NOTICE OF BASIC ASSESSMENT PROCESS

DE BEERS CONSOLIDATED MINES (PTY) LTD – PROSPECTING RIGHT APPLICATION FOR OFFSHORE SEA AREAS 4C AND 5C, WEST COAST, SOUTH AFRICA

Notice is hereby given of an application for Environmental Authorisation and public participation process in terms of the Environmental Impact Assessment (EIA) Regulations 2014 (as amended) promulgated in terms of the National Environmental Management Act, 1998 (No. 107 of 1998) (NEMA). In addition, stakeholders are advised that the draft Basic Assessment Report prepared for the above-mentioned project is available for review and comment and are invited to attend public meetings.

Name of applicant: De Beers Consolidated Mines (Pty) Ltd (De Beers).

Nature and location of the proposed activity: On 22 November 2022, the Department of Mineral Resources and Energy (DMRE) accepted the application by De Beers for a Prospecting Right over Sea Areas 4C and 5C off the West Coast of South Africa in terms of Section 16 of the Mineral and Petroleum Resources Development Act, 2002 (No. 28 of 2002) (MPRDA), as amended. Sea Areas 4C and 5C are situated approximately 10 km south of Port Nolloth and 5 km west of Kleinsee. The inshore boundary of the Sea Areas are located between 2.5 and 5 km seaward of the coast and the offshore boundary is located approximately 140 -180 km offshore. The proposed prospecting activities would be conducted in a phased approach and would entail: (i) geophysical surveys and (ii) seabed sediment sampling. The Namaqua Fossil Forest Marine Protected Area does not form part of the application.

Application for Environmental Authorisation: In terms of the EIA Regulations 2014 (as amended), the proposed project requires Environmental Authorisation as it triggers Listed Activities 19A, 20 and 22 of Government Notice (GN) R983 of 2014 (as amended).

Environmental Assessment Practitioner: SLR Consulting (South Africa) (Pty) Ltd ("SLR") has been appointed by De Beers to undertake the Basic Assessment process for the proposed project. SLR contact details:

Ontsteltenis oor visvangkwotas kry aandag, sê minister

Marelize Barnard

Nuwe rolspelers in die komersiële visvangbedryf sal nie aan boord gebring kan word tensy bestaande kwotas vir visvangste verklein word nie.

So het Barbara Creecy, minister van bosbou, visserye en die omgewing, vandeeweek aan dié parlementêre portefeuljekomitee gesê.

Creecy en amptenare van die departement moes onder meer vrae beantwoord oor die hersieningsproses vir kwotas wat volgens haar teen einde Oktober vanjaar afgehandel sal wees.

Appèlaansoek teen toedielings wat deur die departement gemaak is, word nog ondersoek.

Creecy het gesê wat toedielings vir lynvis betref, is dit volgens inligting voor die portefeuljekomitee asook kommentaar van die publiek duidelik dat daar groot ontsteltenis hieroor is.

Creecy het gesê sy het opdrag gegee dat ondersoek oor appelle vir lynvis-toekennings teen einde Februarie afgehandel moet wees, want dit is waar daar merkbare swaarkry in die gemeenskap is.

Volgens Creecy kan sy nie beloop dat diegene wat nie visvang-reeks gekry het nie se regte met die appèlproses herstel sal word nie.

Wat sy wel kan beloop, is dat elke appèlaansoek individueel ondersoek word en dat die ondersoek nie as 'n geheel gedoen

word nie.

Sy het gesê mense moet onthou dat visbronne onder druk is, eerstens weens geskiedkundige visvangpraktyke en tweedens weens die natuurlike verandering van die oseane en die migrasie van vis.

"Die gevolg hiervan is indien ons wil voortgaan met die transformasieproses, waarmee ons wil voortgaan, sal daar nie nuwe rolspelers ingebring kan word tensy dié kwotas van historiese toedielings verklein word nie."

Daar is nie meer visbronne om toe te ken nie, dit is 'n kwessie wat die portefeuljekomitee in gedagte moet hou en indien dié komitee op transformasie fokus, kan daar nie ook klagtes wees oor kleiner kwotas nie.

Creecy het die versekering gegee dat sy baie besorg is oor die lynvis-sektor en dat alles moontlik gedoen word om die appèlle af te handel omdat die visseisoen begin.

Die burgerregteorganisasie Kaapse Forum sê wanneer die regte toegeken word, sal dit vir 15 jaar geldig wees.

Om hierdie proses weer eens uit te stel is onaanvaarbaar. Verskeie vissers het reeds tou opgegooi en sommige het alles verloor. Kaapse Forum is in kontak met verskeie vissersgemeenskappe wie se kinders nie meer verder kan studeer nie en hul studies, weens 'n tekort aan geld moes opskop.
