LOCAL MUNICIPALITY NORTHERN CAPE PROVINCE, SOUTH AFRICA.

Eskom SOC Limited (hereafter referred to as the applicant) has appointed Environmental Impact Management Services (Pty) Ltd (EIMS) as the Environmental Assessment Practitioner (EAP) to assist with undertaking the required authorisation processes (including the statutory public participation), and to compile and submit the required documentation in support of application for:

- Environmental Authorisation (EA) in accordance with the NEMA- Listed activity: Listing Notice 3: Activity 12.
- General Authorisation registration in accordance with the National Water Act – NWA (Act 36 of 1998) – Section 21 Water Uses

Additional listed activities and/or water uses may be identified during the process.

The applicant wishes to construct a new 22kV powerline from the existing Gamohaam substation along the R31 provincial road toward Kuruman where the powerline will turn north at the Bathlaros intersection for 1,1km towards the community of Mamoratwe at which point the powerline will turn east towards Seven Miles where it will cross the Kuruman watercourse. The proposed crossing of the Kuruman watercourse requires a GA registration. The section of the proposed powerline that runs parallel to the R31 and then turn north towards Mamoratwe will require the removal of indigenous vegetation which required an EA prior to commencement. The proposed powerline will be located on the Remaining Extent of the Farm Kuruman Reserve 690. The start, middle and end coordinates of the proposed powerline from the Gamohaam sub-station until the watercourse are:

Start: 27°22'46.38"S, 23°21'39.29"E;

Middle: 27°23'22.44"S, 23°22'53.62"E; and

End: 27°22'49.50"S, 23°22'59.86"E.

EIMS will be following the procedures defined in the Environmental Impact Assessment (EIA) Regulations (GRN982 of 2014, as amended) for undertaking a Basic Assessment process. In accordance with Chapter 6 of the EIA Regulations, a public participation process will be undertaken. You are hereby invited to register and comment on the proposed project and application/s. In order to ensure that you are identified and registered as an I&AP and that your comments are captured, please submit your name, contact details, the reason for your interest if any, in writing or telephonically, to EIMS by no later than 19 September 2022. Please note that only registered I&AP's will be informed of future project information and opportunities for participation.

By registering as an interested and affected party you consent to the collection and processing of your personal information as per the EIMS Privacy Notice available at www.eims.co.za/public-participation. In order to avoid missing
