Dear Sir

RE: CONFIRMATION OF STATUS OF RELIGIOUS PRACTICE SITE IN KWAMBONAMBI TOWN

1. This letter serves to confirm that the property Erf 74 KwaMbonambi is municipal land and is designated as a Public Open Space.
2. The Shembe Church Congregation had requested that the municipality grant it consent to practice religious activities on the site, this request was acceded to.
3. There is an understanding between the municipality and the congregation that should there be a need to make use of the property, that the congregation would have to identify an alternative site for their activities.
4. I trust that the above is in order.
5. For any queries, kindly contact Mr. G. Ceza (035 580 1421/ E-mail: cezag@umfolozi.org.za)

Yours faithfully

MR. S.S. MAPHANGA
