**NOTICE OF THE ENVIRONMENTAL AUTHORISATION PROCESS FOR THE  
AMENDMENT OF THE WATERVAL MINE ENVIRONMENTAL MANAGEMENT  
PROGRAMME REPORT TO INCLUDE THE PROPOSED UG1 OPENCAST PROJECT, AND  
THE ASSOCIATED WATER USE LICENCE APPLICATION**

**PROJECT ANNOUNCEMENT, I&AP REGISTRATION AND AVAILABILITY OF THE BACKGROUND  
INFORMATION DOCUMENT**

**Applicant:** Glencore Operations South African (Pty) Ltd

**Location:** Remaining extent of Portion 82 of the Farm Waterval 306 JQ near Rustenburg, North West Province

**Project description:**

Glencore Operations South Africa (Pty) Ltd (Glencore) is the owner of the Waterval Mine located ~3 km east of Rustenburg in the North West Province. Glencore proposes to amend its approved 2021 Consolidated Environmental Management Programme (EMPr) to include the UG1 opencast project, as well as Prospecting Right Area 2060 into the existing mining right area. The proposed UG1 opencast project will include an opencast pit and supporting infrastructure.

Glencore has appointed Alta van Dyk Environmental Consultants cc (AVDE) as the independent Environmental Assessment Practitioner to undertake the required environmental-related applications and associated public participation process.

**Authorisations required:**

Before Glencore may commence with the development of the proposed UG1 opencast project, the following environmental authorisations are required:

- A Scoping and Environmental Impact Assessment process in terms of the National Environmental Management Act (Act 107 of 1998) (NEMA) and the Environmental Impact Assessment (EIA) Regulations (2014, as amended). The competent authority for this process is the Department of Minerals and Energy (DMRE).
- Approval in terms of the National Environmental Management: Waste Act (Act No. 59 of 2008) (NEM:WA) (a combined application in terms of NEMA and NEM:WA to be submitted to the DMRE).
- A Water Use Licence Application (WULA) in terms of the National Water Act (Act 36 of 1998). The competent authority for this process is the Department of Water and Sanitation (DWS).

**Background Information Document**

A Background Information Document (BID) which provides more information on the proposed project is available on the AVDE website:

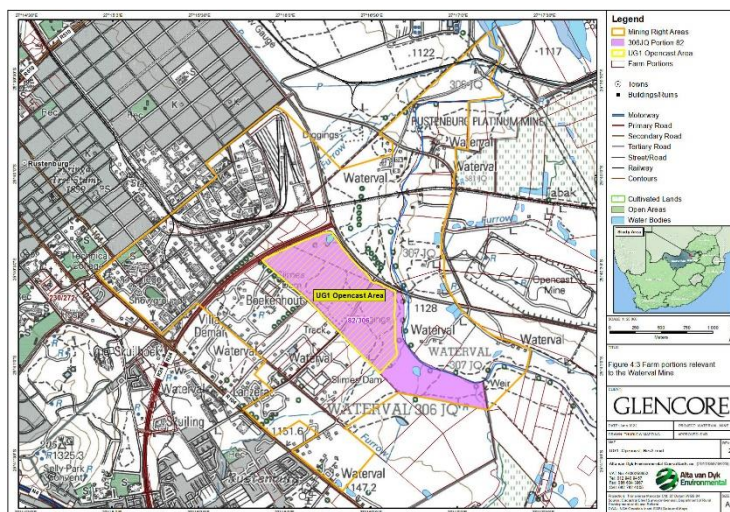

<https://www.altavandykenvironmental.co.za/public-documents/>

If you would like to register as an Interested and Affected Party (I&AP), require more information on the proposed project, comment on the proposed project or would like to receive an electronic copy of the BID, please contact:
