Groot donasie vir Kindersorg

Carla du Plessis

VEREENIGING. - 'n Groot geluk het Kindersorg Vereeniging te beurt geval toe hulle 'n donasie van R20 000 van die IDA Care Foundation ontvang het.

Die IDA is die Independent Dealer Association waaraan motorhandelaars behoort. Aan die einde van 2014 het die Vaaldriehoek Handelaars Forum ook 'n wesenlike verskil gemaak in die lewe van kinders deur 'n donasie van R50 000 aan Kindersorg Vereeniging te gee.

"Die IDA Care Foundation bestaan tans twee jaar en motorhandelaars doen aanbevelings aan wie donasies gegee moet word," sê Dave Brown, Vaaldriehoek handelaars konsultant.

Volgens Dalene Venter, direkteur van Kindersorg Vereeniging het armoede en werkloosheid talle gesinne se lewens geraak en kinders was meestal die slagoffers wat eerste hieronder gely het.

"Armoede en werkloosheid haal die mees basiese behoeftes uit 'n gesin se lewe soos kos, versorging van kinders en die versekering van 'n dak oor hul kop.

Spanning en onsekerheid gee weer aanleiding tot aggressie, gesinsgeweld, verwaarloosing en mishandeling van kinders."

Kindersorg Vereeniging lewer intensiewe professionele dienste aan meer as 520 gesinne per jaar, waarvan leiding en terapie uiters noodsaaklik is.

"Kinderverwaarloosing- en mishandeling

kom daagliks meer en meer voor onder almal in die gemeenskap en ons het groot waardering vir die groot donasies wat ons in staat stel om ons dienste effektief te lewer en kinders 'n tweede kans te gee," sê Dalene.

Vanjaar word verskeie programme deur Kindersorg aangebied, wat handel oor effektiewe ouerskap en hantering van kinders en enige ouer kan dit bywoon.

"Daar is vir enige moontlike beroep of

loopbaan in die wêreld opleiding beskikbaar, maar om suksesvolle en effektiewe ouers te wees, is daar nie formele opleiding nodig nie.

Ons maak dus die verskil deur die opleiding van effektiewe ouerskap," sê Dalene. Vir nadere besonderhede oor Kindersorg Vereeniging se projekte en programme, kan Dalene by 082 335 8111 of die kantoor by (016) 422 146/7 gekontak word.

It is always good to give

Moleboheng Chaha

MEYERTON.-The Children of the Doulos orphanage in Glendonald were recently treated with Christmas gifts and activities by representatives from The Academy of Education. The Academy partnered with Tanya Lessingh from Tracker SA, who was responsible for getting most of the sponsors on board.

The Doulos orphanage cares for over 40 children affected by or suffering from HIV/AIDS. Through the initiative of the owner of the Academy of Education Carmy Dixon, the children of ages ranging between 2 and 17, were given personalised gifts with the message that it is good to give. In turn, the children treated the visitors with a dance they had been practicing and also made thank you cards that will be given to all the sponsors of the gifts. "We are very thankful that the event was a success. Although we did not have enough time to plan it, we are really glad that it worked out in the end as it put big smiles on the faces of the young ones," says Lessingh.

"Thank you to the care givers at the Doulos orphanage for their support and for giving us a chance to make the event happen." Lessingh concludes. For more information on Doulas Ministeries and the Academy of Education, contact Carmy Dixon on 0731393352 or Emma on 0845787533.

"After 8 years of suffering" We are now happily married!

For 8 years I lived in an abusive marriage. But after reading & listening to various testimonials about Mama Jane in a magazine & on radio, I visited her paid R200 for special prayers.

"I was shocked when she told me accurately all my past & present problems & revealed that my husband was involved in a relationship with another lady. "She showed me the lady "live in a mirror", Mama Jane helped to separate that lady from my husband, she also made my enemies & in-laws come & confess all the bad things they had done to my family. Mama Jane performed a special prayer to bind my marriage, today we are happy together. I highly recommend her to those suffering a similar fate as mine.
