Subject: PROPOSED CONSTRUCTION OF THE SDANGENI ACCESS ROAD IN THE DR NKOSAZANA DLAMINI ZUMA MUNICIPALITY

Dear Stakeholder,

NOTICE OF A PUBLIC PARTICIPATION PROCESS IN TERMS OF CHAPTER 5 OF THE NATIONAL ENVIRONMENTAL MANAGEMENT ACT, 1998

The Nkosazana Dlamini Zuma Municipality is proposing the construction of the Sdangeni Access Road in accordance with the KwaZulu-Natal Department of Transport standard engineering design for Local Roads or By Roads (Engineering Standard 7A). The alignment is approximately 1 000 m in length and includes:

- A G6 gravel wearing course with a total width of 5.9 m (carriage width = 5 m; 2 x 450 mm G6 gravel shoulders);
- A 2 x 1.5 m wide gravel shoulders
- A meadow drain on the upslope side of the alignment;
- Installation of pre-cast portal culverts at five (5) watercourse crossings.
- Fencing.

The project will trigger activities 12, 19 and 48 of Environmental Impact Assessment (EIA) Regulations Listing Notice 1, 2014 (GN. R 983 of 2014) and activities 4, 14 and 23 of EIA Regulations Listing Notice 3 (GN. R 985 of 2014) and is subject to an Application for Environmental Authorisation and Basic Assessment process. The authority responsible for considering the application is the KwaZulu-Natal Department of Economic Development, Tourism and Environmental

Affairs. In addition, approval in terms of the National Water Act, 1998 (No. 36 of 1998) and the National Heritage Resources Act, 1999 (No. 25 of 1999) may be required.

Opportunity to Participate:

If you and/or your organisation would like to register as an interested and affected party (I&AP) and/or wish to raise any issues or concerns regarding the proposed project, please contact Amishka Mothilal of SLR at the contact details below. For comments to be included in the Basic Assessment Report they should be submitted to SLR by no later than **22 February 2021**.

A copy of the executive summary is attached. The basic assessment report and appendices can be accessed at <https://www.slrconsulting.com/public-documents>.

Dear Tanveer,

Thank you so much for the query below to our Amishka.

Our understanding of the landownership is illustrated on the attached Figure which shows the areas under the administration of the Ingonyama Trust Board.

As outlined in the Basic Assessment Report. The development of the Sdangeni Access Road is driven through the Dr. Nkosazana Dlamini Zuma Municipal (NDZM) Integrated Development Plan (IDP), which, in 2018/2019, identified this project as a key municipal objective.

Based on this municipal planning process (the IDP process) it is SLR's understanding that the NDZM has been in discussion with the Board/local ward councillors and traditional authorities to arrive at this project being allocated in the IDP.

We have copied our employers (iX Engineers) who are the design engineers who will take up this discussion with the NDZM and revert to you.

Kind Regards

Hi Amishka,

Trust you well.

I tried perusing your documents regarding the abovementioned project and cannot seem to find Landowner information?

Would the affected parcels of land be under the ownership of the Ingonyama Trust Board? If so, has this formally come through for capturing onto our system? As you may be aware, should the project fall on land owned by the ITB, we would be required to sign off the Landowner Notification/Consent Form for this project.

Kindly advise.

Dear Tashveer,

Thanks so much for your communications below.

While we completely appreciate the Ingonyama Trust Boards consent procedures, our obligations in terms of the National Environmental Management Act requirements are to notify landowners. The excerpt from the regulations is below for your ease of reference (See Sub regulation of Regulation 39). The access road is obviously a linear development

Your previous queries were forwarded onto iX Engineers who are managing the project along with the Nkosazana Dlamini Zuma Municipality. Additionally I know that COGTA are assisting in the process.

I have copied in the project manager Shanir (iX Engineers), who will take up the process of having you ITB consents applied for and obtained.

@Shanir Ramjathan (Durban), will iX and NDZM please take up discussions with the ITB regarding the required consent. From a project implementation process, it is vital that the necessary channels are followed. The last thing we want is construction to be halted because of a process, parallel to the EIA isnt followed.

Kind Regards, and thanks once again Tashveer.

Theo

Hi Amishka,

I'm referring to having obtained a signed Landowners Consent from the Ingonyama Trust? Was the Landowner Consent from together with the relevant Shapefiles and Traditional Authority consent sent to the ITB?

Although the email from Theo shows that the ITB owns the land, the process to obtain landowners consent to proceed with the relevant environment authorisations needs to be obtained from the ITB.

Dear Thabani and Ayanda,

I hope that you are well and had a lovely weekend.

Thank you for allowing us an extension till 12 April 2021 for the submission of the FBAR. Your amenability and consideration is greatly appreciated.

The Sdangeni Access Road Project proponent, Dr Nkosazana Dlamini-Zuma Municipality, as well as COGTA have been placing immense pressure regarding the BAR process and obtaining of the EA as their aim was to commence with construction by June/July 2021. Should we only be able to submit the FBAR in April 2021, this will result in significant delays in the commencement of construction, due to the 107 day decision period.

In order to meet the municipal deadlines, would it be possible for any of the following alternatives:

- Submission of the FBAR on 03 March 2021 without comments from EDTEA. We can respond/action any queries upon receipt from EDTEA
- EDTEA to provide a comment within this week so that we can submit the FBAR as soon as possible or
- Would it be possible for EDTEA to expedite a decision on the FBAR in less than 107 days.

Please can you advise. I will also call you to discuss.

Once again, thank you for all your amenability and consideration. Have a lovely day further

Kind Regards,

Amishka Mothilal

Good Morning Ayanda,

Thank you so much for taking my call earlier and all your amenability regarding the Sdangeni Project. It is greatly appreciated!

We had previously requested an extension on the project until 01 March 2021, however, we are aware that there will be a delay in receipt of the acknowledgement of the report and the review of the report by the Department.

Please can you advise on the way forward in respect of submission of the final basic assessment report.

Thank you once again. Your time and consideration is greatly appreciated.

Have a lovely day.
Kind Regards,

Amishka

Hi Ayanda

Thank you so much for following up with us. That amazingly conscientious of you but at the same time worrying as we had couriered the document to your offices.

Ive included our Ami Mothilal in here and she will supply a copy of the weighbill and track the document.

Much appreciated.
